CANADA LIFE (U.K.) LIMITED

Strategic Report for the year ended 31 December 2017

Canada Life (U.K.) Limited ("the Company") is the parent company of a group of companies whose principal activity during the year was the provision of fund management and management services to other group companies. The directors continue to review the operations of the Company with a view to its future development.

On 28 November 2013, the Company invested £10m in Open-ended Investment Company ("OEIC") investments. During the year the Company recognised unrealised gains of £849k (2016: £1,096k) relating to its OEIC holding. The Company did not receive any dividends from its subsidiary undertakings during the year (2016: £2m). The Company also received interest income of £22k (2016: £34k).

During the year, the Company increased its investment in its subsidiary, Canada Life Group Services (U.K.) Limited, by £330k via a share issue. 1 ordinary share was issued for £1 with a further £329,999 in the form of share premium. This was approved by the Directors by written resolution on 19 December 2017.

The immediate parent company is Canada Life Limited. The Company is a wholly owned subsidiary of Canada Life Financial Corporation ("CLFC"), incorporated in Canada. CLFC manages its operations on a divisional basis.

The performance of the European division of CLFC, which includes the Company, is discussed in the 2017 Management's Discussion and Analysis report of CLFC which does not form part of this report. The complete Management's Discussion and Analysis report of CLFC is available at www.canadalifefinancial.com.

The directors believe that an understanding of the development, performance and position of the business is more useful when viewed on the same basis as that used to manage operations, and reference should be made to key performance data included within the Annual Report of CLFC.

Results and dividends

The Company's profit after taxation amounted to £1,121k (2016: £3,373k). No dividend was paid during the year (2016: £nil) and the directors do not propose a payment of a dividend. Retained profits carried forward are £23,515k (2016: £22,394k).

Principal risks, uncertainties and financial instruments

Financial risks are the principal risks of the Company.

Credit risk is the risk that a counterparty will be unable to pay amounts in full when due. The Company is exposed to credit risk as a result of its OEIC holding. To mitigate credit risk the holding is in a regulated vehicle with strong client protections. Investing in a diverse portfolio reduces the impact from individual holdings defaulting.

Market risk is the risk of loss arising from changes in the values of, or income from, assets or in interest or exchange rates. A risk of loss also arises from changes in the volatility of asset prices, interest rates or exchange rates. The Company is exposed to price risk as a result of its holdings in OEIC investments however it operates mitigation techniques in respect of this risk. The OEIC holding, which is a portfolio of other funds, has a defined investment policy and allocation to underlying funds. This allocation is monitored in order to ensure compliance with exposure limits and in addition there are daily controls over the holdings of the underlying investment funds held by the OEIC.

CANADA LIFE (U.K.) LIMITED

Strategic Report for the year ended 31 December 2017 (continued)

The Financial Statements for the year ended 31 December 2017 have been prepared in accordance with the Financial Reporting Standards 102.

The Company does not use derivative financial instruments.

Approved by the Board of Directors
and signed on behalf of the Board

Director *A.M. KEWNEY*

Date: *18 SEPT* 2018

CANADA LIFE (U.K.) LIMITED

Directors' Report for the year ended 31 December 2017

The directors of Canada Life (U.K.) Limited present their annual report together with the audited financial statements for the year ended 31 December 2017.

Principal activity and future developments

Canada Life (U.K.) Limited is the parent company of a group of companies whose principal activity during the year was the provision of fund management and management services to other group companies. The directors continue to review the operations of the Company with a view to its future development.

Details of principal risks, uncertainties, dividends and financial instruments are included in the Strategic Report and form part of this report by cross-reference.

Directors

The names of the persons who were directors during the year and up to the date of this report are set out below.

H C Snow
D Brown
A Kewney

Political Contributions

During the year the company made political contributions of £nil (2016: £nil).

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- (1) so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- (2) the director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and shall be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have expressed their willingness to be reappointed for another term and appropriate arrangements have been put in place for them to be deemed reappointed as auditor in the absence of an Annual General Meeting.

Approved by the Board of Directors
and signed on behalf of the Board

CANADA LIFE (U.K.) LIMITED

Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

CANADA LIFE (U.K.) LIMITED

Independent auditor's report to the members of Canada Life (U.K.) Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Canada Life (U.K.) Limited (the 'company') which comprise:

- the income statement;
- the statement of financial position;
- the statements of changes in equity; and
- the related notes 1 to 15.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

CANADA LIFE (U.K.) LIMITED

Independent auditor's report to the members of Canada Life (U.K.) Limited (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

CANADA LIFE (U.K.) LIMITED

Independent auditor's report to the members of Canada Life (U.K.) Limited (continued)

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

CANADA LIFE (U.K.) LIMITED

Notes to the financial statements for the year ended 31 December 2017

1 Principal accounting policies

The principal accounting policies are summarised below. They have been applied consistently throughout the year and the preceding year. No significant judgements have been made in applying the accounting policies and no material estimates have been made within the financial statements.

1A General information

Canada Life (U.K.) Limited ("the Company") is a private company limited by shares and is incorporated and domiciled in England. The address of its registered office is Canada Life Place, Potters Bar, Hertfordshire EN6 5BA. The Company is a wholly owned subsidiary of Canada Life Financial Corporation (incorporated in Canada).

The principal activity during the year was the provision of fund management and management services to other group companies. The directors continue to review the operations of the Company with a view to its future development.

2 Statement of Compliance

The Financial Statements of the Company have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, and the Companies Act 2006.

The Company meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its financial statements. Exemptions have been taken in relation to presentation of cash flow statement and intra-group transactions.

3 Principal accounting information

Summary of significant accounting policies applied in the preparation of these Financial Statements are set below. These policies have been consistently applied to all the years presented, unless otherwise stated.

A. Basis of preparation

The financial statements are prepared in accordance with the historical cost convention and in accordance with applicable United Kingdom Accounting Standards, including Financial Reporting Standard 102. The particular accounting policies adopted by the directors are described below.

Basis of consolidation

The financial statements present information about the Company as an individual undertaking as it is exempt from the obligation to prepare consolidated financial statements under section 401 of the Companies Act 2006. The Company's results are included in the consolidated financial statements of The Canada Life Assurance Company, a company incorporated in Canada.

Going concern

The Strategic Report outlines the Company's activities, performance, principal risks, uncertainties and financial risk management objectives. Having regard to the Company's financial position, its expected performance in the future, and having made appropriate enquiries the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

CANADA LIFE (U.K.) LIMITED

Notes to the financial statements for the year ended 31 December 2017 (continued)

Cash flow statement

Advantage has been taken of the exemption under FRS 102 1.12(b), Cash Flow Statements, not to present a cash flow statement as the Company is 100% controlled within the Great-West Lifeco Inc group of companies. The consolidated financial statements in which the subsidiary undertakings are included are publicly available (see note 15).

Transactions with related parties

Advantage has been taken under FRS102 33 1.A, Related Party Disclosures, not to disclose transactions between entities, 100% of whose voting rights are controlled within the Great-West Lifeco Inc group of companies (see note 14).

B. Investment income

Investment income comprises unrealised gains, dividend income and interest income relating to the Company's investments and ordinary share dividends received from subsidiary undertakings.

C. Investment in subsidiary undertakings

Investments in subsidiary undertakings are included in the balance sheet at cost less accumulated impairment.

D. Other financial investments

Other financial investments is comprised of units in an Open-ended Investment Company ("OEIC") valued at fair value through profit and loss.

Purchases and sales of financial assets are recognised on the trade date, i.e. the date the Company commits to purchase or sell the asset. Purchases or sales of financial assets require delivery of assets within the time frame generally established by regulation or convention in the marketplace.

A financial asset is derecognised when the contractual right to receive cash flows expires or when the asset, together with substantially all the risks and rewards of ownership, has been transferred.

Financial assets and financial liabilities are offset and the net amount reported in the balance sheet only when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liability simultaneously. Income and expenses will not be offset in the profit and loss account unless required or permitted by any accounting standard or interpretation, as specifically disclosed in the accounting policies of the Company.

Unrealised investment gains and losses are calculated as the difference between the valuation at the balance sheet date and their valuation at the last balance sheet date or purchase price, if acquired during the year. Unrealised gains and losses include adjustments in respect of unrealised gains and losses recorded in prior years, which have been realised during the year and are reported as realised gains and losses in the current profit and loss account. All investment gains and losses arising in relation to other financial investments are recognised in the profit and loss account.

No "Other financial investments" of the Company are considered impaired.

CANADA LIFE (U.K.) LIMITED

Notes to the financial statements for the year ended 31 December 2017 (continued)

E. Current taxation

Current tax expense is based on the taxable profits for the year, at rates that have been enacted at the balance sheet date after any adjustments in respect of prior years.

F. Deferred taxation

Deferred tax is recognised in respect of temporary differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, but only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying temporary differences can be deducted. Deferred tax is measured at the tax rates that are expected to apply in the periods in which temporary differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

4 Operating profit

Operating profit is after charging:

	2017 £'000 £	2016 £'000 £
Auditor's remuneration in respect of fees payable for the audit of the Company's annual accounts	<u>3</u>	<u>3</u>

5 Employee information

There were no persons (including directors) employed by the Company during the year (2016: none). All staff employment contracts are with CLFIS (U.K.) Limited ("CLFIS"), a fellow subsidiary of The Canada Life Group (U.K.) Limited ("CLG"). The associated costs are recharged back to the Company, where appropriate.

6 Directors' emoluments

The directors of this Company have served during the year as directors of fellow subsidiaries and their remuneration was incurred by CLFIS, a fellow subsidiary of CLG. The duties of the directors in relation to this Company consist principally of attending board meetings and hence the total remuneration apportioned to this Company is £nil. Accordingly the whole remuneration for the year is disclosed in the accounts of CLFIS.

7 Investment income

	2017 £'000	2016 £'000
Unrealised gains from financial assets held at fair value through profit and loss	849	1,096
Divided income from financial assets	153	147
Interest income from financial assets	124	119
Dividends received from subsidiary	-	2,000
	<u>1,126</u>	<u>3,362</u>

CANADA LIFE (U.K.) LIMITED

Notes to the financial statements for the year ended 31 December 2017 (continued)

8 Tax on profit on ordinary activities

i) Analysis of tax (charge) / credit on ordinary activities

	2017 £'000	2016 £'000
Current tax		
UK corporation tax for the period	-	-
Prior period adjustment	-	19
	-	19
Deferred tax		
Effect of decrease in future tax rate on closing asset	-	(6)
Adjustments to the estimated recoverable amounts of deferred tax assets	(24)	(31)
Total tax charge for the period	(24)	(18)

ii) Factors affecting tax credit/charge for the current period

The tax assessed for the period is lower (2016 – lower) than that resulting from applying the standard rate of corporation tax in the UK of 19.25% (2016: 20%). The differences are explained below:

	2017 £'000	2016 £'000
Profit on ordinary activities before tax	1,145	3,391
Tax at 19.25% (2016: 20%) thereon:	(220)	(678)
Effects of:		
Non-taxable dividend income	29	429
Unrealised gain sheltered by unrecognised deferred tax asset brought forward	164	219
Rate change impact on utilisation of recognised deferred tax losses	3	(1)
Prior period adjustment	-	13
	(24)	(18)

The rate of corporation tax reduced from 20% to 19% from 1 April 2017, and will reduce from 19% to 17% from 1 April 2020.

The Company has unutilised capital losses of £17.2m as at the end of the year (2016: £17.2m) which arose in respect of a prior year disposal of an investment in a subsidiary undertaking to a related company within the Power Financial Corporation Group ("Power Corp"). The capital loss may be utilised against a gain on the disposal of certain types of investment to that same related company. The maximum potential deferred tax asset in relation to this item is £2.9m (2016: £2.9m).

CANADA LIFE (U.K.) LIMITED

Notes to the financial statements for the year ended 31 December 2017 (continued)

8 Tax on profit on ordinary activities (continued)

The Company's accounts have been prepared on the basis that the unrealised gains on financial assets recognised in the profit and loss during the year of £0.8m (2016: £1.1m) will be capable of offset against the realised tax losses brought forward at the point of the eventual disposal of these financial assets.

The Company therefore has not recognised deferred tax assets of £2.4m in relation to the connected party capital loss (2016: £2.6m), after taking into consideration its accumulated unrealised gains of £2.8m (2016: £2.0m). The tax expense in future years as a percentage of pre-tax profits is expected to reflect the availability of these tax losses against future recognised gains on these and other financial assets.

The Company has a further £3.4m of unutilised capital losses (2016: £3.4m) resulting from a connected party disposal which preceded the Company becoming a member of the Canada Life group of companies. Given the nature of the losses and the applicable UK tax law, there is no realistic possibility of the Company utilising these brought forward amounts, so the Company has not recognised any deferred tax asset on the £3.4m losses.

The Company has unutilised management expenses of £0.3m as at the end of the year (2016: £0.4m). Management expenses can be carried forward and relieved against total profits in future accounting periods. The Company has recognised a deferred tax asset of £0.1m (2016: £0.1m) in relation to this item. The tax asset has been provided on the basis that the Company will have future taxable profits emerging from its investment in the financial assets.

9 Investments in subsidiary undertakings

During the year the Company owned the whole of the issued ordinary share capital of the following undertakings, all of which are incorporated in the United Kingdom and registered in England and Wales.

The registered office of all subsidiaries is Canada Life Place, Potters Bar, Hertfordshire, EN6 5BA.

<u>Company</u>	<u>Business type</u>
Albany Life Assurance Company Limited	Dormant
Canada Life Fund Managers (U.K.) Limited	Fund management
Canada Life Services (U.K.) Limited	Dormant
Canada Life Holdings (U.K.) Limited	Dormant
Canada Life Management (U.K.) Limited	Dormant
Canada Life Group Services (U.K.) Limited	Management Services

The investment in subsidiary undertakings is as follows:

		£'000
Cost :	At 1 January 2017	145,307
	Additions	330
	At 31 December 2017	<u>145,637</u>
Provision :	At 1 January 2017	144,896
	Provision for the year	-
	At 31 December 2017	<u>144,896</u>
Net Book Value:	At 31 December 2017	<u>741</u>
Net Book Value:	At 31 December 2016	<u>411</u>

CANADA LIFE (U.K.) LIMITED
