J.L.W. SECOND NOMINEES LIMITED

**STRATEGIC REPORT
FOR THE YEAR ENDED 31 DECEMBER 2017**

Business review

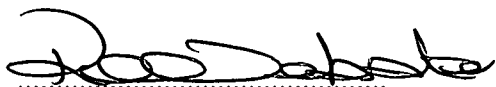

The financial position of the Company, as shown on page 5, is considered to be satisfactory by the Director.

Principal risks and uncertainties

From the perspective of the Company, the risks are integrated with the principal risks of the group and are managed in accordance with group guidelines.

In relation to the assessment and monitoring of economic, political and regulatory risks, the Company is continuing to evaluate the impact of the outcome of the 2016 referendum in relation to the UK's membership of the EU on the Company's business strategy and business risks in the short, medium and long term. In the short term there is no significant impact expected on the Company's business activities, there will be no immediate change in business strategy, and it does not affect the going concern position of the Company. Over the course of the expected two year transition period following the March 2017 notification of intention to leave the EU, the Company continues to closely monitor developments and will make appropriate changes to the business strategy once the impact on the UK and European real estate services industry is more certain.

This report was approved by the board on 18th June 2018 and signed on its behalf.

**DIRECTOR'S RESPONSIBILITIES STATEMENT IN RESPECT OF THE STRATEGIC REPORT, THE
DIRECTOR'S REPORT AND THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

The Director is responsible for preparing the Strategic Report, the Director's Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Director to prepare financial statements for each financial year. Under that law he has elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Under Company law the Director must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Director is responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. He is responsible for such internal control as he determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to him to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

J.L.W. SECOND NOMINEES LIMITED

**INCOME STATEMENT
FOR THE YEAR ENDED 31 DECEMBER 2017**

The Company has not traded during the year or the preceding financial year. During these periods, the Company received no income and incurred no expenditure and therefore made neither profit or loss.

The notes on pages 7 to 9 form part of these financial statements.

J.L.W. SECOND NOMINEES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The functional and presentation currency of these financial statements is pound sterling, rounded to the nearest pound.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 2).

The following principal accounting policies have been applied:

1.2 Financial reporting standard 102 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.41(b), 11.41(c), 11.41(e), 11.41(f), 11.42, 11.44 to 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirements of Section 26 Share-based Payment paragraphs 26.18(b), 26.19 to 26.21 and 26.23;
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Jones Lang LaSalle Incorporated as at 31 December 2017 and these financial statements may be obtained from Jones Lang LaSalle Incorporated, 200 East Randolph Drive, Chicago, Illinois 60601, USA.

1.3 Going concern

The financial statements have been prepared on the going concern basis which the Director believes to be appropriate for the following reasons:

- The Director assessed the Company's financial position, and he has a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future;
- There are no material uncertainties related to events or conditions that may cast significant doubt about the ability of the Company to continue as a going concern.

On the basis of his assessment the Director believes that it remains appropriate to prepare the financial statements on a going concern basis.

J.L.W. SECOND NOMINEES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

1. Accounting policies (continued)

1.4 Financial instruments

The Company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However, if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Income statement.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the Company would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the Statement of financial position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2. Judgements in applying accounting policies and key sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Director has not made any judgements in the process of applying the accounting policies that have a significant effect on the amounts recognised in the financial statements other than already disclosed in the notes to the accounts or made any key assumptions concerning the future and any other key sources of estimation uncertainty at the reporting date, that have a significant risk of resulting in material adjustments to the carrying amounts of assets and liabilities within the next financial year.
