Directors' report

The directors present their annual report and the audited financial statements for the year ended 31 December 2019.

Statement of directors' responsibilities

United Kingdom company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for the system of internal control, for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Activities

The company did not trade in the year, having transferred its trade and assets to a fellow subsidiary undertaking.

The company has been dormant as defined in section 1169 of the Companies Act 2006 throughout the year and preceding financial period. It is anticipated that the company will remain dormant for the foreseeable future. Key performance indicators are not considered necessary for an understanding of the development, performance or position of the business of the company. There are no risks or uncertainties facing the company including those within the context of the use of financial instruments.

Results and future prospects

The position of the company at the year end is set out on page 4 of the financial statements.

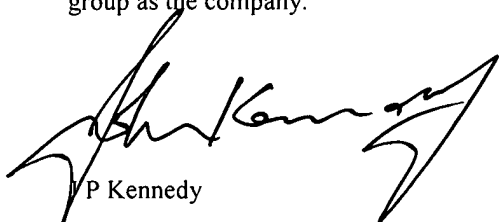

Dividends

The directors do not recommend the payment of a dividend (2018 - £ nil).

Directors

The present directors are shown on page 1. All directors served throughout the year.

No director had, according to the register of directors' interests kept by the company under section 325 of the Companies Act 2006, an interest in the shares or debentures of the company or any other body corporate in the same group as the company.
