Directors' report

The directors present their annual report and the audited financial statements for the year ended 31 December 2004.

Principal activity

The principal activity of the company is property trading. There has been no significant change in the nature of the company's business activity during the year nor is any envisaged in the immediate future.

Financial statements and dividends

The result for the year ended 31 December 2004 is set out in the attached financial statements.

The directors do not recommend the payment of a dividend (2003: £nil).

Property

A professional valuation of the property held for trading was carried out at 31 December 2001 and the surplus over book value of £218,400 at that time was not incorporated in the financial statements. The directors are satisfied that at 31 December 2004 property held for trading had a value in excess of its book value.

Directors and directors' interests

The directors who held office during the year, and who are still in office, are:

Mr BSE Freshwater

Mr D Davis

The Articles of Association of the company do not require the directors to retire by rotation.

Neither director has a service contract nor receives any emoluments from the company.

Day-to-day management of the company's property is carried out by Highdorn Co. Limited. Mr BSE Freshwater is a director of Highdorn Co. Limited and has a non-beneficial interest in its share capital.

The whole of the issued share capital of the company is owned by Metropolitan Properties Co (FGC) Limited.

Mr BSE Freshwater and Mr D Davis are also directors of the intermediate parent undertaking, Metropolitan Properties Company Limited and Mr BSE Freshwater's interest therein is set out in the directors' report of that company.

Apart from the aforementioned, at 31 December 2004, neither of the directors had any interest in the share capital of the company, the company's parent undertaking or any subsidiary of the company's parent undertaking.

Auditors

In accordance with Section 385 of the Companies Act 1985, a resolution for the re-appointment of Cohen, Arnold & Co and KPMG LLP as joint auditors of the company is to be proposed at the forthcoming Annual General Meeting.

By order of the board

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Report of the joint independent auditors, Cohen, Arnold & Co and KPMG LLP, to the members of Firville Investments Limited

We have audited the financial statements on pages 4 to 9.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2004 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable Accounting Standards.

The financial statements have been prepared on the going concern basis, notwithstanding the company's net liabilities, which the directors believe to be appropriate of the following reasons. The company is dependent for its working capital on funds provided to it by Metropolitan Properties Company Limited, the company's intermediate parent undertaking. Metropolitan Properties Company Limited has provided the company with an undertaking that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company and in particular will not seek repayment of the amounts currently made available.

This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have not reason to believe that it will not do so.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

Property held for trading

Property held for trading is stated at the lower of cost and estimated net realisable value.

Disposals are considered to take place at the date of legal completion.

Taxation

Current

Provision is made for consideration payable to or receivable from other group undertakings for the surrender of losses under group relief provisions.

Turnover

Turnover is comprised of ground rents receivable during the year.

Cash flow statement

The company is exempt from the requirement to prepare a cash flow statement (in accordance with Financial Reporting Standard No. 1 (revised 1996)) on the grounds that it is a wholly-owned subsidiary undertaking of an immediate holding company registered in England and Wales which prepares consolidated accounts that include a consolidated cash flow statement.

Related party transactions

The company has taken advantage of the exemption in FRS 8 Related Party Disclosures in order to dispense with the requirement to disclose transactions with other Metropolitan Properties Company Limited group companies.
