DIRECTORS' REPORT

The Directors present their report, together with the audited financial statements for the year ended 31 December 2010

PRINCIPAL ACTIVITIES

The Company acts as a holding company and continues to be the parent company of the former defence division and certain other subsidiaries of the Hunting PLC Group, and is a wholly-owned subsidiary of Hunting PLC, a company registered in England and Wales

From the perspective of the Company, the primary risks and uncertainties are integrated with the primary risks of the Hunting PLC Group and are not managed separately. The primary risks and uncertainties of the Hunting PLC Group, which include those of the Company, are discussed on pages 22 and 23 of the Hunting PLC 2010 Annual Report and Accounts. Further detail on financial risks is provided within note 14.

No change in the current activities of the Company is anticipated in 2011

RESULTS AND DIVIDENDS

The results and financial position of the Company are set out in the attached financial statements

The profit for the year was £339,000 (2009 £10,430,000 loss), which includes dividend income of £491,000 (2009 £nil) The profit for the year has been transferred to reserves, which has increased net assets from £140,750,000 in 2009 to £141,089,000 in 2010

The Directors do not recommend the payment of a dividend (2009 £nil)

Given the straightforward nature of the business, the Company's Directors are of the opinion that analysis using Key Performance Indicators is not necessary for an understanding of the development, performance or position of the business

CHARITABLE AND POLITICAL CONTRIBUTIONS

The Company made no payments to charitable or political organisations during the year (2009 £nil)

DIRECTORS

The Directors of the Company who served during the year and to the date of this report were as follows

D L Proctor

RH Hunting

P Rose

DB Willey (appointed 17 June 2010)

No Director had a material interest in any contract of significance to which either the Company or its subsidiaries were a party

DIRECTORS' REPORT (continued)

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

Hunting PLC maintains insurance against certain liabilities which could arise from a negligent act or a breach of duty by its Directors and officers in the discharge of their duties

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are responsible for preparing the financial statements in accordance with applicable law and regulations

Company Law requires the Directors to prepare financial statements for each financial year. Under that law, the Directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards ("IFRSs") as adopted by the European Union. Under Company Law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period

In preparing those financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- · make judgements and estimates that are reasonable and prudent,
- state whether applicable IFRSs, as adopted by the European Union, have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT ON DISCLOSURE OF INFORMATION TO AUDITORS

In accordance with Companies Act requirements, all Directors in office, as at the date of this report, have confirmed so far as they are aware there is no relevant audit information of which the Company's auditors are unaware and each Director has taken all reasonable steps necessary in order to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information. This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HUNTING OIL HOLDINGS LIMITED

We have audited the financial statements of Hunting Oil Holdings Limited for the year ended 31 December 2010, which comprise the Income Statement, the Balance Sheet, the Statement of Changes in Equity, the Statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its profit
 and cash flows for the year then ended,
- · have been properly prepared in accordance with IFRSs as adopted by the European Union, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HUNTING OIL HOLDINGS LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

1 ACCOUNTING POLICIES

1 1 Basis of Accounting

The financial statements have been prepared in accordance with International Financial Reporting Standards as adopted by the European Union (IFRSs as adopted by the EU), IFRIC Interpretations and the Companies Act 2006 applicable to companies reporting under IFRS. The financial statements have been prepared on a going concern basis under the historical cost convention.

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

Adoption of new standards, amendments and interpretations

The following new standards, amendments and interpretations became effective for and were adopted during the year ended 31 December 2010

- IAS 27 (revised) Consolidated and Separate Financial Statements
- Amendment to IAS 39 Financial instruments Recognition and Measurement Eligible Hedged Items
- Improvements to IFRSs April 2009
- IFRIC 17 Distributions of Non-cash Assets to Owners

Although the adoption of these standards, amendments and interpretations represents a change in accounting policy, comparative figures for 2009 have not been restated, as these changes do not impact the financial performance or position of the Company

Standards, Amendments and Interpretations Effective Subsequent to the Year End

- IFRS 9 Financial Instruments*
- IAS 24 (revised) Related Party Disclosures
- Amendment to IAS 32 Financial Instruments Presentation Classification of Rights Issues
- Amendment to IFRIC 14 Prepayments of a Minimum Funding Requirement
- Amendment to IFRS 7 Financial Instruments Disclosures Transfers of Financial Assets*
- Amendment to IAS 12 Deferred tax Recovery of Underlying Assets*
- IFRIC 19 Extinguishing Financial Liabilities with Equity Instruments
- Improvements to IFRSs May 2010

It is not anticipated that any of the new requirements will significantly impact the Company's results or financial position

^{*} Not yet endorsed by the European Union

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010 (continued)

1. ACCOUNTING POLICIES (continued)

12 Revenue

Dividend income is recognised in the income statement in the period in which it has been received, for interim dividends, or approved, for final dividends, by the relevant company's shareholders

13 Interest

Interest income and expense is recognised in the income statement using the effective interest method

14 Taxation

The taxation credit in the income statement comprises current tax arising on the current year's net profits

Current tax is the expected net tax payable arising in the current year on the current year's net profits, using tax rates enacted or substantively enacted at the balance sheet date

15 Impairments

The Company assesses at least annually whether there have been any events or changes in circumstances that indicate that property, plant and equipment may be impaired and an impairment review is carried out whenever such an assessment indicates that the carrying amount may not be recoverable

Where impairment exists, the asset is written down to its recoverable amount, which is the higher of the fair value less costs to sell and value in use. Impairments are recognised immediately in the income statement.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been previously recognised.

16 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand. Accrued interest is disclosed as part of the year-end balance. For cash flow statement purposes, cash and cash equivalents include bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

17 Investments in Subsidiaries

Investments in subsidiaries are stated at cost, which is the fair value of the consideration paid, less any provision for impairment

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010 (continued)

1. ACCOUNTING POLICIES (continued)

1 8 Financial Assets

The Company classifies its financial assets into loans and receivables. Management determines the classification of its investments at initial recognition and re-evaluates this designation at every reporting date. Financial assets are initially recognised at fair value at the trade date, which is normally the consideration paid, plus transaction costs.

The Company assesses at each balance sheet date whether a financial asset is impaired by comparing its carrying value with the present value of the estimated future cash flows discounted at a rate relevant to the nature of the financial asset. If the carrying amount is higher, it is reduced to the appropriate value and the loss is recognised in the income statement immediately. Financial assets cease to be recognised when the right to receive cash flows has expired or has been transferred and the Company has transferred substantially all the risks and rewards of ownership.

Loans and receivables

Loans and receivables are carried at amortised cost using the effective interest method. If collection is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets. Interest accrued on loans that are measured at amortised cost using the effective interest method is regarded as an integral part of the loan balance and, therefore, included within the carrying value of those loans. Consequently, interest receivable within twelve months on loans due after more than one year is recognised in non-current other accounts receivable.

19 Financial Liabilities

Financial liabilities are initially recognised at fair value at the trade date, which is normally the consideration received less transaction costs. The Company subsequently re-measures all of its financial liabilities, including other accounts payable, at amortised cost.

Payables are classified as current liabilities if payment is due within one year (or in the normal operating cycle of the business if longer). If not, they are presented as non-current liabilities.

Interest accrued on loans that are measured at amortised cost using the effective interest method is regarded as an integral part of the loan balance and, therefore, included within the carrying value of those loans. Consequently, interest payable within twelve months on loans due after more than one year is recognised in non-current borrowings.

1 10 Exceptional Items

Exceptional items are regarded as significant items of income and expense, which are separately disclosed by virtue of their size, incidence or nature to enable a full understanding of the Company's financial performance Exceptional items are principally the impairment of assets

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010 (continued)

1. ACCOUNTING POLICIES (continued)

1 11 Group Accounts

The Company has taken advantage of the exemption from preparing group accounts under section 400 of the Companies Act 2006 as it is a wholly-owned subsidiary of Hunting PLC, a company registered in England and Wales, in whose consolidated financial statements the Company is included

1 12 Share Capital

The Company's share capital comprises a single class of shares, Ordinary shares, which are classified as equity

1 13 Critical Accounting Estimates and Judgements

The preparation of financial statements requires management to make judgements and assumptions about the future, resulting in the use of accounting estimates. These will, by definition, seldom equal the related actual results and adjustments will consequently be necessary. Estimates are continually evaluated, based on experience, consultation with experts and reasonable expectations of future events. Accounting estimates are applied in determining the carrying value of accruals.

2. DIRECTORS AND EMPLOYEES

None of the Directors received any remuneration during the year in respect of their services to the Company (2009 £nil) Remuneration received by Directors was for their services to Hunting PLC, the ultimate parent company acting in various Group capacities. The key management of Hunting Oil Holdings Limited is its Directors.

The average number of persons employed by the Company during the year was nil (2009 nil)

7. TAXATION (continued)

A number of changes to the UK corporation tax system were announced in the June 2010 Budget Statement. The Finance (No. 2) Act 2010 includes legislation to reduce the main rate of corporation tax from 28% to 27% from 1 April 2011. As part of the March 2011 Budget Statement, the main rate of corporation tax has been further reduced to 26% from 1 April 2011. The impact of this change will be recognised in the period in which the Finance Act 2011 is substantively enacted, which is expected to be the year ended 31 December 2011. Further reductions to the main rate are proposed to reduce the rate by 1% per annum to 23% by 1 April 2014. The changes are not expected to have a material impact on the financial statements.

The fair value of financial instruments that are not traded in an active market is determined using standard valuation techniques, predominantly based on discounted cash flows. The carrying amounts of current financial assets and liabilities are a reasonable approximation of their fair values, as the impact of discounting is not significant.

14 FINANCIAL RISK FACTORS

The Company's activities expose it to certain financial risks, namely market risk (including cash flow interest risk and fair value interest risk), credit risk and liquidity risk. From the perspective of the Company, these financial risks are integrated with the financial risks of the Hunting PLC Group and are not managed separately.

a) Interest rate risk

The Company is exposed to cash flow interest rate risk from its unsecured bank overdrafts and from receivables due to and owed by group companies, which are at variable interest rates. The Company is exposed to fair value interest rate risk from its interest free loans to and from fellow group companies.

14 FINANCIAL RISK FACTORS (continued)

b) Credit risk

The Company's credit risk arises from its cash and cash equivalents and outstanding receivables. The Company is exposed to credit risk to the extent of non-receipt of its financial assets, however, it has no significant concentrations of credit risk other than from related parties. Credit risk is continually monitored and no individual exposure is considered to be significant in the ordinary course of the Company's activities.

The Company's outstanding receivables are due from fellow group companies, and no losses are expected from non-performance of these counterparties

Funds are only invested with approved financial institutions and no losses are expected from non-performance of the counterparty

c) Liquidity risk

The Company has sufficient facilities available to satisfy its requirements

The table below analyses the Company's non-derivative financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date of the financial liabilities. The amounts presented in the table are the contractual *undiscounted* cash flows, whereas the carrying amounts in the balance sheet are the *discounted* amounts. Balances due within one year have been included in the maturity analysis at their carrying amounts, as the impact of discounting is not significant.

d) Sensitivity analysis

The following sensitivity analysis is intended to illustrate the sensitivity to changes in market variables on the Company's financial instruments, and show the impact on profit or loss and shareholders' equity Financial instruments affected by market risk include borrowings, cash and cash equivalents and receivables. The sensitivity analysis relates to the position as at 31 December 2010.

The sensitivity analysis has been prepared on the basis that the amount of net cash and the ratio of fixed to floating interest rates remain unchanged at 31 December 2010

The analysis excludes the impact of movements in market variables on the carrying value of non-financial assets and liabilities

Interest rate sensitivity

The table below shows the post-tax impact for the year of a reasonable change in the UK interest rate, with all other variables held constant, at 31 December

2010	2009
Income	Income
statement	statement
£'000	£'000
UK interest rates +0 5% (2009 +1%) (50)	(102)
UK interest rates -0 5% (2009 -1%) 50	102

The movements in the income statement arise from the sterling denominated floating rate cash and cash equivalents. There was no impact on equity
