Statement of directors' responsibilities in respect of the financial statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditors' report

to the members of Fimat Futures Limited

We have audited the company's financial statements for the year ended 31 December 2005 which comprise the Profit and Loss Account, Balance Sheet and the related notes 1 to 9. These financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for the preparation of the Annual Report and the financial statements in accordance with applicable United Kingdom law and accounting standards (United Kingdom Generally Accepted Accounting Practices) as set out in the Statement of Directors' Responsibilities in relation to the financial statements.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practices, of the state of affairs of the company as at 31 December 2005 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Director

Notes to the financial statements

at 31 December 2005

1. Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Cash flow statement and related party disclosures

The company is a wholly-owned subsidiary of Société Générale and is included in the consolidated financial statements of Société Générale, which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (revised 1996).

The directors have taken advantage of the exemption in paragraph 3(c) of Financial Reporting Standard 8 from disclosing transactions with related parties that are part of Société Générale SA or investees of the Société Générale group.

2. Directors' emoluments

No director received any emoluments for services to the company during the year.

3. Other income

Represents the full and final settlement of the amount to which the Company, as a beneficiary of London Metal Compensation Fund (the Fund), is entitled on winding up of the Fund.

4. Operating expenses

The expenses of the company comprise clearing costs and front office costs associated with transactions on EUREX. These expenses have been recharged to an affiliated company.

5. Tax on profit on ordinary activities

(a) Tax on profit on ordinary activities

	2005 £	2004 £
UK corporation tax		
UK corporation tax on profits of the year	(13,564)	(9,535)
Total current tax	(13,564)	(9,535)

(b) Factors affecting the tax charge for the year

	2005 £	2004 £
Profit on ordinary activities before tax	45,212	31,783
Profit on ordinary activities multiplied by standard rate of Corporation tax in the UK of 30% (2004 – 30%)	(13,564)	(9,535)
Current tax charge for the year	(13,564)	(9,535)

Notes to the financial statements

at 31 December 2005
