STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

United Kingdom company law requires the Directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Company as at the end of the financial period and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- ensure that applicable accounting standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for the Company's system of internal control, for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

For the 52 weeks ended 30 September 2006

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. They have all been consistently applied throughout the period and the preceding period.

Basis of Accounting

These financial statements have been prepared under the historical cost convention and comply in all respects with applicable Accounting Standards in the United Kingdom.

Taxation

Corporation tax payable is provided on taxable profits at the current rate.

Deferred taxation is provided on timing differences that result in obligations at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets and liabilities are not discounted. Deferred tax liabilities are recognised in full. Deferred tax assets are recognised to the extent that it is considered more likely than not that the asset will be recovered.

Cash flow

Under the provisions of FRS 1 (revised 1996) the Company has not produced a cash flow statement on the grounds that its ultimate parent company, Enodis plc, has produced group financial statements including a consolidated cash flow statement, which are publicly available.

2. PROFIT AND LOSS ACCOUNT

The Company has made neither a profit nor a loss during the current period or the prior period and accordingly no profit and loss account or statement of total recognised gains and losses is presented.

The Directors were not remunerated for their services to the Company (2005: £nil). The Company does not have any employees other than the Directors (2005: nil).
