**REPORT OF THE DIRECTORS AND TRUSTEES
for the year to 30 September 2005**

The directors and trustees present their report with the financial statements of the company for the year to 30 September 2005.

OBJECTS OF THE CHARITY, PRINCIPAL ACTIVITIES, RESERVE POLICY AND ORGANISATION

The charity is constituted as a company limited by guarantee, and is therefore governed by its memorandum and articles of association.

The charity's object continues to be the advancement of religion in accordance with the Orthodox Jewish Faith including the relief of poverty amongst Orthodox Jewish Communities. The principal activity to achieve funding for those objects is property investment.

The Reserve policy of the Charity is based upon the application for charitable purposes within each year of a high proportion of such unrestricted funds as are available.

The charity is organised so that the trustees meet regularly to manage its affairs, and involve themselves in the day-to-day administration of the charity.

As referred to in previous Reports, the immediate and longer term direction of the Charity remained undecided following the untimely death of Roger Milton. The decision has now been made to wind up the Charity's affairs.

RISK MANAGEMENT

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Trust and are satisfied that systems are in place to mitigate our exposure to the major risks.

TRANSACTIONS AND FINANCIAL POSITION

The Statement of Financial Activities set out on page three shows net surplus for the year of £7,754 (2004: £(9,956)) and after adding this to reserves, our unrestricted funds now total £5,516 (2004: (£2,238)).

TANGIBLE FIXED ASSETS

Details of movements in fixed assets are set out in note 4 to the accounts.

The charity is entitled to exemption from audit under Section 249A(1) of the Companies Act 1985 for the year ended 30 September 2005.

The members have not required the charity to obtain an audit of its financial statements for the year ended 30 September 2005 in accordance with Section 249B(1) of the Companies Act 1985.

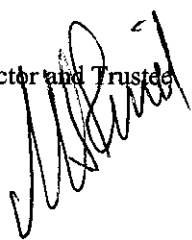

The trustees acknowledge their responsibilities for:

- ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985 and
- preparing financial statements which gave a true and fair view of the state of affairs of the charity at the end of the financial period and of its incoming resources and application of resources for that period in accordance with the requirements of Section 226 CA 1985 and which otherwise comply with the requirements of that Act relating to accounts, so far as they are applicable to the charity.

These financial statements have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies and with the Financial Reporting Standard for Smaller Entities (effective June 2002).

NOTES TO THE FINANCIAL STATEMENTS
for the year to 30 September 2005

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and include the results of the charity's operations, which are described in the Directors', and Trustees' Report and all of which are continuing.

The accounts have been prepared in compliance with Statement of Recommended Practice on Charity Accounts and FRSSE (June 2002).

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Leasehold property - not provided

Investment properties are revalued annually and included in the balance sheet at their open market value. Surpluses and deficits arising on revaluation are transferred to revaluation reserve. Any permanent diminution in the values is charged directly to the Statement of Financial Activities. In accordance with SSAP 19 no depreciation or amortisation is provided in respect of freehold and leasehold investment properties. This departure from the Companies Act 1985, which requires all properties to be depreciated, is, in the opinion of the directors, necessary for the financial statements to show a true and fair view. Depreciation is one of the factors reflected in the annual valuation and therefore cannot be separately quantified.

Income

Income is accounted for on the accrual basis. No permanent endowments have been received in the period, but these are dealt with through the Statement of Financial Activities when received.

Expenditure on management and administration of the charity

Administration expenditure includes expenditure not directly related to the charitable activity.

2. DONATED INCOME

Donated income represents interest donated to the charity.
