3.2 Standard Security

4 Provisions as to Security

4.1 Continuing Security

The Security constituted by this Standard Security shall be a continuing security and will extend to the ultimate balance of the Secured Obligations and shall remain in full force and effect for the duration of the Security Period regardless of any intermediate payment or discharge by the Chargor or any other person of the whole or any part of the Secured Obligations.

4.2 Additional security

This Standard Security is in addition to, without prejudice to, and shall not merge with, any other right, remedy, guarantee or Security which the Security Agent and/or any other Secured Party may at any time hold for any Secured Obligation.

4.3 Recourse

The Security constituted by this Standard Security:

- 4.3.1 is in addition to any other Security which the Security Agent may hold at any time for the Secured Obligations (or any of them); and
- 4.3.2 may be enforced against the Chargor without the Security Agent and/or any other Secured Party first having recourse to any other right, remedy, guarantee or Security held by or available to it or any of them.

5 Negative Pledge

Unless otherwise agreed in writing by the Security Agent and subject to section 464(2) of the Companies Act 1985:

- 5.1 the Chargor shall not create any fixed security over any part of the Property or permit to subsist any Security or any Quasi Security after its execution of this Standard Security other than a Permitted Security as permitted by the Senior Facilities Agreement; or
- 5.2 sell, transfer, lease, lend or otherwise dispose of (whether by a single transaction or a number of transactions and whether related or not and whether voluntarily or involuntarily) the whole or any part of its interest in any Security Asset (except for a Permitted Disposal or a Permitted Transaction as permitted by the Senior Facilities Agreement).

6 Standard conditions

- 6.1 The Standard Conditions specified in Schedule 3 to the Conveyancing and Feudal Reform (Scotland) Act 1970 as amended by the Redemption of Standard Securities (Scotland) Act 1971 (together hereinafter referred to as the "Act"), and any lawful variation thereof operative for the time being (hereinafter referred to as the "Standard Conditions") shall apply and the Standard Conditions shall be varied firstly in accordance with the provisions of this Standard Security and secondly to the extent such Standard Conditions are inconsistent with or are more onerous than the Senior Facilities Agreement. In the event of a conflict between the provisions of the Standard

Conditions and the Senior Facilities Agreement, the provisions of the Senior Facilities Agreement shall apply.

6.2 Standard Condition 7 shall be varied to the effect that:

6.2.1 the Security Agent shall not be required to give any notice of its exercise of the right of entry referred to in Standard Condition 7(2); and

6.2.2 the interest rate for the purposes of Standard Condition 7(3) shall be the Default Rate.

6.3 For the purposes of Standard Condition 9(1) the Chargor shall be held to be in default at any time after the Security created by this Standard Security has become enforceable pursuant to clause 9 (Where Security becomes enforceable), and in the event of the Chargor being in default as aforesaid, then without prejudice to any other rights and remedies available to the Security Agent by virtue of the Standard Conditions or any other Security, charge or undertaking or in any other manner the Security Agent will be entitled to exercise any of the remedies available to a creditor on default of a borrower by virtue of the provisions of the Act.

7 Further Assurance

7.1 The Chargor shall at its own expense, promptly do all such acts and execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent or a receiver may reasonably specify in favour of the Security Agent, a Receiver or its nominees in order to:

7.1.1 perfect the Security created or intended to be created under or evidenced by this Standard Security or for the exercise of any rights, powers and remedies exercisable by the Security Agent or any receiver or delegate, in respect of any Security Asset or provided by or pursuant to this Standard Security or by law; and/or

7.1.2 facilitate the realisation of the Property.

7.2 Any document required to be executed by the Chargor under this clause 7 will be prepared at the cost of the Chargor.

8 When Security becomes Enforceable

The Security created by this Standard Security shall become immediately enforceable upon the occurrence of a Declared Default.

9 Enforcement of Security

9.1 Enforcement

At any time after the Security created by this Standard Security has become enforceable in accordance with clause 8 (When security becomes enforceable), the Security Agent may in its

absolute discretion enforce all or any part of the Security created by this Standard Security in any manner it sees fit.

9.2 Protection of third parties

No person (including a purchaser) dealing with the Security Agent or its or his agents has an obligation to enquire of the Security Agent or others:

- 9.2.1 whether the Secured Obligations have become payable;
- 9.2.2 whether any power purported to be exercised has become exercisable;
- 9.2.3 whether any monies remain outstanding under the Finance Documents; or
- 9.2.4 how any monies paid to the Security Agent shall be applied.

The receipt of the Security Agent shall be an absolute and a conclusive discharge to a purchaser and shall relieve him of any obligation to see to the application of any monies paid to or by the direction of the Security Agent.

9.3 Protection of the Security Agent

The Security Agent shall not be liable by reason of entering into possession of the Property to account to the Chargor as heritable creditor in possession in respect of the Property nor shall the Security Agent be liable to the Chargor in respect of any loss on realisation or for any default or omission for which a heritable creditor in possession might otherwise be liable.

9.4 Delegation

- 9.4.1 The Security Agent and any receiver may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by the Security Agent under this Standard Security to any person or persons as it shall think fit. Any such delegation may be made upon such terms and conditions (including the power to sub-delegate) as the Security Agent may think fit.
- 9.4.2 Neither the Security Agent nor any receiver shall be in any way liable or responsible to the Chargor for any losses, liabilities or expenses arising from any act, default, omission or misconduct on the part of any delegate.

9.5 Redemption of prior charges

At any time after the Security created by or under this Standard Security has become enforceable, the Security Agent may:

- 9.5.1 redeem any prior form of Security over the Property; and/or

9.5.2 procure the transfer of that Security to itself, and/or

9.5.3 settle and pass the accounts of any prior heritable creditor or chargee which once so settled and passed shall be conclusive and binding on the Chargor.

All principal, interest, costs, charges and expenses of and incidental to any such redemption and/or transfer shall be paid by the Chargor to the Security Agent on demand.

10 Set-Off

10.1 Set-off rights

The Security Agent and each other Secured Party may (but shall not be obliged to) set off any obligation which is due and payable by the Chargor and unpaid (whether under the Finance Documents or otherwise) against any obligation (whether or not matured) owed by the Security Agent or such other Secured Party to the Chargor, regardless of the place of payment, booking branch or currency of either obligation.

10.2 Set off rights after Security is enforceable

At any time after the Security created by or under this Standard Security has become enforceable (and in addition to its rights under clause 10.1 (Set-off rights)), the Security Agent and each other Secured Party may (but shall not be obliged to) set-off any contingent liability owed by the Chargor under any Finance Document against any obligation (whether or not matured) owed by the Security Agent or such other Secured Party to the Chargor, regardless of the place of payment, booking branch or currency of either obligation.

10.3 Currency conversion for the purposes of set off

If the obligations are in different currencies, the Security Agent or such other Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

10.4 Unliquidated or unascertained assets

If either obligation is unliquidated or unascertained, the Security Agent or such other Secured Party may set off in an amount estimated by it in good faith to be the amount of that obligation.

11 Release of Security

Upon the expiry of the Security Period (but not otherwise), the Security Agent shall, at the request and cost of the Chargor, take whatever action is necessary to release or re-assign (without recourse or warranty) the Security created over the Property or any part of it by this Standard Security, and return all documents or deeds of title delivered to it under this Standard Security.

12 Settlements Conditional

If the Security Agent reasonably considers that any amount paid by the Chargor or any other person in respect of the Secured Obligations is capable of being avoided or set aside on the liquidation or administration of the Chargor, then for the purposes of this Standard Security, such amount shall not be considered to have been irrevocably paid.

13 Remedies and Waivers

No failure to exercise, nor any delay in exercising, on the part of the Security Agent (or any other Secured Party), any right or remedy under this Standard Security shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

14 Invalidity

All the provisions of this Standard Security are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

15 Certificates and Determinations

Any certificate of or determination by a Secured Party, the Security Agent or the Agent specifying the amount of any Secured Obligation due from the Chargor (including details of any relevant calculation thereof) is, in the absence of manifest error, conclusive evidence against the Chargor of the matters to which it relates.

16 Application of Monies

All monies received by the Security Agent or any receiver after the Standard Security become enforceable shall (subject to the rights and claims of any person having a security ranking in priority to the Standard Security) be applied in accordance with and subject to the terms of the Intercreditor Agreement.

17 Subsequent Security

If the Security Agent receives notice of any other subsequent Security (other than a Permitted Security) or other interest affecting the Property, it may open a new account or accounts for the Chargor in its books. If it does not do so then, unless it gives express written notice to the contrary to the Chargor, as from the time of receipt of such notice by the Security Agent, all payments made by the Chargor to the Security Agent shall be treated as having been credited to a new account of that Chargor and not as having been applied in reduction of the Secured Obligations.

18 Contingencies

If the Security Agent enforces the Security constituted by or under this Standard Security at a time when no amounts are due to it under the Finance Documents but at a time when amounts may or will become so due, the Security Agent or receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account (bearing interest at such rate (if any) as the Security Agent usually grants for accounts of that size and nature).

19 Power of Attorney

The Chargor, by way of security, irrevocably and severally appoints the Security Agent, each receiver and any delegate to be its attorney to take any action whilst an Event of Default is continuing or the Standard Security has become enforceable, and the Chargor is obliged to take under this Standard Security, including under clause 7 (*Further assurance*), or, if no Event of Default is continuing, the Chargor has failed to take. The Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

20 Transfers

20.1 The Chargor may not assign any of its rights under this Standard Security.

20.2 The Security Agent may assign or otherwise transfer all or any part of its rights under this Standard Security pursuant to the resignation or removal of the Security Agent in accordance with and subject to the terms of the Intercreditor Agreement. The Chargor shall, immediately upon being requested to do so by the Security Agent, enter into such documents as may be necessary to effect such assignment or transfer.

21 Additional Undertakings

21.1 Notices

The Chargor shall notify the Security Agent within 14 days of receipt of every material notice, order application, requirement or proposal given or made in relation to the Security Assets by any competent authority, and (if required by the Security Agent) immediately provide it with a copy of the same and shall either:-

21.1.1 comply with such notice, order, application, requirement or proposal;

21.1.2 make such objections to the same as the Security Agent may require or approve.

21.2 Compliance with obligations and laws

The Chargor shall:

21.2.1 duly and punctually pay all rates, rents, Taxes, and other outgoings owed by it in respect of the Security Assets;

21.2.2 comply in all respects with all obligations in relation to the Security Assets under any present and future law, regulation, order or instrument or under any bye-laws, regulations or requirements of any competent authority or other approvals, licences or consents if failure to so comply has, or is reasonably likely to have a Material Adverse Effect; and

21.2.3 comply in all material respects with the covenants and obligations affecting the Security Assets (or their manner of use).

21.3 No restrictive contracts

The Chargor shall not, except with the prior written consent of the Security Agent (such consent not to be unreasonably withheld or delayed) enter into any onerous or restrictive obligation affecting any Security Asset.

21.4 Repair

The Chargor shall maintain the Property in as good a state of repair as could reasonably be expected of a business of the same nature as that operated by the Chargor.

21.5 No leasing

The Chargor shall not, except with the prior written consent of the Security Agent, confer on any person:

21.5.1 any lease or tenancy of the Property nor release, amend or vary the terms of any such lease or tenancy; or

21.5.2 accept a surrender of any lease or tenancy (whether independently or under any statutory power).

21.6 No development

The Chargor shall not carry out any development within the meaning of the Planning Acts:

21.6.1 in or upon any part of the Property without first obtaining such permissions as may be required under or by virtue of the Planning Acts; and

21.6.2 in the case of development involving a substantial change in the structure of, or a change of use of, any part of the Property, without first obtaining the written consent of the Security Agent.

21.7 Leasehold Property (Chargor as lessee)

If the Chargor holds the Property or any part of it as tenant or lessee, the Chargor shall:

- 21.7.1 not do or permit to be done anything as a result of which any such lease may be liable to irritancy or otherwise be determined;
- 21.7.2 pay the rents reserved by, and perform and observe all the material obligations and conditions of the lessee contained in, the lease;
- 21.7.3 if reasonably required enforce against the lessor the obligations given by the lessor in the lease;
- 21.7.4 not amend or vary the terms of such lease without the prior written consent of the Security Agent; and
- 21.7.5 promptly notify the Security Agent of any event or circumstance which is reasonably likely to lead to the lease being irritated or subject to determination.

21.8 Inspection by Security Agent

Subject to the terms of any then subsisting occupational leases, the Chargor shall permit the Security Agent and any person nominated by it at all reasonable times with reasonable notice to enter any part of the Property and view the state of same.

21.9 Not prejudice

The Chargor shall not do, cause or permit to be done anything which may materially depreciate, materially jeopardise or otherwise materially prejudice the value or marketability of the Property from time to time mortgaged or charged (or expressed to be mortgaged or charged) by or pursuant to any of the Transaction Security Documents taken as a whole (or make any omission which has such an effect).

22 Notices

22.1 Senior Facilities Agreement

Clause 35 of the Senior Facilities Agreement (*Notices*) (relating to all communications to be made under the Senior Facilities Agreement) is incorporated into this Standard Security as if fully set out in this Standard Security except that references to the Senior Facilities Agreement shall be construed as references to this Standard Security. The address and fax numbers of each party for all communications or documents given under or in connection with this Standard Security are those identified with its name in the execution pages to this Standard Security or subsequently notified from time to time by the relevant party for the purposes of the Senior Facilities Agreement or this Standard Security.

23 Financial Collateral

- 23.1 To the extent that the Standard Security constitutes a "security financial collateral arrangement" and the Property constitutes "financial collateral" for the purpose of the Financial Collateral

Arrangements (No 2) Regulations 2003 (Regulations), the Security Agent shall have the right at any time after the Standard Security becomes enforceable, to appropriate all or any part of the Property in or towards discharge of the equivalent amount of the Secured Obligations.

- 23.2 For the purpose of this clause 23, the value of the financial collateral appropriated shall be such amount as the Security Agent or receiver reasonably determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

24 Land and Buildings Transaction Tax

The Chargor shall pay all land and buildings transaction tax and other similar taxes or duties payable on or arising out of or in consequence of:

- 24.1.1 the creation of the Security constituted by this Standard Security; and
- 24.1.2 the execution and delivery of this Standard Security and any documents executed pursuant hereto.

25 Registration

The Chargor consents to the registration of this Standard Security for preservation.

26 Counterparts

- 26.1 This Standard Security may be executed in any number of counterparts, and by each party hereto on separate counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of the Standard Security. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument.

- 26.2 Where executed in counterparts:

- 26.2.1 this Standard Security shall not take effect until all of the counterparts have been delivered; and
- 26.2.2 delivery will take place when the date of delivery is agreed between the parties after execution of this Standard Security as evidenced by the date inserted at the start of this Standard Security.

27 Governing Law and Jurisdiction

- 27.1.1 This Standard Security shall be governed by and construed in accordance with the laws of Scotland.
- 27.1.2 The courts of Scotland have exclusive jurisdiction to settle any dispute arising out of or in connection with this Standard Security (including a dispute relating to the existence,

validity or termination of this Standard Security or any non-contractual obligation arising out of or in connection with this Standard Security) ("Dispute").

27.1.3 The Parties agree that the courts of Scotland are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

27.1.4 This clause 26 is for the benefit of the Finance Parties and Secured Parties only. As a result, the Finance Parties and Secured Parties shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Finance Parties and Secured Parties may take concurrent proceedings in any number of jurisdictions.
