- (b) From the date of adoption of these Articles any shares proposed to be issued shall first be offered to the members in proportion as nearly as may be to the number of the existing shares held by them respectively unless the Company shall by special resolution otherwise direct. The offer shall be made by notice specifying the number of shares offered, and limiting a period (not being less than 14 days) within which the offer, if not accepted, will be deemed to be declined. After the expiration of that period, those shares so deemed to be declined shall be offered in the proportion aforesaid to the persons who have, within the said period, accepted all the shares offered to them, such further offer shall be made in like terms in the same manner and limited by a like period as the original offer.   - (d) The directors are generally and unconditionally authorised for the purposes of Section 80 of the Companies Act 1985 to exercise any power of the Company to allot and grant rights to subscribe for or convert securities into shares of the Company up to the amount of the authorised share capital at any time or times during the period of five years from the said date of adoption of these Articles and the directors may, after that period, allot any shares or grant any such rights under this authority in pursuance of an offer or agreement so to do made by the Company within that period. The authority hereby given may at any time (subject to the said Section 80) be renewed, revoked or varied by ordinary resolution.
- 4 The lien conferred by Regulation 8 in Table A shall attach also to fully paid up shares. Regulation 8 in Table A shall be modified accordingly.
- 5 The liability of any member in default in respect of a call shall be increased by the addition at the end of the first sentence of Regulation 18 in Table A of the words 'and all expenses that may have been incurred by the Company by reason of such non-payment.'

#### **Transfer of Shares**

- 6 (a) The immediate holding company (if any) for the time being of the Company may at any time transfer all or any shares to any person or company and the provisions of Regulation 24 of Table A shall not apply to such transfer.
- (b) Except in the case of a transfer of shares expressly authorised by the last preceding Article the right to transfer shares in the Company shall be subject to the following restrictions for as long as the Company has an immediate holding company.
- (c) The directors may, in their absolute discretion and without assigning any reason therefor, decline to register any transfer which would otherwise be permitted under the succeeding provisions of this Article if it is a transfer:
- (i) of a share on which the Company has a lien;
  - (ii) of a share (not being a fully paid share) to a person of whom they shall not approve;
  - (iii) of a share (whether or not it is fully paid) made pursuant to paragraph (g) below.

Regulation 24 in Table A shall not apply to the Company.

- (d) Any person (hereinafter called 'the proposing transferor') proposing to transfer any shares shall give notice in writing (hereinafter called 'the transfer notice') to the Company and to the immediate holding company that he desires to transfer the same and specifying the price per share which in his opinion constitutes the fair value thereof. The transfer notice shall constitute the Company the agents of the proposing transferor for the sale of all (but not some of) the shares comprised in the transfer notice to any member or

members willing to purchase the same (hereinafter called "the purchasing member") at the price specified therein or at the fair value certified in accordance with paragraph (f) below (whichever shall be the lower). A transfer notice shall not be revocable except with the sanction of the directors.

- (e) The shares comprised in any transfer notice shall be offered to the immediate holding company by notice in writing (hereinafter called "the offer notice") within seven days after the receipt by the Company of the transfer notice. The offer notice shall state the price per share specified in the transfer notice and shall limit the time in which the offer may be accepted, not being less than 21 days nor more than 42 days after the date of the offer notice, provided that if a certificate of fair value is requested under paragraph (d) below the offer shall remain open for acceptance for a period of 14 days after the date on which notice of the fair value certified in accordance with that paragraph shall have been given by the Company to the immediate holding company or until the expiry of the period specified in the offer notice whichever is the later. For the purpose of this Article an offer shall be deemed to be accepted on the day on which the acceptance is received by the Company.
- (f) The immediate holding company may, not later than eight days after the date of the offer notice, serve on the Company a notice in writing requesting that the auditor for the time being of the Company (or at the discretion of the auditor, a person nominated by the President for the time being of the Institute of Chartered Accountants in England and Wales) certify in writing the sum which in his opinion represents the fair value of the shares comprised in the transfer notice as at the date of the transfer notice and for the purpose of this Article reference to the auditor shall include any person so nominated. Upon receipt of such notice the Company shall instruct the auditor to certify as aforesaid and the costs of such valuation shall be borne by the Company. In certifying the fair value as aforesaid the auditor shall be considered to be acting as an expert and not as an arbitrator or arbiter and accordingly any provisions of law or statute relating to arbitration shall not apply. Upon receipt of the certificate of the auditor, the Company shall by notice in writing the immediate holding company of the fair value of each share and of the price per share (being the lower of the price specified in the transfer notice and the fair value of each share) at which the shares comprised in the transfer notice are offered for sale. For the purpose of this Article the fair value of each share comprised in the transfer notice shall be the sum certified as aforesaid divided by the number of shares comprised in the transfer notice.
- (g) If the immediate holding company shall signify its willingness to purchase all or any of the shares comprised in the transfer notice within the appropriate period specified in paragraph (e) above, the Company shall not later than seven days after the expiry of such appropriate period give notice in writing (hereinafter called "the sale notice") to the proposing transferor and the proposing transferor shall be bound upon payment of the price due in respect of such shares to transfer the shares to the immediate holding company.
- (h) If in any case the proposing transferor after having become bound as aforesaid makes default in transferring any shares the Company may receive the purchase money on his behalf, and may authorise some person to execute a transfer of such shares in favour of the immediate holding company. The receipt of the Company for the purchase money shall be a

good discharge to the immediate holding company. The Company shall pay the purchase money into a separate bank account.

- (i) If the Company shall not give a sale notice for all or any of the shares to the proposing transferor within the time specified in paragraph (g) above, he shall, during the period of 30 days next following the expiry of the time so specified, be at liberty subject to paragraph (c) above to transfer the balance of any of the shares comprised in the transfer notice to any person or persons.
- (j) Upon the liquidation of any Member (being a corporation other than the immediate holding company) or upon any director or employee who is a member or whose nominee or spouse, child, parent, brother, sister or other relation is a member ceasing for any reason to be a director or an employee of the Company or its holding company or its subsidiary company or its fellow subsidiary company such member shall be deemed to have given immediately prior to such liquidation or ceasing to be a director or an employee (as the case may be) a transfer notice in respect of all shares registered in the name of such member and the provisions of this Article shall apply as to the transfer of his shares.
- (k) Regulations 29 to 31 of Table A shall apply subject to the following provisions:
  - (i) Any person becoming entitled to a share in consequence of the death or bankruptcy of a member shall give a transfer notice before he elects in respect of any share to be registered himself or to execute a transfer.
  - (ii) If a person so becoming entitled shall not have given a transfer notice in respect of any share within six months of the death or bankruptcy, the directors may at any time thereafter upon resolution passed by them give notice requiring such person within 30 days of such notice to give a transfer notice in respect of all the shares to which he has so become entitled and for which he has not previously given a transfer notice and if he does not do so he shall at the end of such 30 days be deemed to have given a transfer notice pursuant to paragraph (d) of this Article relating to those shares in respect of which he has still not done so.
  - (iii) Where a transfer notice is given or deemed to be given under this paragraph (k) and no price per share is specified therein the transfer notice shall be deemed to specify the sum which shall, on the application of the directors, be certified in writing by the auditors in accordance with paragraph (f) of this Article as the fair value thereof.

#### **Redeemable Shares**

- 7 Subject to the provisions of the Act shares may be issued which are to be redeemed or are to be liable to be redeemed at the option of the Company or the holder, provided that the terms on which and the manner in which any such redeemable shares shall or may be redeemed shall be specified by special resolution before the issue thereof. Regulation 3 of Table A shall not apply to the Company.

- 9 Regulation 41 in Table A shall be read and construed as if the words 'and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting, the members present shall be a quorum.' were added at the end.

### **Appointment of directors**

Every such appointment or removal shall be in writing and signed by or on behalf of the said holding company and shall take effect upon receipt at the registered office of the Company or by the secretary.
- (b) While the Company is a subsidiary, the Directors shall have full power to appoint any person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, subject to any maximum for the time being in force.
- (c) The quorum for the transaction of the business of the directors may be fixed by the directors and unless so fixed at any other number shall be two. A person who holds office only as an alternate director shall, if his appointor is not present, be counted in the quorum. Regulation 89 in Table A shall not apply to the Company.
- (d) The directors shall not be required to retire by rotation and accordingly Regulations 73, 74 and 75 in Table A shall not apply to the Company and Regulations 76, 77, 78 and 79 in Table A shall be modified accordingly.
- 11 Any appointment or removal of an alternate director may be made by letter, cable, telex, telegram, facsimile or radiogram or in any other manner approved by the directors. Any cable, telex, telegram, facsimile or radiogram shall be confirmed as soon as possible by letter but is a valid appointment in the meantime. Accordingly Regulation 68 in Table A shall not apply to the Company.

### **Powers of directors**

- 12 In addition to and without prejudice to the generality of the powers conferred by Regulation 70 of Table A the directors may mortgage or charge all the undertaking and property of the Company including the uncalled capital or any part thereof, and to issue debentures, debenture stock and other securities whether outright or as security for any debt, liability or obligation of the Company or of any third party.

#### **The Seal**

- 16 The seal, if any, shall only be used with the authority of the directors or of a committee of directors. The directors may determine who shall sign any instrument to which the seal is affixed and unless otherwise so determined it shall be signed by a director and by the secretary or second director. The obligation under Regulation 6 of Table A relating to the sealing of share certificates shall apply only if the Company has a seal. Regulation 101 of Table A shall not apply to the Company.

#### **Dividends**

- 17 Subject to the provisions of the Act the directors may pay interim dividends in accordance with the respective rights of members if it appears to them that they are justified by the profits of the Company available for distribution. Regulation 103 of Table A shall not apply to the Company.
- 18 Subject to the provisions of the Act and for as long as the Company has an elective resolution in place dispensing with the requirement to convene and hold an annual general meeting each year, the directors may declare and pay final dividends in accordance with the respective rights of members if it appears to them that they are justified by the profits of the Company available for distribution. In the event that the elective resolution dispensing with the requirement to hold an annual general meeting is revoked or disappplied, any final dividend recommended by the directors after such revocation or disapplication shall be declared by the Company in general meeting, but no dividend shall exceed the amount recommended by the directors. Regulation 102 of Table A shall not apply to the Company.
- 19 Subject to the provisions of the Act and for as long as the Company has an elective resolution in place dispensing with the requirement to convene and hold an annual general meeting each year, the directors may direct that a dividend shall be satisfied wholly or partly by the distribution of assets and, where any difficulty arises in regard to the distribution, the directors may settle the same and in particular may issue fractional certificates and fix the value of the distribution of any assets and may determine that cash shall be paid to any member upon the footing of the value so fixed in order to adjust the rights of

members and may vest any assets in trustees. In the event that the elective resolution dispensing with the requirement to hold an annual general meeting is revoked or disapplied, the general meeting declaring the dividend in accordance with Article 18 above shall, upon the recommendation of the directors, direct that it shall be satisfied wholly or partly by the distribution of assets. Regulation 105 of Table A shall not apply to the Company.
