**Notes to the Abbreviated Accounts for the year ended 31st December, 2011**

**1. Accounting policies**

The following accounting policies have been consistently applied in dealing with the items which are considered material in relation to the Company's Accounts

**1.1 Basis of preparation** - the Accounts have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

**1.2 Turnover** - represents the invoiced total for goods and services provided to customers during the year and excludes Value Added Tax

**1.3 Tangible fixed assets and depreciation** - tangible fixed assets are stated at cost less depreciation. The motor vehicle is being depreciated at 25% per annum on cost. The tools, plant, fixtures and computer equipment have all been written down to a nil net book value being their net current realisable value although their expected useful lives continue. The freehold property acquired in 1998 and excluding the value of the land, is being depreciated annually at 2% on cost.

**1.4 Stocks** - are stated at the lower of cost and net realisable value

**1.5 Deferred taxation** - no provision for a deferred tax charge was considered necessary
