## AUDITORS' REPORT TO THE MEMBERS

We have audited the financial statements on pages 6 to 13 which have been prepared under the historical cost convention and the accounting policies set out on pages 8 and 9.

# Respective Responsibilities of Directors and Auditors

As described on page 4 the Company's Directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

# Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

## Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs as at 31 December 1997 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 1997

#### 1. ACCOUNTING POLICIES

## Accounting Basis

The financial statements are stated in US Dollars. They have been prepared under the historical cost convention, as modified by the method used to translate the issued share capital and the carrying value of the vessel to US Dollars, and in accordance with applicable Accounting Standards.

The US Dollar value of the vessels at 31 December 1995 was arrived at by converting from Sterling at the exchange rate ruling at 31 December 1995. Subsequent additions are stated at cost.

The US Dollar value of the issued share capital at 31 December 1995 was arrived at by converting from Sterling at the exchange rate ruling at 31 December 1995.

The financial statements are presented on a going concern basis as the shareholders have informed the Board that it is their present intention to continue to support the operations of the Company.

#### Fixed Assets

Depreciation is provided on a straight line basis to write off the vessel over its estimated useful life which is twenty years.

## Survey Costs and Drydocks

The fleet is surveyed in line with classification society and international requirements. Drydocking is carried out on a minimum 30-month cycle and provision is made annually for a pro-rata proportion of the estimated drydocking costs.

#### Fleet Insurance

The vessel is fully insured outside of the Group.

#### Deferred Taxation

Provision for deferred taxation, resulting from accelerated tax depreciation allowances, is made where a corporation tax liability might arise within the foreseeable future.

# Foreign Currencies

Assets and liabilities in foreign currencies are converted into US Dollars at the approximate rates ruling at the year end.

#### Cash Flows

A statement of Group cash flows has been included in the consolidated accounts presented by the ultimate parent undertaking. Consequently, the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (Revised 1996).
