

# Sander & Kay plc

Accounts 1 March 1997 together with directors' and auditors' reports

Registered number: 01060981

### Directors' report

For the year ended 1 March 1997

The directors present their report on the affairs of the company, together with the accounts and auditors' report, for the year ended 1 March 1997.

#### Directors' responsibilities

Company law requires the directors to prepare accounts for each financial period which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Principal activity and business review

On 3 March 1996 the trading activities of the company were transferred to J.D. Williams & Company Limited, the immediate parent undertaking. As a consequence, the company remained dormant throughout the year.

#### Results and dividends

Results and recommended transfers to reserves are as follows:

	£
Retained profit at 2 March 1996	481,219
Result for the year	-
Retained profit at 1 March 1997	481,219

The directors do not recommend the payment of a dividend.

## Directors' report (continued)

#### Directors and their interests

The directors who served during the year are as shown below:

P. Sander

A. White

J. Martin

The directors had no interests in the shares of the company. The interests of the directors in the 10p ordinary shares of N Brown Group plc, the ultimate parent undertaking, are shown in the accounts of that company with the exception of P. Sander who had no interests during the period.

#### Fixed assets

Information relating to changes in tangible fixed assets is given in note 8 to the accounts.

#### **Auditors**

Arthur Andersen have indicated their willingness to continue to act as auditors of Sanders & Kay plc. The directors will place a resolution before the annual general meeting to reappoint Arthur Andersen as auditors for the ensuing year.

Manchester

M60 6ES

By order of the Board,

Secretary

15 April 1997

## ARTHUR ANDERSEN

### Auditors' report

Manchester

#### To the Shareholders of Sander & Kay plc:

We have audited the accounts on pages 4 to 11 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

#### Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of the accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

#### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

#### Opinion

In our opinion the accounts give a true and fair view of the company's state of affairs at 1 March 1997 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Arthur Andersen

#### Notes to accounts

1 March 1997

#### 1 Accounting policies

A summary of the principal accounting policies, all of which have been applied consistently throughout the year and the preceding period, is set out below.

#### a) Basis of accounting

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards.

#### b) Tangible fixed assets

Fixed assets are shown at cost.

Depreciation is provided at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a reducing balance basis over its expected useful life as follows:

Motor vehicles

25% reducing balance

#### c) Taxation

Corporation tax payable is provided on taxable profits at the current rate.

Deferred taxation (which arises from differences in the timing of the recognition of items, principally depreciation, in the accounts and by the tax legislation) has been calculated on the liability method. Deferred taxation is provided on timing differences which will probably reverse, at the rates of tax likely to be in force at the time of the reversal. Deferred tax is not provided on timing differences which, in the opinion of the directors, will probably not reverse.

#### d) Pension costs

The ultimate parent undertaking operates a defined benefit pension scheme which certain employees are entitled to join. Contributions are charged to profit based on the advice of an independent actuary to spread the expected cost of providing pensions over the employees' working lives within the scheme.

#### e) Turnover

Turnover comprises the value of sales (excluding VAT and trade discounts) of goods and services provided in the normal course of business, entirely within the United Kingdom.

#### f) Cash flow statement

Under the provisions of Financial Reporting Standard Number 1 (Revised), the company has not prepared a cash flow statement because its ultimate parent undertaking, N Brown Group plc, which is incorporated in Great Britain, has prepared consolidated accounts which include the accounts of the company for the year end and which contain a cash flow statement.

#### 2 Segment information

All turnover and operating profit is generated from the principal activity of the company in the United Kingdom.
