2.3 Floating charge

- (a) The Chargor charges by way of a first floating charge all its assets in respect of the Designated Collateral Account not otherwise effectively charged by way of fixed charge under this Clause 2 (Creation of Security).
- (b) Except as provided below, the Collateral Taker may by notice to the Chargor convert the floating charge created by this Clause into a fixed charge as regards any of the Chargor's assets specified in that notice if (i) the Chargor breaches any term of this Deed or the Credit Agreement and such breach is continuing or (ii) the Collateral Taker reasonably considers those assets to be in danger of being seized or sold under any form of distress, attachment, execution or other legal process or to be otherwise in jeopardy.

- (c) The floating charge created by this Clause may not be converted into a fixed charge solely by reason of: (i) the obtaining of a moratorium; or (ii) anything done with a view to obtaining a moratorium, under Part A1 of the Insolvency Act 1986 other than in respect of any floating charge referred to in subsection (4) of section A52 of Part A1 of the Insolvency Act 1986.

- (a) The Collateral Taker may set the Credit Balance off against all or any part of the Secured Liabilities that are due for payment regardless of the place of payment, booking branch or currency of either obligation. This is in addition to any rights conferred by law. The Collateral Taker must promptly notify the Chargor of any set-off that has been made.
- (b) For the purpose of exercising any right of set-off, if all or any part of the Credit Balance and the Secured Liabilities are in different currencies, the Collateral Taker may convert either amount at a market rate of exchange in its usual course of business for the purpose of the set-off.

2.5 Flawed asset

The Chargor has no right to demand repayment of any part of the Charged Debt during the Security Period provided that the Chargor may request or demand repayment of all or any part of the Charged Debt that exceeds the collateral amount required to be held by the Chargor under the Credit Agreement or that will be used to repay Secured Liabilities.

3. RESTRICTIONS ON DEALINGS

Except with the prior written consent of the Collateral Taker, the Chargor shall not:

- (a) create or permit to subsist any security or any third party interest over or in the Charged Debt; or

The Chargor represents and warrants to the Collateral Taker that:

- (a) it is the sole legal and beneficial owner of the Charged Debt;
- (b) the Charged Debt is free from any security (except for any security created by or pursuant to this Deed) and any other rights or interests in favour of third parties; and

- (c) this Deed creates the security it purports to create and is not liable to be avoided or otherwise set aside on its liquidation or administration or otherwise.

4.2 The Chargor acknowledges that the Designated Collateral Account is subject to The Bank of New York Mellon Treasury Services Global Terms of Account or The Bank of New York Mellon Treasury Services Global Banking Agreement between the Collateral Taker and the Chargor dated 16 March 2021 as amended from time to time and that if there is any discrepancy between such agreement and this Security Document, the terms of this Security Document shall prevail.

4.3 Times for making representations

- (a) The representations and warranties in this Deed (including in this Clause 4) are made by the Chargor on the date of this Deed.
- (b) The representations and warranties under this Deed are deemed to be made by the Chargor by reference to the facts and circumstances then existing on each date during the Security Period.

6.2 Discretion

After this Security has become enforceable, the Collateral Taker may enforce all or any part of this Security in any manner it sees fit.

7. ENFORCEMENT OF SECURITY

- (a) For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due and payable on the date of this Deed.
- (b) Section 103 of the Act (restricting the power of sale) and section 93 of the Act (restricting the right of consolidation) do not apply to this Security.

7.2 Privileges

The Collateral Taker is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers duly appointed under the Act, except that Section 103 of the Act does not apply.

7.3 Contingencies

If this Security is enforced at a time when no amount is due under the Finance Documents but at a time when amounts may or will become due, the Collateral Taker may pay the proceeds of any recoveries effected by it into a suspense account or other account selected by it.

8. APPLICATION OF PROCEEDS

All amounts from time to time received or recovered by the Collateral Taker pursuant to the terms of this Deed or in connection with the realisation or enforcement of all or any part of this Security shall be held by the Collateral Taker and applied in the following order of priority:

- (a) in or towards payment of or provision for the Secured Liabilities in accordance with the terms of the Credit Agreement; and
- (b) in payment of the surplus (if any) to the Chargor or other person entitled to it.

This Clause 8 is subject to the payment of any obligations mandatorily preferred by law applying to companies generally having priority over this Security. This Clause 8 does not prejudice the right of the Collateral Taker to recover any shortfall from the Chargor.

9. EXPENSES AND INDEMNITY

The Chargor shall:

- (a) promptly on demand, pay to the Collateral Taker the amount of all costs and expenses (including reasonable legal fees) incurred by the Collateral Taker in connection with this Deed including any arising from any actual or alleged breach by any person of any law or regulation; and
- (b) keep the Collateral Taker indemnified against any failure or delay in paying those costs or expenses.

10. MISCELLANEOUS

10.1 Continuing Security

This Security is a continuing security and shall extend to the ultimate balance of the Secured Liabilities regardless of any intermediate payment or discharge in whole or in part.

10.2 Tacking

The Collateral Taker shall perform its obligations under the Credit Agreement (including any obligation to make available further advances).

10.3 New Accounts

- (a) If any subsequent charge or other interest affects the Charged Debt, the Collateral Taker may open a new account with the Chargor.
- (b) If the Collateral Taker does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.

- (c) As from that time all payments made to the Collateral Taker will be credited or be treated as having been credited to the new account and will not operate to reduce any Secured Liability.

10.4 No liability

- (a) The Collateral Taker shall not be liable for any loss of any kind resulting from the exercise of its rights under this Deed to apply the Credit Balance to the Secured Liabilities.
- (b) When the Collateral Taker applies any part of the Credit Balance against any of the Secured Liabilities it may break any fixture period for interest payments which applies to the Credit Balance or any part of it and the Chargor will be responsible for all breakage and other costs resulting from breaking that fixture.

10.5 Notice of charge

- (a) The execution of this Deed by the Collateral Taker and the Chargor shall constitute notice to the Collateral Taker of the charge created by this Deed over the Designated Collateral Account and the Credit Balance.

11. RELEASE

At the end of the Security Period, the Collateral Taker shall, at the request and cost of the Chargor, take whatever action is reasonably necessary to release the Designated Collateral Account and the Charged Debt from this Security.
