NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS – YEAR ENDED 31 OCTOBER 1999

1 ACCOUNTING POLICIES

Convention

The financial statements have been prepared under the Historical Cost Convention (as modified by the revaluation of certain assets) and with the Financial Reporting Standards for Smaller Entities (effective March 2000).

Depreciation

Depreciation is provided on all fixed assets other than freehold land and buildings and investment property at rates calculated to write off the cost over their estimated useful lives as follows:-

Plant and Machinery	-	15% p.a. reducing balance
Motor Vehicles	-	25% p.a. reducing balance
Computers	-	33 1/3% p.a. straight line

Freehold buildings are depreciated on the straight line basis at 2% p.a. No depreciation is provided on freehold land. No depreciation is provided on investment property in accordance with the requirements of S S A P 19. If depreciation had been provided this would have amounted to £500 (1998 - £500).

Stocks

Stocks are valued at the lower of cost and net realisable value.

Deferred Taxation

Deferred taxation is provided for under the liability method for timing differences between the treatment of certain items for taxation and accounting purposes to the extent that it is probable that a liability will crystallise in the foreseeable future.

Turnover

Turnover represents net sales from ordinary activities excluding Value Added Tax.

Pension Contributions

Contributions in respect of the company's defined contribution scheme are charged to the profit and loss account for the year in which they are payable to the scheme.

Leased Assets

Where assets are financed by lease purchase agreements that give rights approximating to ownership the assets are treated as if they had been purchased outright. The amount capitalised is the cost of the asset to the lease purchase company. The corresponding liability to the lease purchase company is included as an obligation under lease purchase agreements. Depreciation on these assets is charged to the profit and loss account on the same basis as shown above. Lease purchase payments are treated as consisting of capital and interest elements, and interest is charged to the profit and loss account on a straight line basis.

All other leases are treated as "operating leases" and the relevant annual rentals are charged to the profit and loss account.
