Winchester House 1 Great Winchester Street London EC2N 2DB AUDITORS' REPORT TO THE MEMBERS OF DB OVERSEAS HOLDINGS LIMITED For the year ended 31 December 2000

We have audited the financial statements on pages 4 to 13.

#### Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on pages 1 and 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the Company is not disclosed.

We read the other information accompanying the financial statements and consider whether it is consistent with those statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

#### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### 1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with the Companies Act 1985 and applicable accounting standards. As a result of a letter of comfort from DB Investments (GB) Ltd the Company is able to maintain good standing and remain in a position to meet its contractual obligations as they fall due. Accordingly, the Directors consider that it is appropriate to prepare these financial statements on a going concern basis. The particular accounting policies are described below.

### (a) Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards, and under the historical cost accounting convention, modified to include (g) below.

The Company is exempt by virtue of section 228 of the Companies Act 1985 from the requirement to prepare group accounts. These financial statements present information about the Company as an individual undertaking and not about its group.

### (c) Commitment/participation fee income

Commitment and participation fee income is accounted for on an accruals basis.

#### (d) Foreign currencies

Gains and losses on exchange are included in the profit and loss account. Foreign currency income and expense is translated into sterling at the rate ruling on the date of receipt or payment.

## (e) Deferred taxation

Deferred taxation is provided in respect of timing differences which result from the allocation of items to different periods for taxation and accounting purposes, to the extent that it is probable that the liability or asset will crystallise.

## (f) Cash Flow Statement
