TRUSTEES' REPORT

The trustees have pleasure in presenting their report together with the financial statements of the Society, for the year ended 30 June 2005. The report has been prepared in accordance with the recommendations of the Statement of Recommended Practice – Accounting and Reporting by Charities, and complies with the Companies Act 1985. Legal and administrative information set out on page 1 forms part of this report.

Constitution and objects

The principal objectives of the Society are the promotion of education and educational activities in Great Britain and overseas for the purpose of the further education and vocational training of apprentice footballers, professional footballers and retired professional footballers so that they may be able to obtain gainful employment after the end of their playing careers and of other persons of all ages who are either working with or training to work with professional footballers or who are unemployed in order to help or assist such persons to obtain education and/or gainful employment.

The Society, which is a recognised Charity in England and a company limited by guarantee, is operated under the rules of its Memorandum and Articles of Association dated 18 December 1978, as amended by special resolutions passed 5 July 1985, 2 December 1992, 1 July 1993 and 16 October 2004.

The management of the Society is the responsibility of the trustees, who are nominated by:

The Professional Footballers' Association The Football Association The F.A. Premier League The Football League

The trustees/directors of the Society meet quarterly to administer the Charity. Programme Advisory Groups (PAGs) represented by members from each of the management bodies plus officers of the Society, meet as necessary to discuss issues in their area of specialism and offer advice to the board of directors. There are two PAGs; Finance and Football in the Community.

On 1 July 2004 the work of the Educational Grants department was transferred to The Professional Footballers' Association. On the same date the work of the Football Scholarship department was transferred to two new operational organisations — League Football Education and Premier League Learning. The Football in the Community department has continued to operate within the Society, which has also acted as a co-ordinating body for the education of professional and trainee footballers. As a consequence of these changes the objects of the Society are currently under review.

Trustees

The trustees who acted during the year were as follows:

Professor John Francis Bradshaw Goodman, CBE (Chairman) Gordon Taylor, B.Sc.(Econ) Alex Horne (appointed 5 November 2004) Michael Foster Andrew Godfrey Williamson

TRUSTEES' REPORT

Statement of trustees' responsibilities

The trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Society and the incoming and expended resources, including the net income or expenditure for the year.

In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the Society's financial position and which enable them to ensure that the financial statements comply with Companies Act 1985. They are also responsible for safeguarding the assets of the Society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that the trustees' report and other information in the annual report is prepared in accordance with company law in the United Kingdom.

Financial information

The Society's reserves have decreased in the year to £1,312,091 (2004 : £1,638,812) after charitable expenditure of £2,099,930 (2004 : £11,089,231) and income of £1,794,369 (2004 : £9,873,828). The trustees are of the opinion that all reserves of the Society are unrestricted at the time of preparing these financial statements. All obligations in respect of the income received have been provided for in the figures to 30 June 2005.

The criminal court case against a former employee regarding unauthorised cash withdrawals from a bank account of the Society, which were reported in the financial statements for the year ended 30 June 2004, has concluded and resulted in a custodial sentence.

The Court ordered the former employee to pay £136,000 compensation to the Society by September 2006 in addition to the approximately £14,000 compensation already recovered since the year end. Neither of these amounts have been provided for in these financial statements. The Society is looking to recover additional amounts, but this is ongoing and no provision has been made for such recovery in these financial statements.

TRUSTEES' REPORT

Football in the Community

The Society continued to provide support for Football in the Community Schemes based at professional football clubs.

Specific support was offered during the year in the following areas: -

- Training The Society contracted centrally with the Learning and Skills Council to continue to support the appointment of approximately 150 youth trainees and apprentices at over 65 club based Community Schemes. In addition, direct funding support was offered towards the training of many Community Officers. Training workshops were arranged in support of particular community training needs.
- Marketing Sponsorship arrangements with Kellogg's Frosties and Adidas continued throughout
 the year. Kellogg's sponsored a number of holiday courses, as well as the popular 6-a-side
 competition for primary and junior schools, approximately 3,000 teams entered the competition.
 Adidas provided kit and equipment for 80 Football in the Community Schemes and sponsored the
 annual girls' under 13's 6-a-side competition.
- Payroll and Accounts Payroll services were provided for 80 Club Football in the Community
 Schemes during the year and total wages processed on behalf of these schemes rose to £11.2
 million during the year (a further increase on the previous year equivalent to over 12%).
- Field Support The Society continued to support the development of community work at locally based Schemes through Regional Directors around the country. This support included the provision of specific training; the production of personal appraisals, reviews, quality monitoring and evaluation, and assistance with problem solving.
- Funding/Partnership Support The trustees of the Society appointed a Funding/Partnership
 Development Director. The role increased partnership working and improved access to external
 sources of funding for Football in the Community Schemes.

TRUSTEES' REPORT

Risk management

On the 1 July 2004 a substantial part of the Society's activities were transferred to new organisations. The Society continues to be responsible for Football in the Community. These changes have substantially altered the risk profile of the organisation. Income for Football in the Community is generated largely through donations from the partner organisations. Public funding as a proportion of total income will reduce to 14% (2004: 45%). The Society anticipates that the funding of the partner organisations for these activities will be maintained for the foreseeable future. The Society also continues to retain a level of reserves that can secure the medium term future of the activities.

The Society benefits from the IT resources and expertise of one of the partner organisations, the PFA. In the event of a disaster, it is confident of its ability to resume activities in a short period of time.

Reserves policy

The Society has aimed to maintain an adequate level of reserves over the past year to ensure it can provide the services of Football in the Community.

The directors and trustees believe the overall levels of reserves held at 30 June 2005 are adequate. Following the significant changes in the functions performed by The Society, the trustees are currently reviewing the reserves policy.

Auditors

On 23 May 2005, PKF transferred their business to PKF (UK) LLP, a limited liability partnership. Under section 26(5) of the Companies Act 1989, the company consented to extend the audit appointment to PKF (UK) LLP from 23 May 2005. Accordingly, the audit report has been signed in the name of PKF (UK) LLP and a resolution for the reappointment of PKF (UK) LLP will be proposed at the forthcoming annual general meeting.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE FOOTBALLERS' FURTHER EDUCATION AND VOCATIONAL TRAINING SOCIETY LIMITED

We have audited the financial statements of The Footballers' Further Education and Vocational Training Society Limited for the year ended 30 June 2005 which comprise the Statement of Financial Activities, the Income and Expenditure Account, the Balance Sheet, the Cash Flow Statement and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's' members as a body for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

The trustees (who are also the directors of The Footballers' Further Education and Vocational Training Society Limited for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards as set out in the Statement of Trustees' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Trustees' Annual Report is not consistent with the financial statements, if the Charity has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding trustees' remuneration and transactions with the Charity is not disclosed.

We read other information contained in the Trustees' Annual Report, and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board.

An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Charity's circumstances, consistently applied and adequately disclosed.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE FOOTBALLERS' FURTHER EDUCATION AND VOCATIONAL TRAINING SOCIETY LIMITED

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Charity's affairs as at 30 June 2005 and of its incoming resources and applications of resources, including its income and expenditure, for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 30 JUNE 2005

1 ACCOUNTING POLICIES

(a) Basis of preparation

The accounts have been prepared under the historical cost convention as modified by the revaluation of investments and are in accordance with applicable accounting standards. The accounts comply with the provision of the Statement of Recommended Practice Accounting and Reporting by Charities issued in October 2000, and the Companies Act 1985.

(b) Donations from football funding bodies

Donations from football funding bodies are included in the year in which they are receivable, which is when the Charity becomes entitled to the resource.

(c) Grants receivable from government and other public bodies

Grants receivable from the Learning and Skills Council are credited to the Statement of Financial Activities (SOFA) in the year for which they are receivable. Accrued income represents the amounts due for the current year which is not received until the following year.

(d) Sponsorship income

Sponsorship income is accounted for net of value added tax in the financial statements.

(e) Investment income

Income from investments is included in the year in which it is receivable.

(f) Expenditure

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure. All costs have been directly attributed to one of the functional categories of resources expended in the SOFA. The Society is partially exempt from VAT and accordingly the expenditure is shown gross where the VAT is irrecoverable.

(g) Depreciation on tangible fixed assets

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value over their expected useful economic lives as follows:

	% p.a.
Building	2
Property improvements	20
Fixtures and fittings	10
Office equipment	25
Motor vehicles	33

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 30 JUNE 2005

(h) Investments

Investments are stated at market value at the balance sheet date. The SOFA includes the net unrealised and realised gains and losses arising on revaluations and disposals throughout the year.

(i) Pension costs

All staff employed by the Charity are eligible for company contributions to a private or stakeholder pension on a defined contribution basis.

(j) Operating leases

Rentals applicable to operating leases are charged in the year as incurred over the term of the lease.

(k) Taxation

The Society is not liable for Corporation Tax on its charitable income.

(I) Fund accounting

Funds held by the Society are unrestricted general funds which can be used in accordance with the charitable objects at the discretion of the trustees.

The exceptional item is legal costs incurred in relation to the unauthorised withdrawals in the period ended 30 June 2003.

The Court ordered the former employee to pay £136,000 compensation to the Society by September 2006 in addition to the approximately £14,000 compensation already recovered since the year end. Neither of these amounts have been provided for in these financial statements. The Society is looking to recover additional amounts, but this is ongoing and no provision has been made for such recovery in these financial statements.
