Notes to the Financial Statements

Year ended 31 October 2020

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is 113 Stratford Road, Shirley, West Midlands, B90 3ND.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis. The financial statements are prepared in sterling, which is the functional currency of the entity. The directors of the company will continue to provide financial support, in view of this, the directors consider it appropriate to prepare financial statements on the going concern basis.

Revenue recognition

Turnover represents sales of goods and services and is recognised when goods and services are physically supplied to the customer.

Tax

Current tax represents the amount of tax payable or receivable in respect of the taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings	-	15% reducing balance
Equipment	-	15% reducing balance

Stocks

Stocks are measured at the lower of cost and estimated selling price after making due allowance for obsolete and slow moving items.

Government grants

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the company will comply with conditions attaching to them and the grants will be received using the accrual model.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into, either as financial assets, financial liabilities or equity interests. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.
