11. Going concern

The directors, having assessed the responses of the directors of the company's parent Lucasfilm Ltd , to their enquiries have no reason to believe that a material uncertainty exists that may cast a significant doubt about the ability of the company to continue as a going concern

On the basis of their assessment of the company's financial position and of the enquiries made of the directors of Lucasfilm Ltd , the company's directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements
