DIRECTORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 1994

The directors present their annual report, together with the audited financial statements for the year ended 31 August 1994.

RESULTS AND DIVIDENDS

The profit for the year after taxation was £22,939.

The directors do not recommend payment of a dividend for the current year.

REVIEW OF THE BUSINESS

The company's principal activity during the year under review was the supply of aircraft spares.

The directors consider the state of the company's affairs to be satisfactory.

DIRECTORS AND THEIR INTERESTS

The directors of the company during the year and their beneficial interests in the share capital of the company were as follows:

	<u>Number of shares</u>	
	<u>At end of</u>	<u>At start of</u>
	<u>year</u>	<u>year</u>
		<u>or when</u>
		<u>appointed</u>
A G Wright	-	-
Mrs C A Wright	-	-
S Wright	-	-

FIXED ASSETS

The movements in fixed assets during the year are set out in note 7 of the financial statements.

In the directors' opinion the market value of the freehold property is considerably in excess of its book value.

AUDITORS

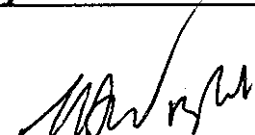

A resolution to re-appoint Messrs Hacker Young will be proposed at the forthcoming Annual General Meeting.

FOR THE YEAR ENDED 31 AUGUST 1994

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

select suitable accounting policies and then apply them consistently;

make judgments and estimates that are reasonable and prudent;

state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT TO THE MEMBERS OF
PARK AVIATION SUPPLY CO LIMITED

FOR THE YEAR ENDED 31 AUGUST 1994

We have audited the financial statements on pages 4 to 11 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

Respective responsibilities of directors and auditors

As described on page 2, the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error, except that due to a computer failure, records were lost in regard to the purchase and sales ledger balances. It has therefore not been possible to attain adequate assurance as to the valuation of these figures and any adjustments to these figures would have a consequential effect on the profit for the year ended 31 August 1994 and 31 August 1995. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

Subject to any adjustments that might have been found to be necessary had we been able to obtain sufficient evidence concerning trade debtors and creditors, in our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 August 1994 and of its profit for the year then ended and have been properly prepared in accordance with provisions of the Companies Act 1985 applicable to small companies.

PARK AVIATION SUPPLY CO LIMITED

NOTES TO THE FINANCIAL STATEMENTS **FOR THE YEAR ENDED 31 AUGUST 1994**

1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards. The particular accounting policies adopted are set out below.

1.1 Basis of accounting

The financial statements are prepared under the historical cost convention.

1.2 Turnover

This represents the invoiced amounts of goods sold, net of value added tax.

1.3 Depreciation of tangible fixed assets

Provision is made for depreciation on all tangible assets at rates calculated to write off the cost or valuation of each asset over its expected useful life as follows:

Freehold buildings	2%	per annum straight line
Leasehold properties	over the term of the lease	
Workshop and stores	2%	per annum straight line
Fixtures and fittings	15%	per annum straight line
Computer equipment	25%	per annum straight line
Motor vehicles	25%	per annum on a reducing basis

1.4 Deferred taxation

Deferred taxation is accounted for on all timing differences, except where no tax liability is expected to arise in the foreseeable future.

1.5 Cashflow statement

The company has taken advantage of the exemption permitted by FRS1, whereby a cashflow statement need not be prepared by a small company, as defined in Companies Act 1985.

1.6 Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value. The most conservative figure for realisable value would arise if the stocks were sold for scrap and it is on this basis that the directors have prepared their valuation.
