1 Accounting policies

Company information

Buckingham Court (Hunstanton) Management Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is Rounce & Evans Property Management Limited, 16 Church Street, King's Lynn, Norfolk, PE30 5EB.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Income and expenditure

Income and expenses are included in the financial statements as they become receivable or due.

Expenses include VAT where applicable as the company cannot reclaim it.

1.3 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Freehold buildings	Not depreciated. This is because a high residual value is expected should the property be sold and therefore any depreciation charged would be immaterial. This is due to the property market in general and the policy adopted by the company of regular maintenance and repair.
Plant and machinery	15% reducing balance basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to surplus or deficit.

1.4 Taxation

The company is exempt from corporation tax, it being a company not carrying on a business for the purposes of making a profit.
