DIRECTORS' REPORT

FOR THE YEAR ENDED 31ST DECEMBER 2001

The directors present their report and the audited accounts for the company for the year ended 31st December 2001.

Principal activities and review of business

The company's principal activity continued to be that of wholesale and retail of Hi-fi and electrical appliances and there was no significant change in this activity during the year.

Results and dividends

The results for the year are set out in the profit and loss account on page 4.

The directors consider the state of the company's affairs to be satisfactory.

There was a modest increase in the turnover of the company during the year. The wholesale component of the turnover increased significantly while the retail sales came down, resulting in lower margins. The directors are hopeful of further improvement in the turnover in the coming years.

Dividends

Dividends amounting to £30,000 (2000 £30,000) were paid in the year (2001 - 50 pence per share, 2000 - 50 pence per share).

Statement of directors' responsibilities

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that year. In preparing those accounts the directors are required to:

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent;

State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;

Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors:

A resolution to re-appoint F S Dalal & Co., Chartered Accountants, will be put to the members at the Annual General Meeting.

This report was approved by the Board on /3 June 2002, and signed on its behalf.

AUDITORS' REPORT TO THE

SHAREHOLDERS OF ATLANTIC ELECTRONICS LIMITED

We have audited the accounts on pages 4 to 18 which have been prepared under the historical cost convention and the accounting policies set out on page 8.

Respective responsibilities of directors and auditors

As described on page 2 the company's directors are responsible for the preparation of the accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of the information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of the company's affairs as at 31st December 2001 and of its profit and cash flows for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31ST DECEMBER 2001

Accounting policies

Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards.

The company is exempt from the requirement to prepare group accounts by virtue of section 248 of the Companies Act 1985. These accounts therefore present information about the company as an individual undertaking and not about its group.

Turnover

Turnover comprises the value of sales excluding value added tax and trade discounts.

Investment income

Investment income comprises dividends and interest and is accounted for on a receivable basis.

Tangible fixed assets and depreciation

Depreciation is calculated to write down the cost of all tangible fixed assets by equal annual instalments over their expected useful lives. The rates and periods generally applicable are:

Freehold buildings - 4% pa Motor vehicles - 25% pa Fixtures and fittings - 20% pa Short Leasehold Property - Over the term of the lease

Investments

Investments are included at cost less amounts written off. Profits or losses arising from disposals of fixed asset investments are treated as part of the result from ordinary activities.

Stocks

Stocks are stated at the lower of cost and net realisable value.

Deferred taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the directors consider that a liability to taxation is unlikely to crystallise.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31ST DECEMBER 2001

Foreign currencies

Transactions in foreign currencies are translated at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Where exchange differences result from the translation of foreign currency borrowings raised to acquire foreign assets they are taken to reserves and offset against the differences arising from the translation of those assets. All other exchange differences are dealt with through the profit and loss account.

Contribution to pension funds

The company operates a defined contribution pension scheme. The amount charged to the profit and loss account in respect of pension costs is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

Hire purchase and leased assets

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet at their fair value and depreciated over their expected useful lives. The interest element of leasing payments represents a constant proportion of the capital balance outstanding and is charged to the profit and loss account over the period of the lease.

All other leases are regarded as operating leases and the payments made under them are charged to the profit and loss account on a straight line basis over the lease term.
