INDEPENDENT AUDITORS' REPORT

TO THE SHAREHOLDERS OF SILVERGRAD LIMITED

We have audited the financial statements of Silvergrad Limited for the year ended 30th September 2003 on pages 5 to 11. These financial statements have been prepared under the historical cost convention and the accounting policies set out on page 7.

This report is made solely to the company's members, as a body, in accordance with S.235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. *To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report or for the opinions we have formed.*

Respective Responsibilities of Director and Auditors

The director's responsibilities for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Director's Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Director's Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and transactions with the company is not disclosed.

We read other information contained in the Annual Report and consider whether it is consistent with the audited financial statements. This other information comprises only the Director's Report. *We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.* Our responsibilities do not extend to any other information.

Basis of Opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the company's affairs as at 30th September 2003 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 30TH SEPTEMBER 2003

1. ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and are in accordance with applicable accounting standards.

Cash Flow

The financial statements do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1 "Cash Flow Statements".

Turnover

Turnover represents the total invoice value, excluding value added tax of services rendered during the year.

Related Party Transactions

The company has taken advantage of the exemption available under Financial Reporting Standard number 8, not to disclose material transactions with related parties.

Freehold Property

The freehold property is maintained as a matter of company policy by a programme of repair and refurbishment such that the residual value is at least equal to the book value. Having regard to this, it is the opinion of the directors that depreciation of the property as required by the Companies Act 1985 and Financial Reporting Standard 15, would not be material.

Deferred Taxation

Deferred tax is provided using the full provision method. Deferred tax is recognised in respect of all timing differences which have originated but not reversed at the balance sheet date. It is the company's policy not to discount deferred tax to reflect the time value of money.
