These tasks were a necessary part of the engagement but did not generate any direct financial benefit for the members.

Please note that such challenges may not disturb remuneration or expenses approved or deemed to be approved under prior progress reports.

## **5. LIQUIDATORS' REMUNERATION AND DISBURSEMENTS**

### **5.1 Basis of Liquidators' Remuneration (Fees)**

The basis of our remuneration was fixed on 20 October 2017 by written resolution of the Companies by reference to the time properly given by the Liquidators and their staff in attending to matters arising in the liquidations, calculated at the prevailing standard hourly charge-out rates used by Deloitte at the time when the work was performed, plus VAT.

### **5.2 Liquidators' Fees – work undertaken – time costs**

As there were no funds in the estates, our fees were met by Ribbon Acquisitions Limited, an associated group company. We were paid £154,470 plus VAT in total which was in respect of an entity reduction exercise comprising the liquidations of 48 group companies across two batches.

### **5.4 Liquidators' Disbursements**

#### *Category 1*

These are payments made by us direct to third parties and for which no approval is required. Below are the total costs for the Companies, which are stated inclusive of VAT where applicable and were recovered in full.

- Statutory advertising costs of £913.68
- HM Land Registry fees of £561.00
- The Liquidators' statutory insurance bonds of £30.00
- Declaration of Solvency witness fee of £105.00

These relate to the liquidations of 21 companies (i.e. Batch One).

#### *Category 2*

These are costs and expenses initially paid by us and which are not generally made to a third party, for example, reimbursement to staff engaged on the case for their mileage costs. These may also include shared or allocated costs. Specific approval is required before these costs and expenses can be drawn from the liquidation estate.

There were no category 2 disbursements raised during the course of the liquidations.
