1. ACCOUNTING POLICIES

Basis of preparing the financial statements

Having considered the future trading prospects of the company, and the cash resources available, the director is of the opinion that the financial statements should be prepared on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- Nil
Plant and machinery	- 25% on reducing balance and 15% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Current asset investments

Current asset investments which are listed on recognised stock exchanges are stated at year end market value . Current asset investments which are unlisted are stated at cost less provisions for reductions in value.

Joint venture

Costs appertaining to the joint venture are capitalised in the year in which they are incurred.
