NOTES TO THE FINANCIAL STATEMENTS

1. General information

ELE Datasystems is a company registered in the United Kingdom under the Companies Act 2006. The address of the registered office is Peninsula House, Rydon Lane, Exeter, EX2 7HR. The nature of the Company's operations and its principal activities are set out in the Directors' report on page 1.

2. Principal accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

(a) **Basis of preparation**

These financial statements have been prepared on the historical cost accounting basis and in accordance with International Financial Reporting Standards (IFRS) and interpretations of the IFRS Interpretations Committee as adopted by the European Union, and with those parts of the Companies Act 2006 applicable to companies reporting under IFRS. A summary of the principal accounting policies is set out below. No changes have been made to previous policies.

The going concern basis has been adopted in preparing these financial statements.

New or revised standards or interpretations which were mandatory for the first time in the year beginning 1 April 2017 did not have a material impact on the net assets or results of the Company.

Other standards and interpretations in issue, but not yet effective, are not expected to have a material effect on the Company's net assets or results.

The preparation of financial statements in conformity with IFRS requires the use of estimates and assumptions which affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best assessment of the amounts, actual events or actions and results may ultimately differ from those estimates.

(b) **Financial instruments**

The Company classifies its financial instruments in the following categories:

Other non-current assets

Non-current receivables do not carry any interest receivable and are recognised initially at fair value and subsequently at amortised cost using the effective interest method.

Other non-current liabilities

Other non-current liabilities are not interest-bearing and are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.
