UBS Wealth Management (UK) Ltd

Directors' Report

The Directors present their report and financial statements of UBS Wealth Management (UK) Ltd ("the Company") for the year ended 31 December 2009

Principal activities & review of the business

During the year the Company engaged in the business of stock broking and investment management for private clients, charities and trusts and the provision of general financial and investment advice to its clients

On 5 December 2009 the Company's ongoing business was transferred to, and amalgamated into the existing Wealth Management business in, the London Branch of its parent company UBS AG. At the same time all staff contracts were also transferred to UBS AG. The consideration for this purchase and sale agreement was the net book value of the assets and business transferred.

A small number of assets and liabilities that were not transferred under the agreement remain in the Company. A small amount of client assets were also not transferred that are either in the process of being exited or transferred out from the Company. Invested assets at 31 December 2009 were £nil (2008 £2.9 bn).

The Company is authorised and regulated by The Financial Services Authority ("FSA") to conduct activities regulated under the Financial Services and Markets Act 2000 and is a member of The London Stock Exchange.

Results and dividends

The Company made a loss after tax for the year of £0.77m (2008 profit £9.4m). This loss after tax was generated from revenues during the year of £15.3m (2008 £27.5m). The decrease in revenue is due to a reduction in assets under management (Dec 2009 £nil (Dec 2008 £2,899m)), and a discount offered to a number of clients as an incentive to remain with the Company. The discount became effective from 6th April 2009 for one year.

The Company recorded a net outflow of clients assets prior to the transfer of business in December 2009 of £0.9 bn (2008 £0.7 bn).

The directors do not intend to recommend the declaration of a final dividend in respect of the year (2008 £nil). The directors paid an interim dividend in 2009 of £13 m (2008 £nil).

Principal risks and uncertainties

As discussed above, the Company has transferred its ongoing business to the London Branch of its parent UBS AG during the year. The Company is in the process of exiting a small amount of remaining client assets. As a result of this and the fact trading has virtually ceased the Company faces a low level of operational risk and few uncertainties.

As a wholly-owned subsidiary of UBS AG, the Company operates in line with UBS AG Group policies and risk management methodologies. Additionally, BIPRU 2.2 requires that the adequacy of the Company's capital is assessed by both the Company and the FSA. As part of this the Company has an obligation to perform an Internal Capital Adequacy Assessment Process (ICAAP). This process includes 1) carrying out regular assessments of the amounts, types and distribution of financial resources, capital resources and internal capital that the Company considers adequate to cover the nature and level of the risks to which it is or might be exposed; 2) identify the major sources of risk to its ability to meet its liabilities as they fall due; 3) conduct stress and scenario tests; 4) ensure that the processes, strategies and systems are both comprehensive and proportionate to the nature, scale and complexity of that firm's activities; and 5) document its ICAAP. The Company updates this assessment on a quarterly basis and the results are reviewed by the Board each quarter.

Key performance indicators

Given the scope of the business, and that the Company is a wholly-owned subsidiary of UBS AG, the Directors are of the opinion that the use of key performance indicators or other forms of performance measurement are not necessary in providing an understanding of the development, performance or position of the Company and its business for the purposes of Section 417 of the Companies Act 2006. The parent company maintains an oversight of the Company's performance under the Wealth Management business and governance management structures. The Directors continually and actively monitored the Company's regulatory capital limits during the year. There has been no change in this status since the year.

Future developments

As discussed above, the Company has transferred its ongoing business to UBS AG. The Company is in the process of exiting a small amount of remaining client assets. The Company is therefore unlikely to earn or incur any significant revenues or costs during the course of 2010.

Charitable donations and political contributions

The Company made £150 (2008 £13,900) of charitable donations during the year. None of these contributions were made for political purposes.

Directors

The names of the current Directors are shown on page 2. During the year there was no appointment to, or resignations from, the Board.

Since the year end, there has been one resignation from the Board. Mr P. L. Hall resigned as a Director of the Company on 18 March 2010.

Directors' Report

Disclosure of information to auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the group's auditor, each director has taken all the steps that he is obliged to take as a director in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

Going concern

The Company's management has made an assessment of the Company's ability to continue as a going concern and is satisfied that the Company has the resources to continue in business for the foreseeable future. Furthermore, the management is not aware of any material uncertainties that may cast significant doubt upon the Company's ability to continue as a going concern. Therefore, the financial statements have been prepared on the going concern basis.

Auditors

Ernst & Young LLP, registered auditors, have indicated their willingness to continue in office and a resolution for their reappointment will be proposed at the forthcoming annual general meeting in accordance with the provisions of Section 485 of the Companies Act 2006.

Approved by the Board of Directors on 20 April 2010 and signed on their behalf by

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

UBS Wealth Management (UK) Ltd

Independent Auditor's Report to the members of UBS Wealth Management (UK) Ltd

We have audited the financial statements of UBS Wealth Management (UK) Ltd for the year ended 31 December 2009 which comprise the profit and loss account, the balance sheet and the related notes 1 to 18. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on the financial statements

In our opinion the financial statements

- (a) give a true and fair view of the state of the company's affairs as at 31 December 2009 and of the loss for the year then ended,
- (b) have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- (c) have been prepared in accordance with the requirements of the Companies Act 2006.

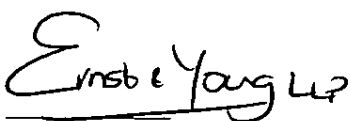

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- (a) adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- (b) the financial statements are not in agreement with the accounting records and returns; or
- (c) certain disclosures of directors' remuneration specified by law are not made; or
- (d) we have not received all the information and explanations we require for our audit.

UBS Wealth Management (UK) Ltd

**Notes to the financial statements
For the year ended 31 December 2009**

1 Accounting policies

(a) Accounting convention

The financial statements of UBS Wealth Management (UK) Ltd have been prepared under the historical cost convention and in accordance with applicable United Kingdom laws and accounting standards

(b) Financial statements

i) All unsettled transactions at the balance sheet date are included in the financial statements

ii) Commissions and all other income are taken to the profit and loss account on all transactions executed during the year to the balance sheet date

iii) Amounts due to and from counterparties are disclosed on a gross basis

iv) The Company has taken advantage of the exemption offered under section 405(2) of the Companies Act 2006 not to produce group accounts (see note 13)

v) Under the provisions of Financial Reporting Statement 1 (revised), the Company is not required to present a cash flow statement as more than ninety per cent of the voting rights are controlled within the group, into whose accounts the results of the Company are consolidated

(c) Translation of foreign currencies into sterling

Foreign currency balances outstanding at the balance sheet date are translated at the rate ruling at that date. All trading transactions are translated into sterling at the exchange rate ruling at the time of transactions. Foreign currency profits and losses arising are treated as normal items of the Company's operations and are included within the Company's profit and loss account

(d) Deferred taxation

Deferred tax is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as likely that they will be recovered

(e) Operating leases

Operating lease costs are charged to the profit and loss account on a straight-line basis over the lease terms

(f) Investments

Investments in subsidiary undertakings are stated at cost less any provision for impairment

(g) Pensions

During the year the Company was a participating employer in the UBS AG Group pension scheme

(h) UBS AG Group defined contribution scheme

The charge to the profit and loss account in respect of this scheme represents normal contributions payable in respect of the relevant period

(i) Related Parties

i) Inter Company Transactions

The Company has taken advantage of the exemption granted by Financial Reporting Standard 8 to wholly owned companies within a group not to disclose transactions with other group entities

ii) Transactions with Directors

Directors are entitled to deal in securities through UBS Wealth Management (UK) Ltd in accordance with the Company's personal account dealing rules. These provide that Directors receive the same terms as clients, except that they are entitled to reduced commission rates

(j) Revenue recognition

Revenue is recognised based on commissions earned on a trade date basis and management fees, trail commissions and other income recognised on an accruals basis

UBS Wealth Management (UK) Ltd

Notes to the financial statements
For the year ended 31 December 2009

(k) Share based payments

The Company provided various equity participation plans to employees in the form of UBS AG share plans and UBS AG share option plans. The Company recognizes the fair value of share and share option awards, determined at the date of grant, as compensation expense over the period that the employee is required to provide active services in order to earn the award. Plans containing voluntary termination non-compete provisions (i.e. good leaver clause) and no vesting conditions are considered vested in substance at the grant date because no future service is required. The related compensation expense is recognized during the performance year, which is generally the period prior to the grant date. The awards remain forfeitable until the legal vesting date if certain conditions are not met. Forfeiture of awards after the grant date does not result in a reversal of compensation expense as the related services have been received. Plans containing vesting conditions typically have a three-year tiered vesting structure which means awards vest in one-third increments over that period. Such awards may contain provisions that shorten the required service period due to retirement eligibility. In such instances, the Company recognizes compensation expense over the shorter of the legal vesting period and the period from grant to the retirement eligibility date of the employee. Forfeiture of these awards results in a reversal of compensation expense. The fair value of share awards is equal to the average UBS AG share price at the date of grant adjusted for an employee's non-entitlement to dividends during the vesting period (if applicable) and, any post-vesting sale and hedge restrictions and non-vesting conditions. The fair value of share option awards is determined by means of a Monte Carlo simulation which takes into account the specific terms and conditions under which the share options are granted. Equity settled awards are classified as equity instruments and are not remeasured subsequent to the grant date, unless an award is modified such that its fair value immediately after modification exceeds its fair value immediately prior to modification. Any increase in fair value resulting from a modification is recognized as compensation expense, either over the remaining service period or immediately for vested awards. Cash settled awards are classified as liabilities and remeasured to fair value at each balance sheet date as long as they are outstanding. Decreases in fair value reduce compensation expense, and no compensation expense, on a cumulative basis, is recognized for awards that expire worthless or remain unexercised.

Further information on the Company equity compensation plans is disclosed in Note 3(d) to the Financial Statements.
