# DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2004

#### STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Report of the independent auditors to the members of Bibby Bulk Carriers Limited

We have audited the financial statements on pages 6 to 14.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 4, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

#### Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

# NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2004

#### ACCOUNTING POLICIES

#### Basis of preparation

The following accounting policies have been applied consistently in dealing with items considered to be material to the company's financial statements.

The financial statements are stated in US Dollars. They have been prepared under the historical cost convention, as modified by the method used to translate the issued share capital and the carrying value of the vessel to US Dollars, and in accordance with applicable Accounting Standards.

The US Dollar value of the issued share capital is arrived at by converting from Sterling at the exchange rate ruling at the date the accounts were first presented in \$US.

#### Going concern

The financial statements are presented on a going concern basis as the shareholders have informed the Board that it is their present intention to continue to support the operations of the Company for the foreseeable future and that Bibby Line Limited will not seek repayment of US\$14,625,603 (2003 - US\$16,181,474) due to that company before 11 April 2006.

#### Tangible fixed assets and depreciation

Fixed assets are included at cost less depreciation. The US dollar value of the vessel is arrived at by converting from sterling at the exchange rate ruling at the date the accounts were first presented in US\$. Subsequent additions are stated at cost.

Depreciation is provided on a straight line basis to write off the cost of the vessel over its useful economic life, which is estimated to be 25 years.

#### **Drydock costs**

All revenue costs associated with the periodic drydocking of vessels are written off in the year in which the drydock takes place.

#### Fleet insurance

The vessel is fully insured outside of the Group.

### **Deferred taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. The deferred tax assets and liabilities are not discounted.

# NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2004 (CONTINUED)

## 1. ACCOUNTING POLICIES (continued)

#### Foreign currencies

Transactions in foreign currencies are translated at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates ruling at the balance sheet date. All exchange differences are dealt with through the profit and loss account.

#### Cash flows

A statement of Group cash flows has been included in the consolidated accounts presented by the parent undertaking. Consequently, the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (Revised 1997).

#### Related party transactions

Under Financial Reporting Standard 8, the Company is exempt from disclosing related party transactions, as more than 90% of the voting rights are controlled by the ultimate parent undertaking, Bibby Line Group Limited.

Transactions between Bibby Line Group Limited and its related parties and a statement of substantial shareholdings in Bibby Line Group Limited are included in that company's consolidated financial statements.

#### 2. TURNOVER

Turnover is the freight and charter hire earned and is recognised at the time the relevant service is provided to customers.
