RFS (4) LIMITED
YEAR ENDED 31 DECEMBER 2008
REPORT OF THE DIRECTORS (CONTINUED)

The Directors hereby submit their Report and the accounts for the year ended 31 December 2008

Principal activities and review of the business

RFS (4) Limited, (the company) is a limited company registered, incorporated and domiciled in England and Wales. The address of the company's registered office is on page 1

The company was dormant and did not trade during the year

Business Review

At the beginning of 2007, RFS Limited was a joint venture with 50% of its issued share capital being held by Capital Bank Plc, whose ultimate parent undertaking is HBOS Plc, and 50% by Renault Acceptance Limited, a subsidiary of Renault SA

On 2 July 2007 Renault Acceptance Limited purchased the 50% shareholding from Capital Bank plc with the result that from this date 100% of the issued share capital was held by subsidiaries of Renault SA

Following the share purchase, on 3 July 2007 the trade and assets of the company were transferred to RCI Financial Services Limited at book value. From this date the company was dormant

Risk Management

The company was dormant and did not trade during the year

Performance

The company has conducted its activities throughout the year in a satisfactory manner. As stated in the Business Review, from 3 July 2007 onwards the company was dormant

The company's loss for the financial year is £nil (2007: £3,760,000)

Results and Dividends

The results for the year are shown in the Income Statement on page 8. The directors do not recommend the payment of a dividend (2007: £nil)

Going Concern

As noted above, the business was transferred to RCI Financial Services Ltd on 3 July 2007 and the company is now dormant. As a result, it is the intention of the directors to wind the company up in due course. As a consequence, the directors have not adopted the going concern basis of accounting in preparing these financial statements

RFS (4) LIMITED
YEAR ENDED 31 DECEMBER 2008
REPORT OF THE DIRECTORS (CONTINUED)

Directors

The Director of the company during the year to 31 December 2008 was -

S Gowler

During the year the Director had no beneficial interest in the share capital of the company or of any of its subsidiaries

Directors' statement as to disclosure of information to auditors

Each of the persons who is a director at the date of the approval of this report, except for the limitations set out in the Directors' preparation of financial statements section, confirms that

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- the director has taken all the steps that he / she ought to have taken as a director in order to make himself / herself aware of any relevant audit information and to establish that the company's auditors are aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s234ZA of the Companies Act 1985

Directors' preparation of the financial statements

The directors have prepared the financial statements based on the accounting records made available to them

RFS (4) Limited has traded for many years, operating as a wholly owned subsidiary of RFS Limited, which itself was a wholly owned subsidiary of a joint venture between RAL Limited and Capital Bank. RFS (4) Limited has received unqualified audit reports up to and including the December 2006 year end

In the course of 2007, the directors engaged Ernst & Young LLP to assess the trade and assets of the company with a view of RAL Limited buying from Capital Bank the joint venture partner's 50% share of the business

RFS (4) LIMITED
YEAR ENDED 31 DECEMBER 2008
REPORT OF THE DIRECTORS (CONTINUED)

Directors' preparation of the financial statements (continued)

The due diligence mentioned above was completed successfully and based on it, on 2 July 2007 RAL Limited became the sole shareholder of RFS Limited and its subsidiaries, which included RFS (4) Limited. On 3 July 2007, the net assets and the trade of RFS (4) Limited were transferred across to another Renault SA subsidiary company, RCI Financial Services Limited. RCI Financial Services Limited integrated those net assets and the corresponding accounting balances into its books. The balances transferred were validated by the due diligence report received. An intercompany balance between RCI Financial Services Limited and RFS (4) Limited was recognized to reflect the value of the net assets transferred. RCI Financial Services Limited is in a position to confirm, and has confirmed, this balance to RFS (4) Limited.

Subsequently, RCI Financial Services Limited has continued trading and has received unqualified audit reports for 2007 and 2008 statutory accounts. The directors see this as proof of the balances transferred from RFS (4) Limited being correctly valued.

However in the course of the RFS (4) Limited statutory audit it has been discovered that the nature of the accounting records means that substantive evidence no longer exists following the transfer of the business and the related records to the accounting system of RCI Financial Services Limited, to support the separate assets, liabilities and transactions of the company as at July 2007. The directors have taken all the necessary steps to provide as much evidence as possible, exhausting all available means. Some evidence still remains missing, however the directors take the view that the asset transfer from RFS (4) Limited to RCI Financial Services Limited and the subsequent unqualified audits of the transferred balances, along with the subsequent confirmation of all remaining balances on the RFS (4) Limited balance sheet, provide sufficient comfort that the RFS (4) Limited accounts are appropriately presented for statutory reporting purposes.

Approved by the Board of Directors
and signed on behalf of the Board

Steve Gowler

8 March 2010

RFS (4) LIMITED

YEAR ENDED 31 DECEMBER 2008

REPORT OF THE DIRECTORS (CONTINUED)

Statement of directors' responsibilities in respect of the report and the financial statements

The directors are responsible for preparing the annual report and the financial statements in accordance with the applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with IFRSs, as adopted by the European Union, and the Companies Act 1985.

International Accounting Standard 1 requires that financial statements present fairly for each financial year the company's financial position, financial performance and cash flows. This requires the faithful representation of the effects of transactions, other events and conditions in accordance with the definitions and recognition criteria for assets, liabilities, income and expenses set out in the International Accounting Standards Board's 'Framework for the preparation and Presentation of Financial Statements'. In virtually all circumstances, a fair presentation will be achieved by compliance with all applicable International Financial Reporting Standards. Directors are also required to

- properly select and apply accounting policies,
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information,
- provide additional disclosures when compliance with the specific requirements in IFRSs is insufficient to enable users to understand the impact of particular transactions, other events and conditions on the entity's financial position and financial performance, and
- make an assessment of the company's ability to continue as a going concern.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

RFS (4) LIMITED

YEAR ENDED 31 DECEMBER 2008

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF RFS (4) LIMITED

We have audited the financial statements of RFS (4) Limited for the year ended 31 December 2008 which comprise the Income Statement, the Statement of Recognised Income and Expenses, the Balance Sheet, the Cash Flow Statement and the related notes 1 to 14. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the other information contained in the Annual Report and consider whether it is consistent with the audited financial statements. This other information comprises only the Directors' Report. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any further information outside the Annual Report.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board, except that the scope of our work was limited as explained below.

An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

YEAR ENDED 31 DECEMBER 2008

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF RFS (4) LIMITED

Basis of audit opinion (continued)

We planned our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. However, the evidence available to us was limited as a result of the transfer of the company's assets and trade to RCI Financial Services Limited in 2007. As described in note 1 to the financial statements, following this transfer, accounting for the leases and other assets, liabilities and transactions which previously comprised the company's trade has been transferred to the accounting system of RCI Financial Services Limited. Whilst RCI Financial Services Limited has prepared financial statements which comprise the assets and results of the combined business including the transferred business, the nature of those accounting records mean that it is no longer possible for the directors of the company to provide us with supporting evidence for the separate assets, liabilities and transactions of the company. As a result of this we have been unable to obtain sufficient appropriate audit evidence concerning the company's financial statements and, because of the significance of this limitation of scope, we have been unable to form a view on the financial statements.

In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion: disclaimer on view given by financial statements

Because of the possible effect of the limitation in evidence available to us, we are unable to form an opinion as to whether the financial statements

- give a true and fair view, in accordance with IFRSs as adopted by the European Union, of the state of the company's affairs as at 31 December 2008 and of its result for the year then ended, and
- have been properly prepared in accordance with the Companies Act 1985

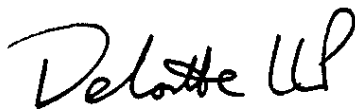

In respect solely of the limitation of our work referred to above

- we have not obtained all the information and explanations that we considered necessary for the purpose of our audit, and
- we were unable to determine whether proper accounting records have been maintained

Notwithstanding our disclaimer on the view given by the financial statements, in our opinion the information given in the directors' report is consistent with the financial statements.

Emphasis of matter - Financial statements prepared other than on a going concern basis

Whilst we have been unable to form an opinion on the financial statements, we draw your attention to the fact that, as described in note 1, the financial statements have been prepared on a basis other than that of a going concern.

RFS (4) LIMITED
YEAR ENDED 31 DECEMBER 2008
NOTES TO THE FINANCIAL STATEMENTS

1. Accounting Policies

General information

RFS (4) Limited is a company registered in the United Kingdom

Statement of compliance

The 2008 statutory financial statements set out on pages 8 to 25 have been prepared in accordance with International Financial Reporting Standards as adopted by the European Union (IFRS)

The standards adopted by the company are those endorsed by the European Union and effective at the date the IFRS financial statements are approved by the Board

Basis of preparation

The financial statements are presented in sterling, rounded to the nearest thousand. They are prepared on the historical cost basis.

The preparation of financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision only affects that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

As a wholly owned subsidiary of Renault Acceptance Ltd, a company incorporated in Great Britain, the Company is exempt under Section 228(2) of the Companies Act 1985 from preparing consolidated financial statements. Consolidated financial statements are prepared by RCI Banque, a Company incorporated in France.

RFS (4) LIMITED

YEAR ENDED 31 DECEMBER 2008

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

1. Accounting Policies (continued)

Directors' preparation of the financial statements

The directors have prepared the financial statements based on the accounting records made available to them

RFS (4) Limited has traded for many years, operating as a wholly owned subsidiary of RFS Limited, which itself was a wholly owned subsidiary of a joint venture between RAL Limited and Capital Bank. RFS (4) Limited has received unqualified audit reports up to and including the December 2006 year end.

In the course of 2007, the directors engaged Ernst & Young LLP to assess the trade and assets of the company with a view of RAL Limited buying from Capital Bank the joint venture partner's 50% share of the business.

The due diligence mentioned above was completed successfully and based on it, on 2 July 2007 RAL Limited became the sole shareholder of RFS Limited and its subsidiaries, which included RFS (4) Limited. On 3 July 2007, the net assets and the trade of RFS (4) Limited were transferred across to another Renault SA subsidiary company, RCI Financial Services Limited. RCI Financial Services Limited integrated those net assets and the corresponding accounting balances into its books. The balances transferred were validated by the due diligence report received. An intercompany balance between RCI Financial Services Limited and RFS (4) Limited was recognized to reflect the value of the net assets transferred. RCI Financial Services Limited is in a position to confirm, and has confirmed, this balance to RFS (4) Limited.

Subsequently, RCI Financial Services Limited has continued trading and has received unqualified audit reports for 2007 and 2008 statutory accounts. The directors see this as proof of the balances transferred from RFS (4) Limited being correctly valued.

However in the course of the RFS (4) Limited statutory audit it has been discovered that the nature of the accounting records means that substantive evidence no longer exists following the transfer of the business and the related records to the accounting system of RCI Financial Services Limited, to support the separate assets, liabilities and transactions of the company as at July 2007. The directors have taken all the necessary steps to provide as much evidence as possible, exhausting all available means. Some evidence still remains missing, however the directors take the view that the asset transfer from RFS (4) Limited to RCI Financial Services Limited and the subsequent unqualified audits of the transferred balances, along with the subsequent confirmation of all remaining balances on the RFS (4) Limited balance sheet, provide sufficient comfort that the RFS (4) Limited accounts are appropriately presented for statutory reporting purposes.

Going concern

The business was transferred to RCI Financial Services Ltd on 3 July 2007 and the company has been dormant since that date. As a result, it is the intention of the directors to wind the company up in due course. As a consequence, the financial statements have been prepared on a basis other than that of a going concern.

RFS (4) LIMITED

YEAR ENDED 31 DECEMBER 2008

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

1. Accounting Policies (continued)

Details of standards not yet effective

There are a number of new standards and interpretations issued but not yet effective which the company has not applied in these accounts.

- IAS 1 Presentation of Financial Statements (revised 2007) (effective 1 January 2009)
- IAS 23 Borrowing Costs (revised 2007) (effective 1 January 2009)
- Amendment to IAS 32 Financial Instruments Presentation and IAS 1 Presentation of Financial Statements - Puttable Financial Instruments and Obligations Arising on Liquidation (effective 1 January 2009) and IAS 27 Consolidated and Separate Financial Statements (revised 2008) (effective 1 July 2009)
- IAS 1 Presentation of Financial Statements - Puttable Financial Instruments and Obligations Arising on Liquidation (effective 1 January 2009)
- IAS 28 Investments in Associates (revised)
- IFRIC 12 Service Concession Arrangements (effective 1 January 2008)
- IFRIC 13 Customer Loyalty Programmes (effective 1 July 2008)
- IFRIC 14 IAS 19 - The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction (effective 1 January 2008)
- IFRS 9 – Financial Instruments
- IAS 24 (revised Nov 2009) – Related Party Disclosures
- Amendments to IFRS 7 (Mar. 2009) - Improving Disclosures about Financial

It is anticipated that the adoption of these standards will not have a significant impact on the accounts of the company except for additional disclosure and presentational requirements.

RFS (4) LIMITED

YEAR ENDED 31 DECEMBER 2008

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

1. Accounting Policies (continued)

Investments in subsidiary undertakings

Shares in subsidiaries are stated at cost unless, in the opinion of the Directors, there has been impairment in value, in which circumstance a provision is made

Finance leases, instalment credit and operating leases

Assets leased to customers which transfer substantially all the risks and rewards of ownership to the customer are classified as finance leases. Together with instalment credit agreements, they are recorded at an amount equal to the net investment in the lease, less any provisions for impairment, within finance lease receivables.

The net investment in finance leases and instalment credit agreements represents the sum of the minimum payments receivable and unguaranteed residual value (gross investment in lease) discounted at the interest rate implicit in the lease. The difference between the gross investment in the lease and the net investment in the lease is recorded as unearned finance lease income.

All other assets leased to customers are classified as operating leases. These assets are separately disclosed in the balance sheet within operating leased assets and are recorded at cost less accumulated depreciation, which is calculated on a straight line basis. Operating leased assets are reviewed for impairment when there is an indication of impairment.

Income from finance leases and instalment credit agreements is credited to the income statement using the net investment method (before tax) to give a constant periodic rate of return. Initial direct costs incurred in arranging the lease are included in the initial measurement of the finance debtor and reduce income over the lease term.

Operating leased rentals are recognised in the income statement on a straight line basis over the lease term. Initial direct costs incurred are deferred and allocated to income over the lease term in proportion to the recognition of rental income.

Assets awaiting sale

Assets awaiting sale comprise operating leased assets where the agreements have reached their termination date, but the assets will not be sold until after the balance sheet date.

Any potential losses on disposal of these assets have been reflected in the Residual value impairment provision.

RFS (4) LIMITED

YEAR ENDED 31 DECEMBER 2008

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

1. Accounting Policies (continued)

Impairment provisions

The carrying amounts of the company's assets are reviewed at each balance sheet date to determine whether there is an indication of impairment. If any such indication exists, the assets' recoverable amount is estimated.

Leasing impairment is assessed individually for financial assets that are individually significant and individually or collectively for assets that are not individually significant.

Individual impairment is identified at a counterparty specific level following objective evidence that a financial asset is impaired. This may be after a principal payment is missed.

The recoverable amount of finance lease receivables carried at amortised cost is calculated as the present value of future cash flows, discounted at the original effective interest rate in the lease.

The recoverable amount of other assets, including operating leases, is the greater of their net selling price and value in use. In assessing value in use, the estimated future cashflows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. If impaired, the carrying value is adjusted and the difference charged to the income statement.

Collective assessment groups assets that share similar risk characteristics and applies a collective impairment methodology based on existing risk conditions or events that have a strong correlation with a tendency to default.

In circumstances where an asset has been collectively assessed for impairment and no objective evidence of impairment exists, then it may be subject to a collective assessment. In this situation impairment may be incurred but not yet reported.

The reversal of an impairment loss for an asset is recognised immediately in the income statement. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

RFS (4) LIMITED

YEAR ENDED 31 DECEMBER 2008

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

1. Accounting Policies (continued)

Cash and cash equivalents

Cash and cash equivalents comprise cash balances, call deposits and short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant change in value. Bank overdrafts that are repayable on demand and form an integral part of the company's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

Taxation

Income tax on the profit or loss for the year comprises current and deferred tax. Income tax is recognised in the income statement except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided: goodwill not deductible for tax purposes, the initial recognition of assets and liabilities that affects neither accounting nor taxable profit and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates at the balance sheet date.

Critical sources of estimation and uncertainty

Details of the critical sources of estimation and uncertainty are discussed in the impairment provision policy.
