K. M. PROPERTY DEVELOPMENT COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

1. General information

K. M. Property Development Company Limited ("the Company") is a limited company incorporated and domiciled in the United Kingdom. The address of its registered office and principal place of business is disclosed in the Company Information.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS102), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The Company's financial statements are presented in Sterling, which is also the Company's functional currency, and all values are rounded to the nearest pound (£).

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have, unless otherwise stated, been consistently applied to all periods presented.

The Company is itself a subsidiary company and is exempt from the requirement to prepare group accounts by virtue of section 400 of the Companies Act 2006. These financial statements therefore present information about the Company as an individual undertaking and not about its group.

The Company is part of the HeidelbergCement AG group and is included in the consolidated financial statements of HeidelbergCement AG. The Company therefore qualifies for the reduced disclosures for subsidiaries under FRS 102 including the exemption to present a cash flow statement. The Company is also exempt under Section 33.1A of FRS 102 from disclosing related party transactions with wholly owned subsidiaries of the HeidelbergCement AG group.

2.2 Going concern

The accounts have been prepared on a going concern basis as the Company is in a position to meet its obligations as they fall due. The recoverability of the Company's assets is dependent on the financial position of the HCAG group. The Directors believe the carrying value of assets are expected to be fully realised.

The impact of COVID-19 on global economic development is currently unpredictable, however HeidelbergCement AG has adopted COPE ('Covid-19 Contingency Plan Execution'), which is focussed on cost savings and has significant liquidity headroom as a result of actions already taken during its refinancing strategy. The Directors, having assessed the responses of the management of HCAG to their enquiries, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the HCAG group to continue as a going concern.

On the basis of their assessment of the Company's financial position and relevant enquiries the Directors have a reasonable expectation that the Company will be able to continue in existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

2.3 Investments

Investments held as fixed assets are shown at cost less provision for impairment.
