DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CRICKHOWELL ESTATES LIMITED

We have audited the financial statements of Crickhowell Estates Limited for the year ended 31 March 2010 which comprise the profit and loss account, the balance sheet and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) *Ethical Standards for Auditors*.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2010 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report.

NOTES TO THE FINANCIAL STATEMENTS
Year ended 31 March 2010

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted, which have been applied consistently throughout the current and the prior financial year, are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Going concern

In preparing the financial statements the directors have considered the current financial position of the company and the likely future cash flows. At the date of issuing the financial statements, the directors have concluded that it is appropriate to prepare the financial statements on a going concern basis. In forming this conclusion, the directors have considered that, whilst the company has recorded a loss in the current financial year and has net liabilities, it has the formal support of its ultimate parent company Newbridge Construction Limited. The directors have assessed the ability of the parent company to provide that support and concluded that it is appropriate to rely on this support in assessing the appropriateness of adopting the going concern basis.

Cash flow statement

Under Financial Reporting Standard 1, the company is not required to prepare a cash flow statement as it qualifies as a small company.

Stocks

Stocks are stated at the lower of cost and net realisable value, and consist of property held for resale and development.

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date.

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements.

Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

2. TURNOVER AND REVENUE RECOGNITION

This relates to		
Rents receivable	3,341	15,707
Miscellaneous income	-	3,558
	<u>3,341</u>	<u>19,265</u>

Turnover represents the services provided, stated net of value added tax, and arises in the United Kingdom. Turnover is recognised over the term in which the services are being provided to the tenants.

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 March 2010

3. INFORMATION REGARDING DIRECTORS AND EMPLOYEES

The directors were the only employees of the company during the current and the prior financial year. They received no remuneration from the company during either period.

The directors are remunerated by the parent company, Newbridge Construction Limited, for their services to the group as a whole. It is not practicable to apportion their remuneration between group companies. Details of the directors' remuneration can be found in the financial statements of Newbridge Construction Limited.

4. LOSS ON ORDINARY ACTIVITIES BEFORE TAXATION

	2010 £	2009 £
Loss on ordinary activities before taxation is after charging		
Auditors' remuneration – audit services	2,100	1,500

5. TAX ON LOSS ON ORDINARY ACTIVITIES

	2010 £	2009 £
Current taxation		
United Kingdom corporation tax		
Current tax on income for the year at 28% (2009 – 28%)	-	-

The difference between the current taxation shown above and the amount calculated by applying the standard rate of UK corporation tax to the loss before tax is as follows:

	£	£
Loss on ordinary activities before tax	(75,444)	(89,399)
Tax on loss on ordinary activities before tax at 28% (2009 – 28%)	(21,124)	(25,032)
Factors affecting charge for the year		
Increase in tax losses	21,124	-
Group relief surrendered	-	25,032
Current tax charge for the year	-	-

A deferred tax asset has not been recognised in respect of timing differences relating to trading losses carried forward, as there is insufficient evidence that the asset will be recovered. The amount of the asset not recognised is approximately £118,811 (2009 – £97,662). The asset would be recovered if the company were to make trading profits from the same trade in future periods.

The forthcoming changes in the corporation tax rate from 28% to 24% in future years will not materially affect the future tax charge.

6. STOCKS

Stocks consist of land and property.
