Post balance sheet events

Since 31 December 2019, the outbreak of the novel strain of coronavirus, specifically identified as "COVID-19", has resulted in governments worldwide enacting emergency measures to combat the spread of the virus. These measures, which include the implementation of travel bans, self-imposed quarantine periods and social distancing, have caused material disruption to businesses globally resulting in an economic slowdown. Global equity markets have experienced significant volatility and weakness. Governments and central banks have reacted with significant monetary and fiscal interventions designed to stabilise economic conditions. The duration and impact of the COVID-19 outbreak is unknown at this time, as is the efficacy of the government and central bank interventions. It is not possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the Company in future periods. Assets have been reviewed for recoverability and it has been deemed that no impairments or write down of assets are required.

On 5 February 2021, the ultimate parent company, Signature Aviation plc, announced that the Directors of Signature Aviation plc recommended to shareholders the acceptance of a formal Rule 2.7 cash offer from Brown Bidco Limited (the "Transaction") (a newly formed company to be indirectly owned by joint offerors (i) Blackstone Infrastructure and Blackstone Core Equity, (ii) Global Infrastructure Partners and (iii) Cascade). This offer is subject to shareholder, regulatory and other approvals.
