## **Report of the auditors to the directors of Twinaplate Limited under Section 247B to the Companies Act 1985**

We have examined the abbreviated financial statements on pages 2 to 4 together with the financial statements of Twinaplate Limited for the 15 month period ended 31 March 1999.

### **Respective responsibilities of directors and auditors**

The directors are responsible for preparing the abbreviated financial statements in accordance with Section 246 of and Schedule 8A to the Companies Act 1985. It is our responsibility to form an independent opinion as to the company's entitlement to deliver abbreviated financial statements prepared in accordance with Sections 246(5) and (6) of the Companies Act 1985 and whether the abbreviated financial statements are properly prepared in accordance with those provisions and to report our opinion to you.

### **Basis of opinion**

We have carried out the procedures we considered necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements are properly prepared from those financial statements. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the financial statements.

### **Opinion**

In our opinion the company is entitled to deliver abbreviated financial statements prepared in accordance with sections 246(5) and (6) of the Companies Act 1985 and the abbreviated financial statements to be delivered are properly prepared in accordance with those provisions.

The abbreviated financial statements have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The financial statements on pages 2 to 4 were approved by the board of directors on 23rd July 1999 and were signed on its behalf by:

  
**P G Martin**  
Director

**Notes to the financial statements  
for the 15 month period ended 31 March 1999****1 Principal accounting policies**

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, is set out below.

**Basis of accounting**

The financial statements are prepared in accordance with the historical cost convention as modified for the revaluation of freehold land and buildings.

**Group accounts**

Group accounts have not been prepared as the group is entitled to the exemption conferred by Section 248 of the Companies Act 1985. Therefore these accounts present information about the company as an individual undertaking and not about its group.

**Taxation**

Corporation tax payable is provided on taxable profits at the current rate. Deferred taxation (which arises from differences in the timing of the recognition of items, principally depreciation) has been calculated on the liability method. Deferred tax is provided on timing differences which will probably reverse, at the rates of tax likely to be in force at the time of reversal. Deferred tax is not provided on timing differences which, in the opinion of the directors, will probably not reverse.

**Foreign currency**

Transactions in foreign currencies are recorded at the actual exchange rates prevailing at the dates of the transactions. Foreign currency monetary assets and liabilities have been translated at the rates prevailing at the balance sheet date. Any gain or losses arising from changes in exchange rates subsequent to the dates of the transaction are reported as exchange gains or losses in the profit and loss account.

**Turnover**

Turnover represents the sales value of goods sold and services provided in the normal course of business and excludes Value Added Tax.

**Stock**

Stock is stated at the lower of cost and net realisable value. Where necessary, provision is made for obsolete, slow moving and defective stocks.

**Tangible fixed assets**

The cost of tangible fixed assets is their purchase cost, together with any incidental expenses of acquisition.

Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight line basis over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are:

	%
Freehold land and buildings	2
Plant and machinery	10-20
Motor vehicles	20-25
Office furniture and equipment	15-33
Tools	33

**Lease and hire purchase transactions**

Payments made under operating leases are charged to the profit and loss account on a straight line basis over the lease term.

**Development expenditure**

Expenditure on development is written off in the period in which it is incurred.

**Cash flow statement**

The company is exempt from the requirement to prepare a cash flow statement under Financial Reporting Standard 1 'Cash flow Statements', and therefore no such statement has been produced.
