NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2017

1. Accounting policies

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements.

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with The Financial Reporting Standard 105.

Depreciation

The lease to Flat 17, Bevan House, Boswell Street, London WC1 was created on 5 October 1979 and expires on 31 March 2077. The directors do not feel that the cost of an up-to-date valuation is justified, but no depreciation is thought to be necessary as the directors are of the opinion that the lease has an open market value at least equal to its cost, being the figure at which it is stated in the balance sheet.
