Directors' report

The Directors present their annual report and the financial statements of the Company for the year ended 31 July 2018.

The Company is a wholly owned subsidiary of its ultimate parent company Ferguson plc and operates as part of the UK business of the Ferguson plc group of companies (the "Group"). The Company did not trade during the current or prior year.

The Directors' report has been prepared in accordance with the special provisions relating to small companies under Section 415(A) of the Companies Act 2006 and consequently a separate Strategic report is not presented.

Going concern

In the opinion of the Directors it is appropriate to draw up the financial statements on the going concern basis as the immediate parent company has given an undertaking to provide continued financial support for a period at least 12 months from the date on which these financial statements are signed. Going concern is discussed further as part of the accounting policies.

Future developments

The Directors do not foresee, at the date of this report, that there will be any trade by the Company in the next year.

Results and dividends

The Company's profit for the financial year was £nil (2017: £nil). The Directors do not recommend the payment of a dividend (2017: £nil).

Directors' responsibilities statement

The Directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements

For the year ended 31 July 2018

1 Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and to the preceding year.

General information and basis of accounting

Sellers of Leeds Limited is a company incorporated in the United Kingdom under the Companies Act. The address of the registered office is given on page 1.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional and presentational currency of Sellers of Leeds Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

Sellers of Leeds Limited meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. Sellers of Leeds Limited is consolidated in the financial statements of its ultimate parent, Ferguson plc, which may be obtained from The Group Company Secretary, Ferguson plc, c/o Ferguson Limited, 1020 Eskdale Road, Winnersh Triangle, Wokingham, Berkshire, RG41 5TS. Exemptions have been taken in these separate company financial statements in relation to financial instruments, intragroup related party transaction, presentation of a cash flow statement and remuneration of key management personnel.

Going concern

The Directors have received a letter of support from the Company's immediate parent company, William Wilson Holdings Limited, which confirms that William Wilson Holdings Limited will provide such financial support as is necessary for the Company to meet its debts as they fall due for a period of not less than 12 months from the date on which the financial statements are approved by the Directors. On this basis the Directors have concluded that it is appropriate to prepare the financial statements on a going concern basis.

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Current tax assets and liabilities are offset only when there is a legally enforceable right to set off the amounts and the Company intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Notes to the financial statements

For the year ended 31 July 2018

1 Accounting policies (continued)

Group financial statements

As permitted by Section 400 of the Companies Act 2006, consolidated financial statements have not been prepared because the Company itself is a wholly owned subsidiary of its ultimate parent company Ferguson plc (note 8) and its results are included in the consolidated financial statements of that company.

Critical accounting judgements and key sources of estimation uncertainty

Due to the nature of the Company there are no critical accounting judgements that the Directors have made in the process of applying the Company's accounting policies.

Financial assets and liabilities

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

All financial assets and liabilities are initially measured at transaction price and where applicable are subsequently measured at amortised cost.

Financial assets and liabilities are only offset in the Balance sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the Company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Subsidiary undertakings

The Company owns a number of subsidiary undertakings as disclosed in note 9. They are dormant and have no carrying value and hence are not shown in the Balance sheet.

2 Employees and directors

There were no employees of the Company in either the current or previous year.

During the year ended 31 July 2018 and the year ended 31 July 2017 the emoluments of E L Hancox were paid by the immediate parent company Wolseley UK Limited, which makes no recharge to the Company.

During the year ended 31 July 2018 the emoluments of S Gray were paid by the immediate parent company Wolseley UK Limited, which makes no recharge to the company.

Wolseley UK Directors Limited received no remuneration in its capacity as director of the Company during the years ended 31 July 2018 and 31 July 2017.

3 Tax on result on ordinary activities

The current tax charge for the year is £nil (2017: £nil). The tax charge for the year is equal (2017: equal) to the standard rate of corporation tax in the UK.

Tax reconciliation	2018 £	2017 £
Result on ordinary activities before taxation	-	-

Effects of:		
Tax charge on imputed interest	1,008	1,038
Group relief claimed for nil consideration	(1,008)	(1,038)
