CHRISTIE'S ASSETS LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2019

The Directors present their annual report and financial statements for the year ended 31 December 2019.

Principal activities

Christie's Assets Limited ("the Company") has acted principally as fine art and antique dealers, numismatists, medallists, philatelists and bullion dealers in prior years. The Company continues to hold balances relevant to this activity.

Business review

The results for the year are set out on page 5. The company made a profit after taxation of £376k (2018: £358k).

Covid-19

On 11 March 2020, the World Health Organisation (WHO) declared the Coronavirus (Covid-19) outbreak to be a pandemic in recognition of its rapid spread across the globe, resulting in enforced lockdowns and social distancing measures by governments across the world.

The Company assessed the impact of Covid-19 on its operations and financial resources and concluded that it was appropriate to continue to prepare the financial statements on a going concern basis. Going concern is further discussed at Note 1.2 to the financial statements.

Dividends

The Directors do not recommend the payment of a dividend in the current year (2018: £nil).

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

A C Falconer
S Valentine

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Disclosure of information to the auditor

The Directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each Director has taken all the steps that they ought to have taken as a Director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Strategic report

The Company is defined as small as per the requirements of the Companies Act 2006 and therefore has applied the exemption to prepare a Strategic Report.

On behalf of the board

CHRISTIE'S ASSETS LIMITED

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE YEAR ENDED 31 DECEMBER 2019

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- assess the Company's ability to concern as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

CHRISTIE'S ASSETS LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF CHRISTIE'S ASSETS LIMITED

Opinion

We have audited the financial statements of Christie's Assets Limited ("the company") for the year ended 31 December 2019 which comprise the Profit and Loss Account, Balance Sheet and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

Strategic report and directors' report

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the Strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

CHRISTIE'S ASSETS LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF CHRISTIE'S ASSETS LIMITED

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 2, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

CHRISTIE'S ASSETS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2019

1 Accounting policies

The following policies have been applied consistently in dealing with items which are considered material in relation to the Accounts

Company information

Christie's Assets Limited is a private company limited by shares incorporated in England and Wales. The registered office is 8 King Street, St James's, London, SW1Y 6QT

1.1 Basis of preparation

These financial statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

The Company's ultimate parent undertaking, Financière Pinault SCA includes the company in its consolidated financial statements. The consolidated financial statements of Financière Pinault SCA are prepared in accordance with International Financial Reporting Standards as adopted by the EU. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash Flow Statement and related notes; and
- Key Management Personnel compensation

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £'000.

The financial statements have been prepared under the historical cost convention, modified to include certain financial instruments at fair value.

The principal accounting policies applied in the preparation of these financial statements are set out below and have been applied consistently in the years presented.

CHRISTIE'S ASSETS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2019

1 Accounting policies

(Continued)

1.2 Going concern

The Company participates in the Group's centralised treasury arrangements and so shares banking arrangements with its subsidiaries. These arrangements ensure adequate management of cash flows around the group.

The Directors have prepared a going concern assessment for a period of 12 months from the date of approval of these financial statements which indicate that, taking account of reasonably possible downsides, the Company will have sufficient funds, through funding from its intermediate parent company, Christies International plc, to meet its liabilities as they fall due for that period.

This assessment is dependent on Christie's International plc providing additional financial support during that period. Christies International plc has indicated its intention to continue to make available such funds as are needed by the company for the period covered by the assessment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

The Group has adequate financial resources and as a consequence, the Directors believe that the Group is well placed to manage its business risks. The Directors have a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future.

On this basis, and on their assessment of the Company's financial position, the Company's directors are confident that the company will be able to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

1.3 Trade and other debtors/creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. They are subsequently measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

1.4 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

CHRISTIE'S ASSETS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2019

1 Accounting policies

(Continued)

Deferred tax

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and differences relating to investments in subsidiaries to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. For non-depreciable assets that are measured using the revaluation model, deferred tax is provided at the rates and allowances applicable to the sale of the asset/property. Deferred tax balances are not discounted.

Unrealised tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Interest receivable and similar income

	2019	2018
	£'000	£'000
Interest income		
Interest receivable from group companies	465	442
	<u> </u>	<u> </u>

4 Operating profit

Auditor's remuneration:

Fees paid to the Company's auditor for the 2019 financial statements of £3k (2018: £2k) were borne by a related party.

CHRISTIE'S ASSETS LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2019

5 Taxation

	2019 £'000	2018 £'000
Current tax		
UK corporation tax on profits for the current period	88	83
Deferred tax		
Origination and reversal of timing differences	1	1
Total tax charge	89	84

The actual charge for the year can be reconciled to the expected charge for the year based on the profit or loss and the standard rate of tax as follows:

	2019 £'000	2018 £'000
Profit before taxation	465	442
Expected tax charge based on the standard rate of corporation tax in the UK of 19% (2018: 19%)	89	84
Taxation for the year	89	84

Analysis of charge in period

The Finance Act 2016 introduced legislation reducing the UK corporation tax main rate from 1 April 2020 to 17%. Subsequent to the year end, the UK Government announced that the UK corporation tax main rate of 19% will apply from 1 April 2020, cancelling the previously announced reduction. As of the date of reporting, this was not substantially enacted and therefore the Company has continued to measure its deferred tax balances at 17%.

6 Debtors

	2019 £'000	2018 £'000
Amounts falling due within one year:		
Amounts due from group undertakings	23,242	22,862
Other debtors	2	2
	23,244	22,864

	2019	2018
	£'000	£'000
Amounts due to group undertakings	2,749	2,751
Corporation tax	89	83
	<u>2,838</u>	<u>2,834</u>

8 Share capital

	2019	2018
	£'000	£'000
Ordinary share capital		
Issued and fully paid		
7,703,103 Ordinary shares of £1 each	<u>7,703</u>	<u>7,703</u>

9 Immediate and ultimate parent undertaking

The smallest and largest group in which the results of Christie's Assets Ltd are included is Financière Pinault SCA, a company incorporated in France and also the ultimate parent company of Christie's Assets Ltd. The immediate parent undertaking is Christie's Assets Holdings Limited which is incorporated in England and Wales and the registered office is 8 King Street, St James's, London SW1Y 6QT.

The consolidated accounts of Financière Pinault SCA are available on request from its registered address, 12 rue François 1er, Paris 8, 75008, France.

10 Related parties disclosure

It is company policy that Directors are not permitted to trade in categories of items which are sold at auctions held by their own departments. They may, however, purchase or sell items at auctions organised, or by subsidiaries which act as principals. All such transactions are carried out on an arm's length basis. Members of Directors' close families also enter into transactions with group companies. All transactions in the course of the year were neither material to the Company nor to any of the Directors concerned.
