2 Accounting policies

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Going concern

We have paid particular attention to the likely effects on the business of the current Covid-19 outbreak and the directors remain confident that sufficient funding is in place and that the company has adequate resources to enable the company to continue as a going concern for the foreseeable future.

Revenue recognition

Turnover represents net rentals charged to customers at invoiced amounts less value added tax. Turnover is recognised in the period in which the rentals and utilities relate to.

Tax

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

2 Accounting policies (continued)

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class	Depreciation method and rate
Computer equipment	33.3% on cost

Investment property

Investment property is carried at fair value determined annually by the directors, under the periodic advisement of external valuers from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in the nature, location or condition of the specific asset. No depreciation is provided. Changes in fair value are recognised in the statement of income and retained earnings.

Borrowings

All borrowing costs are recognised in the statement of income and retained earnings in the year in which they are incurred.
