## **Statement of directors' responsibilities in respect of the Directors' Report and the financial statements**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards.

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## Notes

*(forming part of the financial statements)*

### 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### *Basis of preparation*

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The financial statements have been prepared on the going concern basis, notwithstanding net liabilities of £826,000 which the directors believe to be appropriate for the following reasons. Telewest UK Limited, an intermediate holding company, has indicated that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the Company and in particular will not seek repayment of the amounts currently made available. This should enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this indication the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

In July 2004, Titan Cable plc (formerly Telewest Communications plc) successfully completed its financial restructuring. This resulted in the reorganisation of the business and operations of Titan Cable plc and its subsidiaries ('the Group') under Telewest Global, Inc., incorporated in Delaware, USA, which became the ultimate holding company. On 3 March 2006 Telewest Global, Inc. executed an agreement of merger with NTL Incorporated (incorporated in Delaware, USA), which resulted in NTL Incorporated being merged into a subsidiary of Telewest Global, Inc. The directors believe that the restructuring left Telewest Global, Inc. and its subsidiaries ('the new Group') with sufficient liquidity to meet the new Group's funding needs and enable it to provide continued support to subsidiary companies. The directors believe that the subsequent merger with NTL Incorporated continues to provide sufficient liquidity to provide continued support to subsidiary companies.

#### *Cash flow statement*

Under Financial Reporting Standard (FRS) 1 Cash Flow Statements the company is exempt from the requirement to prepare a cash flow statement on the grounds that its ultimate parent undertaking, Telewest Global, Inc., includes the company in its own published consolidated financial statements.

#### *Deferred Taxation*

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in future or a right to pay less tax in future have occurred at the balance sheet date, except as otherwise required by FRS 19 Deferred Tax. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

#### Related party transactions

As the company was a wholly owned subsidiary of Telewest Global, Inc., the company has taken advantage of the exemption contained in FRS 8 Related Party Disclosures and has therefore not disclosed transactions or balances with entities where 90% or more of the voting rights are controlled within the group. The consolidated financial statements of Telewest Global, Inc, within which this company is included, can be obtained from the address given in note 9.
