CONTENTS

- 1** Introduction
- 2** Receipts and Payments
- 3** Work undertaken by the Liquidator
- 4** Outcome for Creditors
- 5** Liquidator's Remuneration & Expenses
- 6** Conclusion

APPENDICES

- A** Receipts and Payments Account for Period from 18 March 2019 to 6 November 2019
- B** Additional Information in Relation to the Liquidator's Fees, Expenses & Disbursements

1 Introduction

- 1.1 I, Michael David Rollings, together with my partner Steven Edward Butt, of Rollings Butt LLP, 6 Snow Hill, London, EC1A 2AY, United Kingdom, was appointed as Liquidator of Bedfordshire Newspaper Limited ("the Company") on 18 March 2019. The affairs of the Company are now fully wound-up and this is my final account of the liquidation, which covers the period since my appointment ("the Period").
- 1.2 Information about the way that we will use, and store personal data on insolvency appointments can be found at <http://rollingsbutt.com/wp-content/uploads/2018/05/Rolings-Butt-LLP-Privacy-Policy-2018.pdf>. If you are unable to download this, please contact us and a hard copy will be provided to you.
- 1.3 The Company is a member of the Johnston Press Group. The Company's parent/ultimate parent, Johnston Press plc, and a number of Johnston Press plc's subsidiaries entered administration on 17 November 2018.
- 1.4 The Company ceased trading many years ago and any matters relating to the Company have subsequently been dealt with by correspondence to the previous registered office.
- 1.5 The registered office of the Company was changed to 6 Snow Hill, London EC1A 2AY and its registered number is 1021920.

2 Receipts and Payments

- 2.1 At Appendix A, I have provided an account of my Receipts and Payments for the Period with a comparison to the directors' statement of affairs values. The Company had no assets, and where liabilities are shown, there were no realisations in the liquidation to enable liabilities to be discharged.

3 Work undertaken by the Liquidators

- 3.1 This section of the report provides creditors with an overview of the work undertaken in the liquidation since the date of my appointment, together with information on the overall outcome of the liquidation.

Administration (including statutory compliance & reporting)

- 3.2 As you may be aware, the Liquidators must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation. Details about the work I anticipated undertaking in this regard was outlined previously and I would confirm that in this period of the liquidation. There were no matters which arose which affected the costs of the liquidation to any particular extent.
- 3.3 Where the costs of statutory compliance work or reporting to creditors exceeded the initial estimate, it will usually be because the duration of the case has taken longer than anticipated, possibly due to protracted asset realisations, which have in turn placed a further statutory reporting requirement on the Liquidators.
- 3.4 Fees incurred dealing with such matters does not necessarily bring any financial benefit to creditors but is work required on every case by statute.

Realisation of Assets

- 3.5 As mentioned at 2.1 above, the Company had no realisable assets.

Creditors (claims and distributions)

- 3.6 Further information on the outcome for creditors in this case can be found at section 4 of this report. A liquidator is not only required to deal with correspondence and claims from unsecured creditors, but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture as well as dealing with the general handling of communications with stakeholders, such as customers and suppliers.
- 3.7 Claims from preferential creditors typically involve employee claims and payments made on behalf of the Company by the Redundancy Payments Service following dismissal. In this case that as there were no employees, therefore there were no preferential creditors.
- 3.8 The above work will not necessarily bring any financial benefit to creditors generally and the more creditors there are on an assignment, the higher the resultant cost will usually be, however a liquidator is required by statute to undertake this work. In this case there was no work required to deal with creditors, as there was no prospect of a dividend being paid, therefore there has been no effect to the overall outcome of the liquidation.

Investigations

- 3.9 Some of the work the Liquidators were required to undertake was to comply with legislation such as the Company Directors' Disqualification Act 1986 (CDDA 1986) and Statement of Insolvency Practice 2 – Investigations by Office Holders in Administration and Insolvent Liquidations and may not necessarily bring any financial benefit to creditors, unless those investigations revealed potential asset recoveries that could have been pursued for the benefit of creditors.
- 3.10 My report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy under the CDDA 1986 was submitted in accordance with statutory timescales and is confidential.
- 3.11 Since my appointment, no asset realisations have come to light that may be pursued by me for the benefit of creditors
- 3.12 I can confirm that there were no connected party transactions during the course of the liquidation

4 Outcome for Creditors

4.1 Secured Creditors

The Company had no Secured Creditors.

4.1 Preferential Creditors

- 4.2 The Company did not have any preferential creditors.

Unsecured Creditors

- 4.3 I have received no claims from unsecured creditors.

I can confirm that as there were no realisations in the liquidation there are no funds available declare a dividend to the unsecured creditors after defraying the expenses of the proceedings.

5 Liquidators' Remuneration & Expenses

- 5.1 The basis of the Liquidators' remuneration was fixed at £3,000 plus disbursements plus VAT, and it was agreed that the fees would be paid by JPI Media Limited.
- 5.2 My time costs for the Period are £3,349.00. This represents 13 hours at an average rate of £257.62 per hour.
- 5.3 Additionally fees, were incurred in the pre Liquidation period up until 17 March 2019, and time costs are £2,269.00 which represents 8.82 hours at an average rate of £257.26 per hour.
- 5.4 The Liquidators have billed £1,174 plus disbursements plus VAT against the total set fee agreed of £3,000. The balance of £1,286 of the total set fee will be invoiced in the coming days, with the fees to be paid by JPI Media.
- 5.5 Attached as Appendix B is additional information in relation to the Liquidator's fees and the expenses and disbursements incurred in the liquidation

A copy of 'A Creditors' Guide to Liquidators' Fees' is available on request or can be downloaded from [https://www.r3.org.uk/media/documents/publications/professional/Guide to Liquidators Fees - April 2017.pdf](https://www.r3.org.uk/media/documents/publications/professional/Guide%20to%20Liquidators%20Fees%20-%20April%202017.pdf).

6 Conclusion

- 6.1 This final account will conclude my administration of this case. The Notice accompanying this account explains creditors' rights on receipt of this information and also when I will vacate office and obtain my release as Joint Liquidator.

Yours faithfully
for the Company

Mike Rollings
Joint Liquidator
