THE NORTHERN MILL ENGINE SOCIETY LIMITED

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 DECEMBER 2017

The trustees, who are also directors of the company present their report together with the unaudited financial statements of the charity for the year ended 31 December 2017.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's Act 2011, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)"

Objectives and activities

The Object of the Charity is to advance the education of the public in the field of Industrial Archaeology.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

The main activity has been the continued development and operation of the Society's museum - known as the 'Bolton Steam Museum' where work has continued on the restoration and display of the collection of stationary steam engines that originally provided power to the mills of the North West textile industry. The museum has received Accredited status with the Arts Council England which recognises that although there are no employees and it is run entirely by volunteers, it is operated to professional museum standards as regards collections management, visitors' services, procedures and ethics.

Public Benefit

The directors and trustees of The Northern Mill Engine Society Limited have considered the implications of the Charities Act 2011 with regard to public benefit, and have paid due regard to the guidance on public benefit issued by the Charity Commission when exercising any powers or duties to which the guidance would be relevant.

They are satisfied that the charitable company's activities are in line with its charitable objects (above) and are being delivered for the benefit of the general public.

Achievements and performance

The museum was open to the public on approximately 100 days during the year, including 5 weekends when the engines could be viewed working in steam. During the year, approximately 4,000 visitors attended. To ensure the widest possible access by the public there is no admission charge, although children under 16 must be accompanied by a responsible adult for safety reasons. Special steamings were also held for schools and organised parties.

Interpretation of the collection is provided by photographic displays, museum guides, information panels and verbally by museum volunteers. In addition, a programme of lectures to external bodies on local industrial archaeology subjects is undertaken and a website is maintained where photographs and full technical details of the entire engine collection are available, together with descriptive material to set the engines in their historical context.

Membership of the Society is open to anyone on payment of a modest subscription. A magazine - 'The Flywheel' containing articles on steam engineering and industrial history, is issued to members periodically.

Financial review

Reserves policy

The Council regularly reviews the amount of reserves held by the Society. The Society has no secure regular source of income, apart from membership subscriptions, which are insufficient to cover operational costs. The majority of income is from donations, which vary from year to year. In addition, as part of the future museum development plans, and to provide for one-off maintenance work, the Society will be expected to fund at least part of the costs from its own resources. The trustees consider it prudent to hold reserves to cover a years running costs of £25,000 together with a reserve to enable future development of its museum and the possible purchase of heritage assets as they may arise. The target level of reserves is £85,000.

THE NORTHERN MILL ENGINE SOCIETY LIMITED

THE NORTHERN MILL ENGINE SOCIETY LIMITED

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE NORTHERN MILL ENGINE SOCIETY LIMITED

I report on the accounts of the Charity for the year ended 31 December 2017, which are set out on pages 5 to 12.

This report is made solely to the charity's trustees, as a body, in accordance with Section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this independent accountants' report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my reporting work, for this report, or for the opinions I have formed.

Respective responsibilities of Trustees and examiner

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of financial statements. The trustees consider that an audit is not required for this year under Section 144(2) of the Charities Act 2011 (the '2011 Act') and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

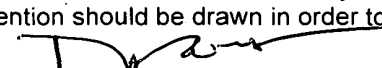

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met.
- (b) No other matter has come to my attention in connection with my examination to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Heritage assets

The charity owns and maintains various heritage assets, dating from the mid 1800's, as part of the museum. In the opinion of the trustees, it is not appropriate to include these at either cost or valuation in the financial statements as cost information is not readily available, valuations would be subjective and the benefits of obtaining valuations for these items would not justify the cost.
