Geoffrey Lambert Carton-Kelly and Michael David Rollings of Baker Tilly Restructuring and Recovery LLP, 5 Old Bailey, London EC4M 7AF were appointed Joint Administrators ("Joint Administrators") of Spin Offset Limited - In Administration ("the Company") on 5 January 2009 by the directors of the Company.

The notice of appointment was filed in the High Court of Justice, Chancery Division, Companies Court under reference number 99 of 2009.

The Joint Administrators' appointment specified that they would have power to act jointly and severally. The Joint Administrators have exercised, and will continue to exercise, all of their functions jointly and severally as stated in the notice of appointment.

The Joint Administrators are pleased to present their Proposals and Report pursuant to Paragraph 49 of the Insolvency Act 1986 (as amended) and Rule 2.33 of the Insolvency Rules 1986 (as amended).

2. STATUTORY INFORMATION

We attach as Appendix A an extract of statutory information from the Company's file held at Companies House.

Please note that the registered office of the Company has been changed to c/o Baker Tilly Restructuring and Recovery LLP, 5 Old Bailey, London EC4M 7AF.

3. EVENTS LEADING UP TO THE ADMINISTRATION

Brief background

The Company was incorporated in 1977 as a wholly owned subsidiary of Bruce Closs Printing Limited. In recent years, the Company traded from leasehold premises on Purfleet Industrial Estate, Thurrock, Essex. It traded as a lithographic and digital printing company. In 2003 it acquired under finance, a twelve colour press.

Following a Management buyout in 2007, the Company experienced cashflow difficulties caused by difficult trading conditions towards the end of 2007 and in early 2008. We understand that management injected £200,000 of their own money in an attempt to support the business.

In August 2008 the Company was acquired by MPG Impressions Limited ("MPGI") with a view to restructuring the business. In that respect, a part of the business was moved to MPGI's premises in Chessington. Despite ongoing trading losses however, we are informed that in November 2008, the Company's largest customer gave notice that they were transferring their orders to a competitor and this resulted in the loss of £1.5 million in turnover and the business was no longer viable.

The Company explored various financing options to save the business however the decision was taken in December 2008 that it could no longer continue to trade and to place the Company into Administration.

On 5 January 2009, the Administrators were appointed by the directors of the Company.

4. STATEMENT OF AFFAIRS

The directors' estimated Statement of Affairs as at 5 January 2009 is shown at Appendix B.

The value at which creditors' claims are stated in the Statement of Affairs are, as is required by legislation, those which were provided by the Directors of the Company and it is our view that some balances may not be wholly correct. In addition, certain claims may be subject to reduction in respect of mitigation, set-off or retention of title.

The agreement of creditors' claims by the Joint Administrators (or any subsequently appointed Supervisor or Liquidator) is a separate matter and will be dealt with as appropriate in due course, initially by reference to the proofs of debt lodged in the proceedings by creditors themselves.

The "Prescribed Part" is a statutory amount of the Company's assets subject to a floating charge to be set aside for the benefit of the Company's non-preferential creditors.

There are now no creditors secured by charges over the assets and undertakings of the Company created on or after 15 September 2003. There is therefore no requirement to estimate the amount of the Prescribed Part of the assets under Section 176A of the Insolvency Act 1986 (as amended).

5. CONDUCT OF THE ADMINISTRATION

Paragraph 3 to Schedule B1 to the Insolvency Act 1986 (as amended) sets out the purposes of an administration. The Joint Administrators' must perform these functions with the objective of:

- (a) rescuing the Company as a going concern, or
- (b) achieving a better result for the Company's creditors as a whole than would be likely if the Company were wound up (without first being in administration), or
- (c) realising property in order to make a distribution to one or more secured or preferential creditors.

The above is a hierarchy of objectives. The Administrators should pursue objective (b) if they consider (a) is not reasonably practicable, and pursue (c) if they consider (a) and (b) are not reasonably practicable.

The Joint Administrators are pursuing objective (b), which we detail below, or if that cannot be achieved, then objective (c).

Administrators' Strategy

The Administrators' strategy is focused on preserving the value in the Company's assets and securing their sale. Edward Symmons, Independent Valuers, were instructed to provide valuations of the Company's assets and to realise them.

Asset Realisations

We have asked MPGI to assist us in collecting the outstanding debtors given their knowledge of the business and its former customers. To date collections total £141,104 and this has been sufficient to discharge, in full, the debt of HSBC Invoice Finance (UK) Limited of £84,363 who had security over the sales ledger. We anticipate that there should be funds available to unsecured creditors following the agreement and payment of preferential creditors and the costs of the Administration. However, until our work in collecting the debtors and agreeing preferential and unsecured creditors is complete, we will not be able to estimate the dividend to unsecured creditors.

Cash at bank of £9,638 has been realised and Edward Symmons have realised the remaining unencumbered assets for £1,750. We are advised no equity is likely to be available for the twelve colour press held under finance with HSBC Asset Finance.

We are in discussion with MPGI regarding the purchases of the Company to ensure the full value for the acquisition was given. We will update creditors in our next report in this regard.

We attach as Appendix C a summary of our receipts and payments.

6. MEETING OF CREDITORS

The Joint Administrators' have decided to convene a meeting of creditors, pursuant to paragraph 51 of Schedule B1 to the Insolvency Act 1986 (as amended).

The following documentation is attached:

- Appendix D: formal notice convening the meeting is on Form 2.20B
- Appendix E: a form of proxy form for use at the meeting.
- Appendix F: an extract from the Insolvency Rules 1986 (as amended) regarding creditors' entitlement to vote
- Appendix G: a proof of debt to enable creditors who have not yet lodged their claim to do so (please note that you will not be able to vote at the meeting unless you have lodged your claim with the Joint Administrators)

The purpose of the meeting is for creditors to be able to consider the Joint Administrators' proposals (section 7 below) and to ask questions as regards the conduct of the administration. At the meeting, creditors are also entitled to establish a

Creditors' Committee should they so wish, provided that there are no fewer than three and no more than five wishing to be represented on the committee.

7. JOINT ADMINISTRATORS' PROPOSALS

The Joint Administrators' proposals in relation to the Company are:

- A If a sale of the Company and/or its business is unachievable then the Joint Administrators should consider and pursue the most appropriate alternative method of realising the assets for the benefit of the creditors.
- B The Joint Administrators should arrange to distribute available funds from the realised assets to those creditors entitled to them in such manner as they consider will lead to an early distribution of the available assets in an economic manner.
- C The Joint Administrators be authorised to make such application to court for directions as they consider appropriate with a view to achieving the purposes of the administration or their proposals.
- D In the event that a Creditors' Committee is not established, the Joint Administrators shall be authorised to draw their remuneration based upon their time costs by reference to the time properly given by the Joint Administrators and their staff, in attending to matters arising in the administration at Baker Tilly Restructuring and Recovery LLP standard hourly rates, current details of which are attached at Appendix I, but which are reviewed periodically to be paid out of the assets of the Company and which may be drawn on account as and when funds permit.
- E In the event that a Creditors' Committee is not established, the Joint Administrators shall be authorised to draw their disbursements and other expenses incurred by them in the administration, to be paid out of the assets of the Company, such disbursements to include "Category 2 disbursements" at the rates disclosed in Appendix I.
- F The Joint Administrators conclude the administration when all the property and assets have been realised and distributed (after costs).
- G The Company exits the administration by way of creditor voluntary liquidation or dissolution.
- H That Geoffrey Lambert Carton-Kelly and Michael David Rollings of Baker Tilly Restructuring and Recovery LLP, 5 Old Bailey, London EC4M 7AF be appointed Joint Liquidators of the Company following the cessation of the administration.
- To consider and if thought fit, appointing a Creditors' Committee to assist the Joint Administrators and subsequent Joint Liquidators should they be appointed.
- J In the event that a Creditors' Committee is not established, the Joint Administrators be discharged from liability in respect of any action of theirs as

Joint Administrators immediately following their cessation to act as Joint Administrators.

8. PROPOSED EXIT FROM ADMINISTRATION

As noted above, it is proposed that the Company shall exit administration by creditors' voluntary liquidation or by dissolution.

Should a creditor voluntary liquidation be the chosen route then it is proposed that Geoffrey Lambert Carton-Kelly and Michael Rollings of Baker Tilly Restructuring and Recovery LLP, 5 Old Bailey, London EC4M 7AF be appointed Joint Liquidators of the Company following the cessation of the administration. Creditors should note that they may nominate a different person as the proposed Liquidator, provided that the nomination is made after the receipt of the proposals and before the proposals are approved.

9. DIVIDEND PROSPECTS

Secured Creditors

HSBC Invoice Finance (UK) Limited ("HSBC") holds a fixed charge over the book debts of the Company in respect of its secured lending. This charge was created on 8 June 2007 and registered on 13 June 2007.

Following the commencement of the administration, the debts collected have now discharged HSBC's debt of £84,363 in full with the remaining balance to be collected being available to the other classes of creditors.

Preferential Creditors

It is expected preferential creditors will receive a dividend of 100 pence in the pound in respect of their debt estimated at £7,430.

Unsecured Creditors

It is probable unsecured creditors will receive a dividend, however, as explained above, the quantum and timing of this is as yet unknown.

10. JOINT ADMINISTRATORS' REMUNERATION AND DISBURSEMENTS

Creditors are asked to consider resolutions as regards the payment of the Joint Administrators' remuneration and drawing certain disbursements from the administration estate. These are detailed at paragraphs D and E of the Joint Administrators' proposals. If a Creditors' Committee is appointed, it is for the Committee to consider this resolution.

Expenses and disbursements which are not capable of precise identification and calculation (for example any which include an element of shared or allocated costs)

require approval prior to being drawn from the insolvency estate. These expenses are known as "Category 2" disbursements.

For your information the following documentation is attached:

• Appendix H: Joint Administrators' time cost analysis

Appendix I: Joint Administrators' charge out and disbursement rates

Appendix J: Summary of payments to Joint Administrators and associated parties

Appendix K: Charging, expenses and disbursement policy statement

A Creditors Guide to Joint Administrators' Fees, a guide in relation to the remuneration of Joint Administrators, can be accessed at the website of the Association of Business Recovery Professionals at:

www.r3.org.uk/publications/statements of insolvency practice (Statement of Insolvency Practice 9 – Remuneration of Insolvency Office Holders England & Wales).

Alternatively, we can provide you with a copy on written request to our office.

Administrators' time costs

Appendix H contains a summary of the Joint Administrators' time costs to 29 January 2009.

The following is a narrative summary of the main tasks carried out to date by the Joint Administrators:

Administration and Planning

This includes day-to-day administrative duties and dealing with statutory duties and responsibilities, including advertising notice of the administration, providing notice to creditors, dealing with the submission of the Statement of Affairs and filing necessary documents at Companies House. Other duties include handling and recording receipts and payments; VAT and Corporation Tax issues such as periodical VAT returns; pension queries and general correspondence.

Investigations

In accordance with our statutory obligations under the Company Directors' Disqualification Act 1986, we will be filing the appropriate documentation on the conduct of the directors with the Department of Business, Enterprise & Regulatory Reform. Should creditors have any issues they wish to raise with the Joint Administrators regarding the conduct of the directors, I should be grateful if these were provided to me in writing as soon as possible.

Realisation of Assets

Our staff have been assisting with various matters including the collection of debtors and liaising with agents as regards the valuation and realisation of assets. A large

amount of time has been spent on this area as it is considered to be a key aspect of the administration. Additionally, time has been spent reviewing some retention of title claims with regard to stock and dealing with finance Company creditors.

Creditors

Queries from and correspondence with creditors and employees have been necessary aspects of the administration process. The preparation of the Joint Administrators' Proposals has been undertaken including the attendant aspects of providing and obtaining the required information, convening the creditors' meeting etc.

Administrators' disbursements

To date we have not drawn any funds on account of our disbursements incurred.

11. EC REGULATIONS

It is considered that the EC Regulations will apply and that these proceedings will be main proceedings as defined in Article 3 of the EC Regulations as the centre of main interest of the Company is in England and Wales.
