"the Customer" includes the successors in title and assigns of the Customer;

"the Customer's Indebtedness" means all or any monies, obligations and liabilities which shall for the time being (and whether on or at any time after demand) be due, owing or incurred in whatsoever manner to the Bank by the Customer whether actually or contingently, and whether solely or jointly with any other person, and whether as principal or surety, and whether or not the Bank shall have been an original party to the relevant transaction and including interest, discount, commission or other lawful charges and expenses which the Bank may, in the course of its business, charge in respect of any of those matters or for keeping the Customer's account(s), (and also including the costs, charges and expenses referred to in Clause 10) and so that interest shall be computed and compounded according to the usual mode of the Bank as well after as before any demand made or judgment obtained or the insolvency of the Customer;
