Grapeseal Limited

Notes to the Financial Statements

Year ended 31 March 2017

1. General information

The Company is a Company limited by shares, registered in England and Wales. The address of the registered office is Freshwater House, 158-162 Shaftesbury Avenue, London, WC2H 8HR.

2. Statement of compliance

These financial statements have been prepared in compliance with the provisions of FRS 102 Section 1A, The Financial Reporting Standard applicable in the UK and the Republic of Ireland.

3. Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention except that investment property is measured at fair value.

The financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, notwithstanding the Company's net liabilities, which the directors believe to be appropriate for the following reasons. The Company is dependent for its working capital on funds provided to it by Daejan Holdings PLC, the Company's ultimate parent undertaking. The Daejan Holding PLC group has considerable financial resources together with a large property portfolio and access to credit facilities. Daejan Holdings PLC has provided the Company with an undertaking that, for at least 12 months from the date of approval of these financial statements, they will continue to make available such funds as are needed by the Company.

This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue, although, at the date of the approval of these financial statements they have no reason to believe that it will not do so.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Income available for distribution

Under the Articles of Association, realised capital profits are not available for distribution as dividends and these profits are taken to a non-distributable reserve.

Basic financial instruments

Trade and other debtors

Trade and other debtors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate for a similar debt instrument.

Trade and other creditors

Trade and other creditors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate for a similar debt instrument.

Dormant status

The Company is dormant as defined by section 1169 of the Companies Act 2006. The Company received no income and incurred no expenditure during the current year or prior year and therefore no income statement is presented within these financial statements. There have been no movements in shareholder deficit during the current year or prior year.

Related party transactions

The Company has taken advantage of the exemptions in FRS 102 in order to dispense with the requirements to disclose transactions with other companies in the Daejan Holdings PLC group.
