TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their annual report together with the audited financial statements of the Charity for the 1 April 2020 to 31 March 2021. The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Objectives and activities

a. Policies and objectives

The objectives of the charity are:

The Grimsthorpe Estate, South Lincolnshire, is centred on a Grade 1 listed mansion of great architectural and historical importance and its important 17th century designed parkland which includes two hundred acres of Sites of Special Scientific Interest of outstanding entomological and botanical interest, and is listed as Grade 1 within the National Register of Parks and Gardens. The Estate includes over two hundred dwelling houses and other buildings (many of which are listed) grouped in three villages, with over twelve thousand acres of farmland and woodland. The Directors of the Trust give equal weight, on the one hand to offering the public the opportunity to visit the house with its historic collection and the surrounding parkland and, on the other, to preserving Grimsthorpe as a traditional Lincolnshire estate.

At Drummond Castle, Perthshire, the aspect of the greatest public interest is the nineteenth century formal parterre, which forms part of a ten acre terraced garden, dating back to the 17th century. The gardens are of international importance and are listed Category A. The Keep and mansion are of historic importance in their own right and form part of the architectural structure of the garden. The Drummond collection is now all stored or housed in the mansion. The part in store is available for research purposes while that which is housed is available to specialist groups by arrangement. Both the formal and kitchen gardens are open to visitors daily during the summer.

Income from the property, the Investment Fund and other investments is used to preserve and improve Grimsthorpe and Drummond Castles, their contents and surroundings for the public benefit.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

The charity's main objectives for the year once again centred on the maintenance and conservation of the two Castles, their collections and surroundings. Work identified in the Park Management Plan to further enhance and conserve both natural and built features in Grimsthorpe Park was planned and executed.

At Drummond, routine conservation and maintenance work to the Castle has continued. A significant proportion of the West facing slate roof was repaired, along with the associated lead work to the crows steps. The Queen's dressing room, maids quarters and the Charles X bedroom was reinstated following the completion of the dry rot remedial work.

Dry rot monitoring equipment has been installed to provide on-going monitoring for water ingress and further dry rot outbreaks.

Objectives and activities (continued)

c. Staff

A Castle Manager was appointed for Drummond Castle and Visitor/Marketing Lead appointments were filled at Grimsthorpe in preparation for the 2021 Public Access open season.

Health and safety issues at both Estates are kept under review by outside consultants and through a programme of regular meetings with staff. The minutes of these meetings are reviewed by the Trustees. By this means the Trust aims to comply with current legislation throughout the whole range of activities on both estates and in accordance with the Trust's policy.

d. Main activities undertaken to further the Charity's purposes for the public benefit

In planning the Trust's activities the Trustees take into account the Charity Commission's general guidance on public benefit and feel that through the conservation work carried out throughout both estates, the ongoing enhancement of public access facilities and by loans to exhibitions, the Trust's obligations are met. However due to the government restrictions imposed as a result of the Covid-19 Pandemic, both Castles and Gardens remained closed through the reporting period.

Achievements and performance

a. Main achievements of the Charity and review of activities

During the year the charity furthered its objectives to preserve and improve the Grimsthorpe and Drummond Castle Estates and to enhance the public benefits which they provide, by the following means:

Grimsthorpe Castle – Maintenance

Modernisation of the electrical circuit boards continues inside the Castle. A full roofing report has been produced and identified a schedule of required works which will be implemented in due course. A comprehensive refurbishment of fragile stonework has been implemented and is progressing well. The Castle Manager has provided a strategy to reduce insect life within the Castle as well as reduce winter vermin encroachments.

Grimsthorpe Castle – Collection

Temple Studios carried out conservation work on various items both at their workshop and in situ at the Castle, including two ormolu-mounted Boulle clocks, a gilded stand, two gilded side tables and an ormolu-mounted porcelain ewer.

Texterity continued conservation work on the textile collection including a collection of Palestinian headdresses. Caroline Bain conserved various books in the Library, including the bindings of leather photo albums and cloth-backed books.

Hannah Weston-Smith made new loose covers for the pair of Howard chairs in the Vanburgh Hall. A painting of the Rev. Charles Bertie was conserved by the Hamilton Kerr Institute.

There were no loans or purchases during the year.

b. Main achievements of the Charity and review of activities (continued)

Grimsthorpe Castle – Gardens

A conservation management plan has been submitted to Historic England as part of the on-going repair work to the Old Walled Garden walls which are eroded by ivy and poor foundations. Box blight is an ongoing problem and a vigorous spraying programme is in place. The Statues have been assessed, and a programme of refurbishment has commenced including the provision of protective winter covers.

Grimsthorpe Park

A programme of Ash tree felling commenced as a result of the Ash Die Back disease, which will continue going forward reacting where necessary. A section of Grimsthorpe Lake has been dredged as part of a two year project, with the second phase due to commence in April 2022 in accordance with the wildlife licencing prescriptions.

Public Access

The government restriction imposed as a result of the Covid-19 Pandemic meant that both Castles and Gardens remained closed through the reporting period.

Drummond Castle

Drummond Castle Repairs have been predominately driven by the need to eradicate and monitor any outbreaks of dry rot and water ingress. The West facing roof works have been completed and whilst the garden were closed to the public the opportunity to repair the garden steps and statues. Major works to repair the Warrior Statue are planned during the 2021/22 financial year.

Drummond Castle Gardens

The gardens are constantly being treated for box blight and progress is being made to halt its spread. Investment has been made into Robotic Mowers during the pandemic to increase garden efficiency and enable labour to be redistributed elsewhere.

The gardens were closed during the reporting period due to Covid 19 restrictions.

c. Investment policy and performance

Under the Memorandum and Articles of Association, the charity has the power to invest in any way that the Trustees see fit. The policy of the Trustees is to preserve the real value of the investment portfolio, after allowing for the annual withdrawal of income and capital if justified by investment returns and approved by the Trustees. Sufficient liquidity is maintained so that, together with assured income, funds are available for the cash requirements for the Estates for at least one year.

Most of the Trust's financial assets are held in funds managed by investment managers and no constraints are imposed on the managers to take account of social, environmental or ethical considerations.

Financial review

a. Going concern

During the year and subsequent to the year end, the UK has experienced a pandemic of the coronavirus. The potential effects to the charity and its future prospects cannot be fully quantified but the Trustees remain committed to the protection of the charity. This is being regularly reviewed by the directors. In addition the directors are mindful of the significant ongoing support being offered by the Government. Accordingly the financial statements have been prepared on a going concern basis.

b. Reserves policy

It is the Trustees' intention in the short term to use all income from the charity's investments and activities to further the aim of the charity. A sufficient proportion of the investment fund is maintained in a liquid form so that it is available to meet any shortfall in income that may result from short term economic factors.

The total reserves of the charity at 31 March 2021 amounted to £41,747,084 (2020 £38,535,492). Of the reserves, £3,521,852 were considered free reserves in the general fund account of the charity (2020 £786,023). The nature of the charity's assets and activities means that future spending is difficult to anticipate and a notional figure of £100,000 has been agreed as the minimum level of free reserves of the charity on the basis that would enable the charity to continue with all essential costs in the case of a short term emergency. The charity has substantial assets, and the trustees have the power to convert the expendable endowment of £2,464,966 to unrestricted income as they see fit for the continued operation of the charity. In addition, the trust holds a large collection of land, property and art which is being used by the trustees and management to generate income for the ongoing operation of the charity. The trustees consider the current level of reserves held by the charity to be sufficient for its continued operation.

c. Principal funding

Total incoming resources amounted to £2,556,591 (2020: £2,941,578) while total resources expended were £2,823,789 (2020: £3,412,857). This resulted in an overall deficit before investment gains/losses of £267,198 (2020: £471,379 deficit). Included within total incoming resources were profits on the disposal of assets totalling £2,000 (2020: £750).

A net gain on disposal of investments during the year and revaluation of the remaining portfolio as at the year end amounted to a gain of £3,478,790 (2020: £150,001). This left an overall positive net movement on funds which is reflected in the increased total net assets of the balance sheet at the year end; being £41,747,084 (2020: £38,535,492).

Structure, governance and management

a. Constitution

Grimsthorpe & Drummond Castle Trust Limited is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association dated 09/03/1978, but subsequently modified on 14 December 2005.

Structure, governance and management (continued)

The principal objects of the Charity are the preservation and enhancement, for the public benefit, of Grimsthorpe Castle in Lincolnshire and Drummond Castle in Perthshire and their gardens and parkland together with the collections of art, furniture and the family and estate archives associated with the properties.

Following an application to the Office of the Scottish Charity Regulator it has been confirmed that the company complies with Scottish Charity legislation. On 1 March 2008 notification was received that the charity would be entered on the Scottish Charity Register with the Charity No. SC039364. The company continues to be registered as a charity with the Charity Commission of England and Wales, registration number 507478.

b. Methods of appointment or election of Trustees

There shall be not less than five and not more than nine Trustees and shall consist of the following:

- i) one person who for the time being is entitled to the name, style and dignity of the Barony of Willoughby de Eresby, if willing to act as a Director, or such person as he/she may appoint in writing;
- ii) subject to the prior approval of the Board, a nominee of the Barony of Willoughby de Eresby; two persons selected by the Board from those individuals nominated to be members of the Council; and
- iii) such other persons that may be elected from time to time by the Board, after consultation with the Council

c. Organisational structure and decision-making policies

The Board of Trustees are responsible for the management and finances of the Charity. They are assisted by the Council, previously called the Advisory Committee, who provide general and technical guidance on matters of relevance to the Charity.

The Board of Trustees administers the Charity. The Board meets quarterly.

The Managing Director is appointed by the Trustees to manage day to day operations of the Charity. He has delegated authority in line with policies established by the Trustees for operational matters including finance, property management and employment issues.

d. Policies adopted for the induction and training of Trustees

Trustees are selected on the basis of their specialist skills and knowledge of relevance to the Trust's broad activities. New Trustees are briefed on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the charity structure and decision making processes, recent activities and financial performance and future plans.

e. Pay policy for key management personnel

A job evaluation and standardisation process was completed in the year. As a result of this review pay and responsibilities were reviewed by the Managing Director and Board of Trustees. Decisions made regarding the pay of the key management personnel are made independently by the Board of Trustees and minuted as such.

f. Related party relationships

The charity operates independently and does not collaborate to a significant degree with other charities or bodies. Appropriate disclosures of transactions with charities and organisations have been incorporated into these financial statements.

g. Financial risk management

The Trustees have identified the risks to which the charity is exposed and reviews these annually. The most significant risks predominantly relate to staff issues, fire, health and safety and food hygiene. Because of the level and diversity of the company's capital resources the potential for financial risk is limited.

Plans for future periods

The Trustees will continue to seek to further the Trust's objectives to preserve and improve the Grimsthorpe and Drummond Castle Estates. At Grimsthorpe Castle the programme of stonework conservation, electrical upgrading and the implementation of the roof maintenance programme will continue. Work is ongoing in the Old Walled Garden at Grimsthorpe in order to stabilise the walls. A new car park has been constructed at Grimsthorpe as part of a phased approach to reinvigorate the visitor experience offering. Works to construct an Art Gallery, new ticket office, Café and gift shop are planned to commence during 2021.

Work to construct a new West flat roof and refurbishment of the South Collyweston roof are due to commence as a major project during 2021. This project will ensure the fabric of the building is preserved and curtails the ingress of water.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2021

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report including the Strategic Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Streets Audit LLP, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GRIMSTHORPE & DRUMMOND CASTLE TRUST LIMITED

Opinion

We have audited the financial statements of Grimsthorpe & Drummond Castle Trust Limited (the 'charity') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GRIMSTHORPE & DRUMMOND CASTLE TRUST LIMITED (CONTINUED)

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's

GRIMSTHORPE & DRUMMOND CASTLE TRUST LIMITED
(A Company Limited by Guarantee)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GRIMSTHORPE & DRUMMOND CASTLE TRUST LIMITED (CONTINUED)

ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management, and from our commercial knowledge and experience of the company and sector in which it operates;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, taxation legislation, data protection, anti-bribery, employment, environmental and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

<p style="text-align: center;">GRIMSTHORPE & DRUMMOND CASTLE TRUST LIMITED (A Company Limited by Guarantee)</p>
--

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GRIMSTHORPE & DRUMMOND CASTLE TRUST LIMITED (CONTINUED)

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in Note 1 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.
- performed physical verification of a sample of the Art Collection to gain assurance over controls in place for asset management of the collection.
- reviewed Trustee meeting minutes for evidence of appropriate decision-making and management controls.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with HMRC, relevant regulators and the company's legal advisors.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members and Trustees those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

1. General information

As set out in the Trustee's report, Grimsthorpe & Drummond Castle Trust Limited is an incorporated registered charity in England & Wales. The principal office of the charity is Grimsthorpe Estate Office, Grimsthorpe, Bourne, PE10 0LY.

The principal objective of the charity is set out in the Trustees' report.

These financial statements have been prepared in sterling, which is the functional currency of the charity.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Grimsthorpe & Drummond Castle Trust Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

During the year and subsequent to the year end, the UK has experienced a pandemic of the Coronavirus. The potential effects to the charity and its future prospects cannot be fully quantified but the trustees remain committed to the protection of the charity. This is being regularly reviewed by the trustees. In addition the trustees are mindful of the significant ongoing support offered by the UK Government. Accordingly the financial statements have been prepared on a going concern basis.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives.

Depreciation is provided on the following bases:

Land & Buildings	- Nil
Plant, vehicles & equipment	- 5% or 20% Straight line
Collection of Art & Furniture	- Nil

GRIMSTHORPE & DRUMMOND CASTLE TRUST LIMITED (A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.8 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

Investments in subsidiaries are valued at cost less provision for impairment.

2.9 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.11 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.13 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

2. Accounting policies (continued)

2.14 Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

2.15 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

17. Statement of funds (continued)

Unrestricted funds

General Funds- The unrestricted reserves of the charity.

Endowment funds

Endowment (Permanent)- funds held indefinitely by the charity for the purpose of generating income.

Investment (Expendable)- funds held in the investment portfolio by the charity for the purpose of generating income which can be converted into income at the discretion of the charity trustees.

Restricted funds

Collection Management Reserve 2005- being funds held specifically for the future management of the collection. This was originally represented by 350,308.61 treasury stock units in addition to accumulated income from these units. The original donor, Lady Willoughby, requested that the proceeds of the sale of a painting be held initially to generate income and preserve the collection. During the year ended 31 March 2019, it became clear that the restriction of a specific number of units was an inappropriate way to designate funds, and with the agreement of the original donor and the current board of trustees an amount of £500,000 was transferred to a separate investment holding, restricted as an original cost rather than tied to unit numbers.

Collection Management Reserve- The reserve also now includes funds generated from the sale of the Lucian Freud painting, "Night Portrait" which are to be used for the preservation and development of the Grimsthorpe Estate. Costs in relation to the upkeep of the castle artworks have been transferred from this fund in the year, in addition to costs relating to the North Avenue Gates and in development of the Grimsthorpe Gallery.

Gallery Construction- The reserve has been created to reflect the value of expenditure undertaken to date in constructing the Gallery and Car Park. These costs for the gallery are currently prepaid on the basis that the project was in the early stages of development at the year end. The costs for the car park are included in fixed assets additions. In due course the costs will form part of the capital asset of the gallery which will be treated as restricted and part of the Collection Management Reserve.

Public Access Passenger Vehicle- the restricted asset; lift safe passenger vehicle with the annual depreciation charges allocated to reduce the funds in line with the reduction of the net book value of the vehicle. This reached a nil value at 31 March 2019.

25. Operating lease commitments

At 31 March 2021 the Charity had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2021 £	2020 £
Not later than 1 year	<u>148</u>	<u>210</u>

26. Related party transactions

Trustees may from time to time make donations to the charity. Normally no conditions are attached to these gifts.

Lady Willoughby de Eresby is a Director of Ancaster Estates, a Company which is a tenant of Grimsthorpe & Drummond Castle Trust Limited. All transactions between the Landlord and Tenant are carried out on a normal arms-length commercial basis, Independent Valuers and Agents being used where appropriate. In addition at Drummond, Drummond Estates (Lady Willoughby de Eresby trading as) has been contracted to carry out a small amount of maintenance work and provide services to the Company, all such work being charged on a commercial basis. This was immaterial during the year. The rents charged to Ancaster Estates in the year were £208,200 in respect of Grimsthorpe Castle Farm Rent (2020: £208,200) and £8,250 in respect of Drummond Castle Policy Park (2020: £8,250). Lady Willoughby de Eresby (trading as Drummond Estates) was also a tenant of Grimsthorpe & Drummond Castle Trust Limited in respect of cottages and shooting in Drummond Park, the annual rent being £2,910 (2020: £2,910).

Lt. Col S St. M Miller was employed by the Trust as managing director for the year ended 31 March 2021. Full disclosure has been made in the staff costs section of the financial statements. In addition, the wife and daughter of Lt. Col S St M Miller were employed by the Trust. Mrs E Miller was remunerated for her role as archivist for the Trust and was paid within the banding of £20,000-£25,000 (2020: £20,000-£25,000). Ms H Miller was remunerated for her role as an employee of the Trust and was paid within the banding £10,000-£15,000 (2020: £0-£5,000).

Harry Coups, a land agent from Savills who is responsible for the management of many of the charity's properties and tenancies, has an interest in the Clay Pigeon Shooting Clubhouse. Harry Coups has had no involvement with the management of this tenancy or with any transactions the charity has with the property (which are all conducted on an arms length basis). This is as discussed by the trustees prior to the commencement of his engagement with the trust.

At the end of the year the following amounts were owed to/(from) Grimsthorpe & Drummond Castle Trust Limited, all of which were subsequently settled:

Ancaster Estates- debtors of £111,303 (2020: debtors of £112,959) and creditors of £1,677 (2020: £375).
Drummond Estates- debtors of £500 (2020: debtors of £1,386) and creditors of £18,669 (2020: £35,789)
