- (b) any delegate or sub-delegate of, or other person nominated in writing by, an officer of the Security Trustee; and
- (c) any Receiver,

jointly and severally as that Chargor's attorney, in that Chargor's name, on its behalf and in such manner as the attorney may in its or his absolute discretion think fit following the occurrence of an Event of Default or following the failure by that Chargor to comply with a request from the Security Trustee in accordance with the terms of this Deed, to take any action and sign or execute any further documents which that Chargor is required to take, sign or execute in accordance with this Deed.

15.2 Ratification

Each Chargor agrees, promptly on the request of the Security Trustee or any Receiver, to ratify and confirm all such actions taken and documents signed or executed.

16 Preservation of Security

16.1 Reinstatement

If any payment by a Chargor or any discharge given by the Security Trustee (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Chargor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the Security Trustee shall be entitled to recover the value or amount of that security or payment from each Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

16.2 Waiver of defences

The obligations of each Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this Clause 16.2 (*Waiver of defences*), would reduce, release or prejudice

any of its obligations under this Deed (without limitation and whether or not known to it or the Security Trustee or any other Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Chargor or other person;
- (b) the release of any other Chargor or any other person under the terms of any composition or arrangement with any creditor of any Chargor or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Chargor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Chargor or any other person;
- (e) any amendment (however fundamental) or replacement of a Finance Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

16.3 Chargor intent

Without prejudice to the generality of Clause 16.2 (*Waiver of defences*), each Chargor expressly confirms that it intends that the security created by this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following:

Each Chargor waives any right it may have of first requiring the Security Trustee to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

16.5 Appropriations

Until the expiry of the Security Period, the Security Trustee may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Security Trustee in respect of the Secured Liabilities, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Liabilities.

16.6 Deferral of Chargors' rights

Until the expiry of the Security Period, and unless the Security Trustee otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents:

- (a) to be indemnified by any other Chargor;
- (b) to claim any contribution from any other guarantor of any Chargor's obligations under the Finance Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Security Trustee's rights under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Security Trustee.

16.7 Additional Security

This Deed is in addition to, is not in any way prejudiced by and shall not merge with any contractual right or remedy or other Security Interest now or in the future held by or available to any Secured Party.

16.8 New Accounts

If a Secured Party receives notice (actual or otherwise) of any subsequent Security Interest over or affecting all or any of the Security Assets it may open a new account or accounts with any Chargor and, if it does not do so, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that subsequent Security Interest, and as from that time all payments made by the relevant Chargor to that Secured Party:

- (a) shall be credited or be treated as having been credited to the new account of that Chargor; and
- (b) shall not operate to reduce the Secured Liabilities at the time when the that Secured Party received or was deemed to have received such notice.

For the purposes of section 94(1) of the Act and section 49(3) of the Land Registration Act 2002 the Security Trustee confirms on behalf of the Lenders that the Lenders shall make further advances to the Borrowers on the terms and subject to the conditions of the Finance Documents.

18.2 Separate Charges

This Deed shall, in relation to each Chargor, be read and construed as if it were a separate Deed relating to such Chargor to the intent that if any Security Interest created by any other Chargor in this Deed shall be invalid or liable to be set aside for any reason, this shall not affect any Security Interest created under this Deed by such first Chargor.

18.3 Invalidity

If, at any time, any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired.

18.4 Rights and Remedies

The rights of the Secured Parties under this Deed are cumulative, may be exercised as often as considered appropriate and are in addition to the general law. Such rights (whether arising hereunder or under the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing and, in particular, any failure to exercise or delay in exercising any of such rights shall not operate as a waiver or variation of that or any other such right, any defective or partial exercise of any such rights shall not preclude any other or further exercise of that or any other such right, and no act or course of conduct or negotiation by any Secured Party or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

18.5 Accession of Affiliates

- (a) To the extent that any Affiliate of the Company is required by the terms of the Finance Documents to provide Security Interests over its assets under English law, it may do so by executing a Deed of Accession and such Affiliate shall on the date which such Deed of Accession is executed by it become a party to this Deed in the capacity of a Chargor and this Deed shall be read and construed for all purposes as if such company had been an original party to this Deed as a Chargor (but for the avoidance of doubt the security created by such company shall be created on the date of the Deed of Accession).
- (b) Each Chargor (other than the Company) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Company to execute on its behalf any Deed of Accession without further reference to or the consent of such Chargor and such Chargor shall be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.

19 Release

19.1 Expiry of Security Period

- (a) Upon the expiry of the Security Period (but not otherwise), the Security Trustee shall, at the request and cost of the Chargors, take whatever action is necessary to release the Security Assets from the security constituted by this Deed and/or reassign the benefit of the Security Assets to the Chargors.
- (b) Section 93 of the Act shall not apply to this Deed.

19.2 Other Accounts

At any time before the Security Interests created by this Deed shall have become enforceable, in the absence of any directions from the Security Trustee to the contrary, any amounts permitted by the terms of the Finance Documents to be paid into an Other Account shall upon payment into such account stand released from any fixed charge in respect of such amount created pursuant to Clause 3 (*Creation of Security*) and shall stand subject to the floating charge created by Clause 3.14(a) (*Other Assets*), provided that such release shall in no respect prejudice the continuance of any fixed charge created pursuant to Clause 3 (*Creation of Security*) in respect of any other amount.

20 Governing Law and Jurisdiction

20.1 Governing Law

English law governs this Deed, its interpretation and any non-contractual obligations arising from or connected with it.

- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 20.2 (*Jurisdiction*) is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, a Secured Party may take concurrent proceedings in any number of jurisdictions.
