5.4 Future Acquisitions and Legal Mortgage:

Other than in respect of Excluded Assets, each Chargor shall:

- (a) notify the Security Trustee immediately on the acquisition by it of any freehold, heritable or leasehold or other interest in property or of any property held under a lease or sub-lease (and for the purposes of this Clause 5.4 the date of exchange of contracts for such an acquisition shall be deemed to be the date of acquisition);
- (b) at its cost execute and deliver to the Security Trustee on demand a legal mortgage or, in the case of property located in Scotland or otherwise governed by Scots law, a standard security and/or an assignation of rents in favour of the Security Trustee of any freehold, heritable or leasehold or other interest in property or of any property held under a lease or sub-lease which becomes vested in it after the date of this Deed; and
- (c) in any event, if applicable, give The Land Registry written notice of this Deed and procure that notice of it be duly noted in the Registers to each such title.

5.5 Security Shares

- (a) Each Chargor on entry into this deed shall deposit with the Security Trustee, or as the Security Trustee may reasonably direct, all bearer instruments, share certificates and other documents of title or evidence of ownership in relation to the Group Shares owned by it or in which it has or acquires an interest and their Related Rights and shall execute and deliver to the Security Trustee all such share transfers and other documents as the Security Trustee requests in order to enable the Security Trustee or its nominees to be registered as the owner or otherwise to obtain a legal title to the same and, without limiting the generality of the foregoing, shall deliver to the Security Trustee on the date of this deed executed share

transfers for all Group Shares in favour of the Security Trustee and/or its nominee(s) as transferees or, if the Security Trustee so directs, with the transferee left blank and shall procure that all such share transfers are at the request of the Security Trustee forthwith registered by the relevant company and that share certificates in the name of the Security Trustee and/or such nominee(s) in respect of all Group Shares are forthwith delivered to the Security Trustee.

- (b) Each Chargor shall provide the Security Trustee with certified copies of all resolutions and authorisations approving the execution of such transfer forms and registration of such transfers as the Security Trustee may reasonably require.
- (c) The Security Trustee and its nominee may at any time following an Event of Default is continuing exercise or refrain from exercising (in the name of the relevant Chargor, the registered holder or otherwise and without any further consent or authority from each Chargor and irrespective of any direction given by any Chargor) in respect of the Security Shares any voting rights and any powers or rights under the terms of the Security Shares or otherwise which may be exercised by the person or persons in whose name or names the Security Shares are registered or who is the holder thereof, including all the powers given to trustees by the Trustee Act 2000 PROVIDED THAT in the absence of notice from the Security Trustee each Chargor may and shall continue to exercise any and all voting rights with respect to the Group Shares subject always to the terms of this Deed. No Chargor shall without the previous consent in writing of the Security Trustee exercise the voting rights attached to any of the Group Shares in favour of resolutions if such resolution has the effect of changing the terms of the Group Shares (or any class of them) or any Related Rights or prejudicing the security under this Deed or impairing the value of the Security Shares. Each Chargor hereby irrevocably appoints the Security Trustee or its nominees as proxy to exercise (as provided in or permitted by this Deed) all voting rights so long as the Group Shares belonging to it remain registered in its name.
- (d) Each Chargor during the continuance of this security will make all payments which may become due in respect of any of the Security Shares and, in the event of default in making any such payment, the Security Trustee may if it thinks fit make such payment on behalf of each Chargor. Any sums so paid by the Security Trustee or any other Secured Party shall be repayable by the relevant Chargor to the Security Trustee on demand and pending such repayment shall constitute part of the Secured Obligations.
- (e) It is expressly agreed that, notwithstanding anything to the contrary contained in this Deed, each Chargor shall remain liable to observe and perform all of the conditions and obligations assumed by it in respect of the Security Shares and the Security Trustee shall not be under any obligation or liability by reason of or arising out of the security over the Security Shares conferred by this Deed. The Security Trustee shall not be required in any manner to perform or fulfil any obligation of any Chargor in respect of the Security Shares, or to make any payment, or to receive any enquiry as to the nature or sufficiency of any payment received by them, or to present or file any claim or take any other action to collect or enforce the payment of any amount to which they may have been or to which they may be entitled under this Deed at any time or times.
- (f) Following an Event of Default the Security Trustee shall be entitled to put into force and exercise immediately as and when it may see fit any and every power possessed by the Security Trustee by virtue of the security over the Security Shares conferred by this Deed or available to a secured creditor (so that sections 93 and 103 of the Law of Property Act 1925 shall not apply to this security) and in particular (without limitation):
 - (i) to sell all or any of the Security Shares in any manner permitted by law upon such terms as the Security Trustee shall in its absolute discretion determine;

- (ii) to collect, recover or compromise and give a good discharge for any monies payable to any Chargor in respect of the Security Shares or in connection therewith; and
- (iii) to act generally in relation to the Security Shares in such manner as the Security Trustee acting reasonably shall determine.

Each Chargor agrees that the enforceability of the security over the Security Shares conferred by this Deed is not dependent on the performance or non-performance by the Security Trustee of its obligations under any agreement with any Chargor.

- (g) Immediately on conversion of any of the Group Shares from certificated to uncertificated form, and on the creation or conversion of any other securities which are for the time being comprised in the Security Shares in or into uncertificated form, the relevant Chargor shall give such instructions or directions as the Security Trustee may require in order to protect or preserve its security.
- (h) Each Chargor shall, immediately upon receipt of any certificate or other document evidencing any entitlement to further Security Shares, deposit it with the Security Trustee together with such share transfer forms in blank and other documents as the Security Trustee may require.

5.6 Intellectual Property

- (a) Save to the extent permitted by clause 19.8 (*Intellectual Property*) of the Facility Agreement and without prejudice to Clause 13 (*Further Assurances*), each Chargor shall at its own expense promptly execute any document and do all assurances acts and things as the Security Trustee may require to procure that the security created by this Deed over the Intellectual Property specified in Part I of Schedule 6 (*Scheduled Intellectual Property*) is recorded as soon as possible by the Security Trustee in each register in each jurisdiction in which any such Intellectual Property is registered.
- (b) Without prejudice to Clause 13 (*Further Assurances*), if after the date of this Deed, any Chargor (i) proposes to register any existing Intellectual Property right in any register in which it is not already identified as being registered in or (ii) proposes to apply to register any Intellectual Property right not existing on the date of this Deed, such Chargor shall notify the Security Trustee and, if the Security Trustee so requires and promptly notifies the Chargor, such Chargor shall ensure that application is made for the security created by this Deed to be recorded, and that any such security is recorded, at the same time as the application or registration (as the case may be) of such Intellectual Property.
- (c) Each Chargor will make registrations and pay all registration fees and taxes necessary to maintain the Intellectual Property in full force and effect and record its interest in that Intellectual Property where failure to do so is reasonably likely to have a Material Adverse Effect.
- (d) Each Chargor will take such steps as are necessary (including the institution of legal proceedings) to police its Intellectual Property in any territories which are material to its business to ensure proper use of them and to prevent third parties infringing them and take such other steps as are reasonably practicable to maintain and preserve its interests in its Intellectual Property including applying to register any interests therein in any relevant register.
- (e) No Chargor will use or permit the Intellectual Property to be used in a way or take any step or omit to take any step in respect of that Intellectual Property which may materially and adversely affect the existence or value of the Intellectual Property or imperil the right of any Obligor to use such property where such use, permission to use or omission is reasonably likely to have a Material Adverse Effect.

- (f) No Chargor shall, without the prior written consent of the Security Trustee, permit any of its Intellectual Property which is registered or subject to an application for registration and which is necessary for the operations of the Group to be abandoned or cancelled, to lapse where failure to do so is reasonably likely to have a Material Adverse Effect.
- (g) No Chargor shall, without the prior written consent of the Security Trustee, sell, transfer, license or otherwise dispose of any Intellectual Property save to the extent permitted by clause 19.10 (*Disposals*) of the Facility Agreement.
- (h) Without prejudice to Clause 5.6(b), if any Intellectual Property which a Chargor believed was owned wholly within the Group (other than any Intellectual Property that is owned by a member of the Group that is party to the Security Agreement) is not owned only by one or more of the Chargors, the Company shall procure that such Intellectual Property is brought within the scope of the security created by this Deed by ensuring that such Intellectual Property is transferred to a Chargor or by requiring the owning entity or entities to enter into a Deed of Accession as provided for in Clause 13.2 (*Further Subsidiaries*).

5.7 Equipment

- (a) If and to the extent required as a condition precedent under the Facility Agreement, forthwith after the date of this Deed, each Chargor shall attach to a visible part of each item of Specified Equipment owned by it and with a value in excess of £10,000 in a permanent manner a clear and distinctive label, no smaller than 3 inches by 4 inches in size comprising the following notice: "This piece of Equipment is subject to a first legal mortgage in favour of DLP Holdings S.à r.l. and may not be removed or sold without their prior written consent."
- (b) Each Chargor shall keep its Equipment in good repair, working order and condition and fit for its purpose and shall not permit the same to be handled other than by persons properly qualified and trained or to be overloaded or to be used for any purpose for which the Equipment is not designed or reasonably suitable.
- (c) No Chargor will, without the prior written consent of the Security Trustee, make any modification or permit any modification to be made to the Specified Equipment if the effect of such modification may be to reduce the value of the Specified Equipment.
- (d) No Chargor will permit or procure any Specified Equipment to be taken out of England and Wales without the prior written consent of the Security Trustee and then subject only to such further terms (including the creation of security and provision of a satisfactory legal opinion in relation to that new security) as the Security Trustee may require.
- (e) Subject to clause 19.3 (*Taxation*) and clause 19.17 (*Insurance*) of the Facility Agreement, each Chargor will promptly pay all taxes, fees, licence duties, registration charges, insurance premiums and other outgoings in respect of the Premises and the Equipment and on demand produce evidence of such payment to the Security Trustee.
- (f) Each Chargor will obtain all authorisations from time to time required for the use and operation of the Equipment and not to do or permit to be done any act or omission whereby the Equipment or the use of it would contravene regulations for the time being in force.
- (g) Each Chargor will forthwith notify the Security Trustee of any loss, theft, damage or destruction to the Specified Equipment.
- (h) Each Chargor will give the Lender such information concerning the location, condition, use and operation of the Specified Equipment as the Security Trustee may require and to permit any persons designated by the Lender at all reasonable times to inspect and examine the Specified Equipment and the records maintained in connection with it.

- (i) Each Chargor will ensure that the Premises are suitable for the use or storage of the Specified Equipment, and will keep the Specified Equipment at the Premises.
- (j) Each Chargor will procure in favour of the Security Trustee from any person with a proprietary interest or encumbrance (including any owner, leaseholder or chargee) in any real or personal property to which the Specified Equipment might become affixed, or with which title to the Specified Equipment might merge, an acknowledgement prior to such fixing or merger that their rights and remedies will only be exercised subject to the Security Trustee's rights in the Specified Equipment and, in particular, but without limitation to the generality of the foregoing, the right of the Security Trustee, its delegates or agents to enter upon any such property to remove the Specified Equipment notwithstanding that it might be affixed to, or have merged with, any real or personal property.

If requested by the Security Trustee, each Chargor shall promptly notify HM Revenue and Customs of the fixed charges created pursuant to Clause 2.1(b)(ix).

5.9 People with Significant Control regime

Each Chargor shall (and shall ensure that each other member of the Group will):

- (a) within the relevant timeframe, comply with any notice it receives pursuant to Part 21A of the Companies Act 2006 from any company incorporated in the United Kingdom whose shares are the subject of Security Interests in favour of the Security Trustee; and
- (b) promptly provide the Security Trustee with a copy of that notice.

6. When Security Becomes Enforceable

The security constituted by this Deed shall become immediately enforceable and the power of sale and other powers conferred by section 101 of the Law of Property Act 1925, as varied or amended by this Deed, shall be immediately exercisable upon and at any time after the service of a notice under clause 20.19 (*Acceleration*) of the Facility Agreement. During that period, the Security Trustee may in its absolute discretion enforce all or any part of the security in any manner it sees fit.

7. Enforcement of Security

7.1 General

- (a) For the purposes of all powers implied by statute, the Secured Obligations are deemed to have become due on the date of this Deed.
- (b) Section 103 of the Law of Property Act (restricting the power of sale) and section 93 of the Law of Property Act 1925 (restricting the right of consolidation) do not apply to the security constituted by this Deed.
- (c) The statutory powers of leasing conferred on the Security Trustee are extended so that, without the need to comply with any provision of section 99 or 100 of the Law of Property Act 1925, the Security Trustee is empowered to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Trustee may think fit.

7.2 Agent of the Chargors

For all purposes each Receiver is deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Law of Property Act 1925. Every Receiver shall be the agent of the Chargor in respect of which he was appointed unless and until a liquidator shall be appointed of that Chargor,

where after such Receiver shall act as principal but shall not become the agent of the Security Trustee. That Chargor alone shall be responsible for the Receiver's contracts, engagements, commissions, omissions, defaults and losses and for liabilities incurred by him save as may arise through the Receiver's gross negligence or wilful misconduct. The Security Trustee shall not incur any liability of whatsoever nature (either to the Chargors or to any other person) by reason of the Security Trustee making his appointment as a Receiver or for any other reason.

7.3 Contingencies

If the Security Trustee enforces the security constituted by this Deed at a time when no amounts are due to any Secured Party under the Finance Documents but at a time when amounts may or will become so due, the Security Trustee (or the Receiver) may pay the proceeds of any recoveries effected by it into a Charged Account.

7.4 Mortgagee in Possession - No Liability

Neither the Security Trustee nor any Receiver will be liable, by reason of entering into possession of any Charged Property, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might otherwise be liable.

7.5 Privileges

Each Receiver and the Security Trustee is entitled to all the rights, powers, privileges and immunities conferred by the Law of Property Act 1925 on mortgagees and receivers when such receivers have been duly appointed under that Act, except that section 103 of that Act does not apply.

7.6 Protection of third parties

No person (including a purchaser) dealing with the Security Trustee or a Receiver or its or his agents need enquire:

- (a) whether the Secured Obligations have become payable;
- (b) whether any power purported to be exercised has become exercisable;
- (c) whether any money remains due; or
- (d) how any money paid to the Security Trustee or to the Receiver is to be applied.

7.7 Redemption of prior Mortgages

At any time after the security constituted by this Deed has become enforceable, the Security Trustee or any Receiver may, in the case of the Security Trustee at the sole cost of the Chargors (payable to the Security Trustee on demand) and in the case of a Receiver as an expense of the Receiver's receivership:

- (a) redeem any interest by way of security for the time being and from time to time ranking in point of security in priority to any of the security constituted by this Deed; and/or
- (b) (in the case of a redemption by the Security Trustee) procure the transfer of that interest by way of security to itself; and/or
- (c) settle and pass the accounts of any prior mortgagee, chargee or encumbrancer which once so settled and passed shall be conclusive and binding on the Chargors.

8. Receiver

8.1 Appointment of Receiver

At any time after the security constituted by this Deed becomes enforceable, or, at any time if so requested by any Chargor in writing, the Security Trustee may (but shall not be obliged) without further notice from time to time, and notwithstanding that, if such be the case, one or more than one Receiver shall have been appointed in respect of all or any of the Charged Property pursuant to this clause and not removed from such Charged Property, appoint in writing, under the hand of any manager of the Security Trustee, a Receiver of the Charged Property or part of it and, where so requested by a Chargor, whether or not the relevant Charged Property shall belong to that Chargor, but, in the circumstances described in Clause 3.2(a), only over the Charged Property specified in the notice referred to in that clause. The Security Trustee may not exercise the rights conferred by this Clause 8.1 to the extent to which such exercise would be inconsistent with any law or regulation.

8.2 Relationship with the Security Trustee

To the fullest extent permitted by law, any right, power or discretion conferred by this Deed (be it express or implied) upon a Receiver of any Charged Property may, after the security created by this Deed has become enforceable, be exercised by the Security Trustee in relation to any Charged Property either:

- (b) whenever it deems it necessary or desirable, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

8.4 Remuneration

The Security Trustee may, from time to time, fix the remuneration of any Receiver and direct payment of the same out of monies accruing to him in the exercise of his powers, authorities and discretions by or pursuant to this Deed, but the Chargor in respect of which any Receiver shall have been appointed shall alone be liable for the payment of that remuneration.

- (b) The Security Trustee may specify any amendments or changes to the form or manner in which any such new Chargor gives such security provided it is no more onerous than the terms hereof or, in the case of property located in Scotland or otherwise governed by Scots law or the laws of any other jurisdiction, the existing agreed form of the applicable security document (including an acceptance of a limit on the liability of such new Chargor) which in the reasonable opinion of the Security Trustee is necessary in order that such security may lawfully be given.
- (c) The Company shall procure that all registrations or other steps necessary to perfect any security created by a Deed of Accession or other applicable security document are completed as soon as is practicable after its execution and in any event within any applicable time limit.
- (d) Each Chargor (other than the Company) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Company to execute on its behalf any Deed of Accession

without further reference to or the consent of such Chargor and such Chargor shall be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.

- (e) Without limiting the other provisions of this Clause 13.2 (*Further Subsidiaries*), each Chargor acknowledges that any Subsidiary which executes a Deed of Accession will become bound by, and entitled to the benefit of all provisions of this Deed applicable as between the Chargors themselves.

14. Power of Attorney

Each Chargor, by way of security, irrevocably and severally appoints the Security Trustee, each Receiver and any of their delegates or sub-delegates to be its attorney and on its behalf and in its name or otherwise to execute and do all such acts, deeds and things which such Chargor is obliged to take under this Deed and generally, on its behalf and in its name, to exercise all or any of the powers, authorities and discretions conferred by or pursuant to this Deed on the Security Trustee or any Receiver. Each Chargor hereby ratifies and confirms and agrees to ratify and confirm whatever any attorney does or purports to do pursuant to its appointment under this clause.

15. Continuing Security

15.1 Additional Security

The security constituted by this Deed is in addition to and is not in any way prejudiced by any other security now or subsequently held by the Security Trustee for any of the Secured Obligations.

15.2 Continuing Security

The security constituted by this Deed is continuing and will extend to the ultimate balance of all the Secured Obligations, regardless of any intermediate payment or discharge in whole or in part.

15.3 Reinstatement

If any payment by a Chargor or any discharge given by the Security Trustee (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Chargor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the Security Trustee shall be entitled to recover the value or amount of that security or payment from each Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

15.4 Waiver of defences

The obligations of each Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this clause, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or the Security Trustee) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other

person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment (however fundamental) or replacement of a Finance Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

15.5 Immediate recourse

Each Chargor waives any right it may have of first requiring the Security Trustee to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

15.6 Appropriations

Until all the Secured Obligations have been irrevocably paid in full, the Security Trustee may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Security Trustee in respect the Secured Obligations, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Obligations or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Obligations.

15.7 Deferral of Chargors' rights

Until all the Secured Obligations have been irrevocably paid in full and unless the Security Trustee otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Secured Party's or Security Trustee's rights under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Security Trustee or any other Finance Party.

16. Miscellaneous

16.1 Covenant to pay

Each Chargor shall pay or discharge the Secured Obligations in the manner provided for in the Facility Agreement and in any other document creating or evidencing the Secured Obligations and/or otherwise as agreed from time to time.

16.2 The Land Registry

In respect of the Mortgaged Property each Chargor undertakes to make or procure that there is made due application to the Chief Land Registrar (at the same time as registering each legal mortgage in Clause 2.1(a)):

- (a) for a restriction in the following terms to be entered on the Register of Title relating to any Mortgaged Property registered at The Land Registry in its name and against which this Deed may be noted:

“No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [] 2019 in favour of DLP Holdings S.à r.l. referred to in the charges register.”; and

- (b) to enter into an obligation to make further advances on the register of title relating to it.

16.3 New Accounts

If the Security Trustee receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent charge or other interest affecting any Charged Property and/or the proceeds of sale of any Charged Property, the Security Trustee may open a new account for any Chargor. If the Security Trustee does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to the Security Trustee will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Deed is security and, furthermore, the Security Trustee shall be under no obligation to advance any monies or provide or continue to provide any credit facility to any Borrower.

16.4 Tacking

The Security Trustee covenants with each Chargor that it shall perform its obligations under any document creating or evidencing the Secured Obligations (including any obligation to make available further advances).

16.5 Separate Charges

This Deed shall, in relation to each Chargor, be read and construed as if it were a separate Deed relating to such Chargor to the intent that if any Security Interest created by any other Chargor in this Deed shall be invalid or liable to be set aside for any reason, this shall not affect any Security Interest created under this Deed by such first Chargor.

16.6 Invalidity

If, at any time, any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

17. Release

17.1 Expiry of Security Period

Upon the expiry of the Security Period (but not otherwise), the Security Trustee shall, at the request and cost of the Chargors, take whatever action is necessary to release the Charged Property from the security constituted by this Deed and/or reassign the benefit of the Charged Property to the Chargors. If the Security Trustee is of the opinion that any payment made in or towards the discharge of any of

the Secured Obligations is capable of being avoided or set aside under any law applicable to liquidation, administration, receivership or insolvency, then the Security Trustee may defer taking the action contemplated by this Clause 17.1 for such period as it may deem appropriate. The Chargors shall, within three Business Days of demand by the Security Trustee, reimburse the Finance Parties for the amount of all costs and expenses (including legal fees) reasonably incurred by any Finance Party in responding to, evaluating, negotiating or complying with that request.

17.2 Operating Accounts

At any time before the security created by this Deed shall have become enforceable, in the absence of any directions from the Security Trustee to the contrary, any amounts permitted by the terms of the Finance Documents to be paid into an Operating Account shall upon payment into such account stand released from the fixed charge over Book Debts created pursuant to Clause 2 (*Fixed Security*) and shall stand subject to the floating charge created by Clause 3 (*Floating Charge*), provided that such release shall in no respect prejudice the continuance of the fixed charge created pursuant to Clause 2 (*Fixed Security*) in respect of all other Book Debts.

17.3 Purchased Receivables

If any Receivables are purchased by the Agent from any Chargor under the Facility Agreement, such Receivables shall stand released from the Security Interests created by this Deed when title to them has validly passed to the Agent under the terms of the Facility Agreement.

18. Rights and Remedies

The rights of the Security Trustee under this Deed are cumulative, may be exercised as often as considered appropriate and are in addition to the general law. Such rights (whether arising hereunder or under the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing and, in particular, any failure to exercise or delay in exercising any of such rights shall not operate as a waiver or variation of that or any other such right, any defective or partial exercise of any such rights shall not preclude any other or further exercise of that or any other such right, and no act or course of conduct or negotiation by the Security Trustee or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

19. Notices

Any notice or other communication to be made or given under this Deed shall be made or given, and shall be deemed to have been received, in accordance with the provisions of clause 31 (*Notices*) of the Facility Agreement.

20. Counterparts

This Deed may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

21. Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and shall be construed in accordance with English law.

22. Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).

- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 22 is for the benefit of the Security Trustee only. As a result, the Security Trustee shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Trustee may take concurrent proceedings in any number of jurisdictions.

23. Service of Process

Without prejudice to any other mode of service allowed under any relevant law, each Chargor (other than a Chargor incorporated in England and Wales):

- (a) irrevocably appoints the Company as its agent for service of process in relation to any proceedings before the English courts in connection with this Deed; and
- (b) agrees that failure by a process agent to notify the relevant Chargor of the process will not invalidate the proceedings concerned.

For the benefit of the Security Trustee the Company expressly agrees and consents to its irrevocable appointment as process agent pursuant to this Clause 23.

This Deed has been entered into as a deed on the date stated at the beginning of this Deed.
