REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2020

The directors submit their annual report together with the accounts for the year ended 31 March 2020.

PRINCIPAL ACTIVITIES

The object of the company is to trade as a general commercial entity to procure surplus funds in order to donate to Samaritans Central Charity. Principal activities are the operation of a contractual arrangement with Network Rail aimed at tackling suicide on the railways, together with other workplace training, conferences, sponsorship, licensing and partnership activities.

The Central Charity of Samaritans is the co-ordinating body for the 201 Samaritans branches in the UK, the Republic of Ireland, the Channel Islands and the Isle of Man. Samaritans provides completely confidential emotional support 24 hours a day by telephone, personal visit, email and letter, through its branch network – support that includes outreach activity at festivals, in prisons, hospitals, and with homeless people.

REVIEW OF THE YEAR

The company continued work on its award-winning partnership with Network Rail. This is delivered primarily through suicide prevention activities such as training, awareness raising through a national communications campaign and developing partnerships through local community outreach work along with postvention activities such as providing Samaritans support at stations following an incident.

Samaritans is the host organisation and co-chair of the National Suicide Prevention Alliance (NSPA). The NSPA is a cross-sector, England-wide, coalition committed to reducing the number of suicides in England and improving support for those bereaved or affected by suicide. As part of this collaboration, a public conference "Suicide prevention: from community to clinician" was held during the year to bring together people involved in suicide prevention, to share best practice and consult on priorities for the future. Income from these conferences is recognised through The Samaritan Enterprises Limited.

During the year, Samaritans also became the host organisation for the Support After Suicide Partnership (SASP). SASP is a UK wide network of over 70 members and supporters. It was founded in 2013 to bring together national and local organisations that are involved in delivering suicide bereavement support across the UK and to address the need for formal, multi-agency, proactive suicide bereavement support.

For the year ended 31 March 2020 the company made an operating profit of £445,000 (2019: £136,000).

No tax charge arises in the company as all of the taxable profits are paid to Samaritans under gift aid. The profit/loss on ordinary activities after gift aid was £nil (2019: £nil). No dividends have been paid or are proposed (2019: £nil).

THE FUTURE

COVID-19 has already had a significant impact on income generation activity across the Group and, given the uncertain economic outlook, there is a risk that this will worsen in the coming months. For Samaritans Enterprises, the main impact is on certainty of future income streams. This uncertainty is being mitigated by developing new income streams and updating income forecasts regularly. The Company will seek to build on the successful Network Rail partnership and secure similar arrangements elsewhere, and further develop its sponsorship, partnership and fundraising activities.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom accounting standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

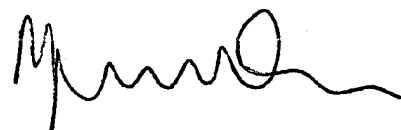

In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions, to disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors confirm that so far as each director is aware, there is no relevant audit information of which the company's auditors are unaware, and each director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

The report of the directors has been prepared in accordance with the special provisions relating to companies subject to the special provisions relating to the small companies regime within Part 15 of the Companies Act 2006.

Independent Auditor's Report to the Members of Samaritan Enterprises Limited

Opinion

We have audited the financial statements of Samaritan Enterprises Limited for the year ended 31 March 2020 which comprise the Profit and Loss Account, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other

information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the directors report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page [...], the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the

Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.
