ACHIEVEMENT AND PERFORMANCE

Charitable activities

The first half of 2021 was very quiet within the Christian Centre and Ice House Bookshop due to the extended closure of the ground floor and the ongoing Covid restrictions. The covid lockdown ended in July 2021, but the Christian Centre and the Ice House Bookshop did not re-open to the public.

Activities - Donations and Changes

Donations had almost dried up during the closure, so a lack of available funds, coupled with the fact that most of the volunteers and visitors to the Centre were elderly or in vulnerable groups, meant it did not seem wise to re-open. During the pandemic we had lost our volunteers and made the sad decision to amenably part ways with our Centre Manager. He is continuing to support us on the days of the blood donor sessions.

The NHS Blood Donors

The NHS blood donor sessions continued to take place during the closure, albeit with Covid restrictions in place. They were still very well attended but were on a pre booking only system.

Tenants

Elsewhere in the building the local community supporting companies and charities, Dial A Ride, Rexshi Ltd, First Steps Nursery, Grimsby Shoeboxes and One Way UK Ltd, all carried on their varied activities as usual, helped in part by the previous years rent subsidies.

Grimsby Shoeboxes

The New Grimsby Shoeboxes had a very good year filling and distributing 6744 boxes to local people, as well as people in Romania and Moldova in conjunction with their charity partners The Corabia Foundation, Jacob's Well and Teams4U. This was a 60% raise on the previous year, primarily driven by more volunteers coming forward to help. They also raised money for the MacMillan Cancer Charity and Children in Need through cake sales, and donating items which could not be used in the shoeboxes to the Women's Refuge and The Humberston North Sea Lions.

Grimsby Guides

Two units of the Grimsby guides association continue to store their camping equipment and other items.

Brigg Methodist Circuit

The South Ferriby Methodist Church Organ, which we have been storing free of charge for the Brigg Methodist Circuit for the past three years, was collected and transported for installation and refurbishment in its new home the Grimsby Methodist Central Hall which has not had a functioning instrument for many years.

Christian Motorcyclists Association

The Christian Motorcyclists Association (CMA UK - Biker Bibles) with which we have been associated for over twenty years firstly at the Scunthorpe site, then later on the top floor of the Ice House and for whom we have been storing pallets of bibles free of charge during that period. They have advised us that they are restructuring, and will be collecting the Bibles in April 2022, and thank us for all our support over the years.

Projects are being planned.

As with the refurbishment all things take time. It will be marvellous to have the building full again and to return to the charitable works the Centre was set up for. We are initially looking at a five-year period to get where we need to be. We anticipate we will need to spend at least £500,000 on the refurbishment of the Centre, the lift alone will cost in the region of £80,000. But we have a clear picture of where we are heading after the period of uncertainty.

Achievements

The closure of the ground floor gave the Trustees time to re-evaluate and discuss the future. Built in 1929 and having two years little use due to Covid, it was agreed that a full refurbishment of the property should occur.

Ground Floor

The covid pandemic causing the centre to be closed to the public has allowed the electricians to perform in a safe environment an extensive overhaul of its electrical and fire alarm systems -

Redundant cabling has been removed and identification of live cabling has been labelled.

New Control Panels have been installed. All the ceiling lights have been replaced with LED and in order to maximise efficiency PIR sensors were fitted.

First Floor

Christian Centre (Humberside) Limited
(The) (Registered number: 01434516)

Report of the Trustees
for the Year Ended 31 December 2021

Fully decorated, a refurbished corridor with suspended ceiling tiles and all the ceiling lights have been replaced with LED, and in order to maximise efficiency PIR sensors were fitted.
Offices and a new kitchen with toilets have been created.

Top Floor

The Top floor has been cleared of surplus material which has been accumulating since the Auditorium and Restaurant were closed over 20 years ago.

New UPVC Double Glazed windows have replaced the old single glazed wooden windows. A new UPVC door to the roof has been fitted.

The stage has been removed.

The roof has been repaired after the high winds. A new guttering system has been installed - stopping the leaking into the auditorium. The flat roof has been sealed with a new type of floor sealant and guttering was installed on the lower room stopping all the pooling of the rain water. New Skylights have been installed.

FINANCIAL REVIEW

Reserves policy

The company's reserves are currently at a level to support more than one year's costs. The directors feel that this is adequate as the charity is well supported.

FUTURE PLANS

Development Plans for the Ground floor

The Charity is in negotiations with a high profile local charity for them to rent the ground floor of the building and to refurbish the space to their specifications. Ian Davey (Trustee) who was a founding member of that Charity has spearheaded the idea. Recently they came for a meeting and to see the facilities. The situation has now progressed and instructions have been issued for a valuation to be done, so that they can build their cost structure around it. They have many ideas and would be a very good addition to the building. By taking the space they would absorb the blood groups so they would still continue but all proceeds would go to their charity.

Development Plans for the First floor

The first floor will have a change round, with the Grimsby Shoeboxes moving into the CAWL hall and the old TegCo offices which have already been refurbished and finished, there is also a new kitchen and toilet area for them to use.

The lower area that Grimsby Shoeboxes currently occupy is in negotiation for a data processing centre.

Development Plans for the Top floor

The Trustees have been to a Christian organization's headquarters in Liverpool, and have held visits here for their representatives. Negotiations are currently underway and appear promising. The floor will be refurbished to their requirements and will house a coffee shop.

The plan is to open the third stairwell which has been closed permanently.

Plans have been made to install a new lift and a new entrance way into the building.

The intention, as part of the refurbishment, is to relocate the bookshop and library which are currently on the ground floor up to the top floor under the overhang with new windows being installed over-looking the green area opposite.

The entire exterior of the building is in need of re-rendering, which is scheduled as part of the refurbishment of the property. Carparks will also be re-surfaced and re-lined. CCTV cameras will be upgraded to increase security as well as secondary internal doors to minimize heat loss.

Local Support

Oikas - Brigg Christian Bookshop

The two years of Covid - as for many - hit the Centre very hard and activities have been down on previous years, however, as part of our charitable contributions during 2021, we donated £16,000 worth of stock to a new Christian Centre which has opened in Brigg called Oikas. We have also helped with the refurbishment of their shop; this has helped them to become established and they should be a firm fixture in our donation schedule.

Local Community Support

Moving through 2022 and onwards, we are having the building re-valued. Most of the tenants housed in the building are community or charity based. We feel that rather than increasing the rents they already pay, we may be able to subsidise the rents via The Christian Centre, allowing them to continue with the valuable works which they already do. By supporting them, we are supporting the local community and the people their businesses touch.

In addition to this there are a number of local charities and community-based organisations which we would like to become involved in. These are all local to The Christian Centre and we believe they would benefit from our donations of goods and services, these include:

Harbour Place - A homeless shelter

Nunnysfarm - An animal centre for children with learning disabilities

Woman's Aid - Refuge for domestic abuse victims

The Alcohol & Drug Service

Doorstep - Local food bank

Scartho Community Group - Cancer Support Group

Safe Space - Supporting survivors of childhood sexual abuse

Humberston North Sea Lions - Community organisation

Grimsby Food Kitchen - Community organisation

A budget has been set aside for the above
