Principal Activity

The charity's principal activity during the year continued to be the production and presentation of theatre.

Objectives and activities

The objects of the company are to promote, maintain, improve and advance education particularly by the production of plays and the encouragement of the arts

The Trustees are satisfied that the company's activities throughout the year provided public benefit, because:

- Activities were made widely available (the company was active over a long period in several locations).
- Charges were reasonable and not restrictive with discounted tickets available.
- Activities gave the public access to a high standard of artistic work.

Achievements and Performance

2020/2021 was an unusual year for the charity. We had been about to start the second research week for our next major production of THE QUEEN AND THE REBEL when COVID-19 hit and put our plans on hold. It was agreed that we would commission a range of female playwrights to write a short monologue, giving their take on the lockdown experience – The writers were Christine Entwisle, Sasha Hails, Bryony Lavery, Helen Parkinson and Frog Stone. It was planned that these would be presented in a mix of filmed and live performances, however COVID-19 restrictions have postponed these plans, it is hoped that the project will happen next year.

The charity also started to plan for a new production to tour on a small scale in Cumbria during 2021/22.

Financial review

The charity had a quiet year and showed a deficit of £3,408. Net assets at 31st March 2021 were £25,858.

Reserves Policy

In determining the Company's reserves policy, the trustees have regard to the Charity Commission's guidance publication "Charities' Reserves" (CC19). The Directors regularly review the current finances and future financial trends of the company, and, as part of the process, review its level of reserves and reserves policy annually.

By law, every charity is obliged to differentiate income with reference to the existence of any restriction or limitation placed on them. Following two successful grant applications, two restricted funds exist. The first grant from Arts Council England's 'Catalyst' fund will be used to develop the charity's fundraising capability. The second, from the Andrew Lloyd Webber Foundation, will be used to provide training opportunities for an apprentice producer and apprentice director over the coming year. The balance of these funds at 31st March 2021 were: Catalyst £1,696 (2020: £1,696); ALW Foundation £5,507 (2020: £5,507). A further restricted fund arose in the year relating to Community Support Service income received and distributed. There was a balance of £1,948 remaining on this fund at 31st March 2021. Unrestricted reserves total £16,707 (2020: £22,063).

The Trustees consider that the charity can operate for a period of at least 12 months from the signing date of these accounts, even with the effect of COVID 19, and that the going concern basis of preparation is appropriate.

Report of the trustees (continued)

Plans for future periods

The Company is planning a full production of THE QUEEN & THE REBELS for 2021, to premiere in Luxembourg, prior to a UK tour.

Structure, Governance and Management

Constitution

Shared Experience Limited is a company limited by guarantee, governed by its Memorandum and Articles of Association adopted 17th March 1976 and amended 20th September 2004. It is a registered charity with the Charity Commission. The liability of members in the event of a winding up is limited by guarantee to an amount not exceeding £1 per member. At the balance sheet date there were 6 members.

Governance

The appointment and retiring of trustees, the conduct of business, the proceedings of meetings, the management of risk and the general management of the company all took place during the year in accordance with the provisions of the governing documents. The trustees were appointed in accordance with articles 33-36 of the Articles of Association which state that the trustees have the power at any time to appoint any person to be a trustee subject to the conditions stated in the articles. There is no other person or body entitled to appoint trustees.

Where new trustees are appointed the charity's policy is to engage in various induction and training activities as necessary. Trustees are provided with a variety of information about the charity and meet members of staff to become properly informed and to consider further training needs.

Management

Major strategic decisions are taken by the trustees who met five times during the year. General management of the charity is delegated by the trustees to the Chief Executive.

Risk Management

The trustees are responsible for the management of risks faced by the organisation. A formal review of the charity's risk management processes is undertaken on an annual basis and a risk register maintained on an ongoing basis.

In essence this process encompasses risk identification, analysis, and assessment of likely impact, quantification of these impacts, monitoring, ownership, response and control. It is inevitable that unforeseen risk events will occur but by a systematic and regular review of project risks it is anticipated these will be kept to a minimum.

This report has been prepared having taken advantage of the small companies exemption in the Companies Act 2006.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b) Going concern

The accounts have been prepared on a going concern basis.

c) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

d) Income recognition

All income is included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

d) Income recognition (continued)

Investment income is all earned from cash holdings in bank deposit accounts.

e) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

Expenditure on charitable activities includes production costs and fees paid to visiting companies, along with salaries and costs of providing educational experiences to schools and the public; and

Costs of trading to generate funds represents those items not falling into the categories above.

f) Support cost allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative and payroll costs. They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Overheads have been allocated on a per capita basis.

Fund-raising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

The analysis of these costs is included in note 5.
