Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report To The Members Of Twil Company

We have audited the financial statements of Twil Company for the year ended 31 December 2011 which comprise the Balance Sheet and the related notes 1 to 8. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2011,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Notes to the Financial Statements 31 December 2011

1. Accounting policies

The principal accounting policies are set out below. All of these have been applied consistently throughout the year and the preceding year.

Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with applicable UK accounting standards. No cash flow statement has been provided as the company is a wholly-owned subsidiary of N V Bekaert S A, a company incorporated in Belgium, which prepares consolidated financial statements which are publicly available. Group financial statements have not been presented as permitted by Section 400 of the Companies Act 2006.

Going concern

In forming their going concern judgement the directors have considered the uncertainties arising in the current economic environment and the support of the parent company as well as the adequacy of its resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Profit and loss account

No profit and loss account is presented with these financial statements because the company has not received income, incurred expenditure or recognised any gains or losses during either the year under review or the preceding year. There have been no movements in shareholders' funds during the year under review or the preceding year.

Taxation

UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Future changes to tax legislation

The Government announced in March 2011 that it intended to reduce the rate of corporation tax from 27% to 25%, and Finance Act 2011, which was substantively enacted on 5 July 2011, included provisions to reduce the rate of corporation tax to 25% with effect from 1 April 2012.

The Government has announced in March 2012 a further reduction of the rate of corporation tax, reducing it to 24% with effect from 1 April 2012 and then by a further 1% each year to 22% by 1 April 2014. As this legislation was not substantively enacted by 31 December 2011, the impact of the anticipated rate change is not reflected in the tax provision reported in these financial statements.

Investments in subsidiary undertakings

Investments in subsidiary undertakings including loans are stated at cost less provisions for impairment.

2. Staff costs, directors' remuneration and auditor's remuneration

No emoluments were received by the directors (2010: £Nil) who held office during the year in respect of their services as directors of the company.
